Client Story*

Please give the true story of a client served this month by your programming. You may change identifying details. This allows us to connect to your programming on an emotional level.

During the entire time of the grant we have heard so many amazing stories, from their spouse dying of Covid-19 to even some people ending up homeless due to job loss during these tumultuous time. If we had to say what stood out I would say the Grandmother that now has custody of her grandkids due to the mother dying of Covid-19 and the father in intensive care on a ventilator. She was in tears thanking us for food, she said "it was like you all put thought in what you were giving away, it wasn't just anything. It was all what I needed and I am forever grateful."
