Unique Entity ID (SAM)

Please provide your organization's Unique Entity ID number. This is a specific number used by the federal government to identify your organization. This is different from a DUNS number, which the federal government no longer uses.

If you do not have a Unique Entity ID number, you can create an account on SAM.gov and apply for one here (it is

free and may take 3-4 days for approval): https://sam.gov/content/home

This field is optional as to not stop a qualifying organization from applying. **However**, a Unique Entity ID number will be required if your organization is approved for a grant. Your organization should apply for a number now if it does not yet have one.

Request Specifics

Organization Programmatic Background*

Please describe the programming your organization offers to the community and the length of time it has been doing so. What does your organization **do** and **how long** has it been doing it?

AVA Food Pantry has been in existence since 2009. Our client data base previously consisted of 750 families, in which AVA had 2 employees to cover existing families. Since the Covid-19 Pandemic the demand has increased to 5,000 families in South St. Petersburg.

Community Need*

Please describe the community need that exists for your programming. If you are able to cite quantitative, local data, that will strengthen your proposal.

Currently, Advantage Village Academy operates food distribution at it's one site where cars can drive thru to pick up food as needed. We are in the process of working with an additional site, however we will need vans to transport the food to the constituents.

Negative Economic Impact on Organization*

The following question is the keystone of a strong application in this process. If your organization cannot demonstrate a negative economic impact from the pandemic, your application will not qualify for committee review. If you are uncertain about what constitutes negative economic impact or how to demonstrate it, please contact PCF staff for technical assistance.

Describe your organization's negative economic impact arising from the COVID-19 pandemic. Examples could include:

- A reduction in revenue from 2019 to 2020
- Inflationary pressures
- Increases in demand for services that have not been compensated for through new revenue
- The use of reserves for unbudgeted expenses since the onset of the pandemic, and such use of reserves has prevented the purchase of capital assets
- A need for capital assets to offset community need for which your organization does not have the resources to purchase due to the negative economic harm from the pandemic
- A need for additional capital assets to adapt operations to accommodate health and safety guidelines by the CDC
- Growth in restricted pandemic-related revenue that does not permit capital asset acquisition

You have the option to upload supporting documentation regarding negative economic impact. However, please limit your upload to no more than five pages.

Note: If you are applying for both a Small Purchase and Large Project, you may reuse the answer for this question <u>PROVIDED THAT</u> the negative economic impact is relevant to both requests. The Large Project Letter of Intent does not permit uploads to support the answer to this question.

AVA Food Pantry has been in existence since 2009. Our client data base previously consisted of 750 families, in which AVA had 2 employees to cover existing families. Since the Covid-19 Pandemic the demand has increased to 5,000 families in South St. Petersburg. Although the demand has increased, donations has remained the same.

Proposal Description*

The American Rescue Plan Act requires a request that is reasonable and proportional to the level of economic impact your organization experienced. This means the request you describe below should not be greater than the economic harm your organization has suffered.

Please describe your purchase proposal and address the following:

• What will you be purchasing with these funds?

- What is the estimated lifespan of the purchase/improvement?
- How does it address the negative economic harm you described in the previous question?

AVA will purchase 2 Cargo Vans to transport food.

Lifespan of the vehicles are 7 years

The Cargo Vans will allow us to transport food to the elderly, disabled and most vulnerable constituents in which we serve.

Guiding Principles - Client Impact*

The American Rescue Plan Act, which provides the funding for this grant program, aims to ensure an equitable recovery from the COVID-19 pandemic. The term "equity" is defined as:

The consistent and systematic fair, just, and impartial treatment of all individuals, including individuals who belong to underserved communities that have been denied such treatment, such as Black, Latino, and Indigenous and Native American persons, Asian Americans and Pacific Islanders and other persons of color; members of religious minorities; lesbian, gay, bisexual, transgender, and queer (LGBTQ+) persons; persons with disabilities; persons who live in rural areas; and persons otherwise adversely affected by persistent poverty or inequality.

One of the guiding principles of this fund is that it will apply a lens of equity to ensure the needs of specified priority populations are met.

Will this purchase benefit the community members defined above that have experienced disproportionate negative impacts from the COVID-19 pandemic? If so, how?

Yes, 100% of the constituents in which Advantage Village Academy serve, are those located within the underserved communities.

Number Served*

How many people will directly benefit from this capital purchase annually? 5000

Unduplicated vs. Duplicated*

Is the number indicated above duplicated or unduplicated? **Duplicated:** A client is counted each time they access services

Unduplicated: A client is counted once, regardless of the number of times they access services

Example: ABC Food Bank operates two mobile food pantries, one in Clearwater and one in St. Petersburg. Taylor, a Pinellas County resident, goes to both food pantries. If ABC Food Bank counts Taylor's visit TWICE, it is **duplicated**. If ABC Food Bank counts Taylor's visit ONCE, it is **unduplicated**.

Unduplicated

Other (Explanation Required)

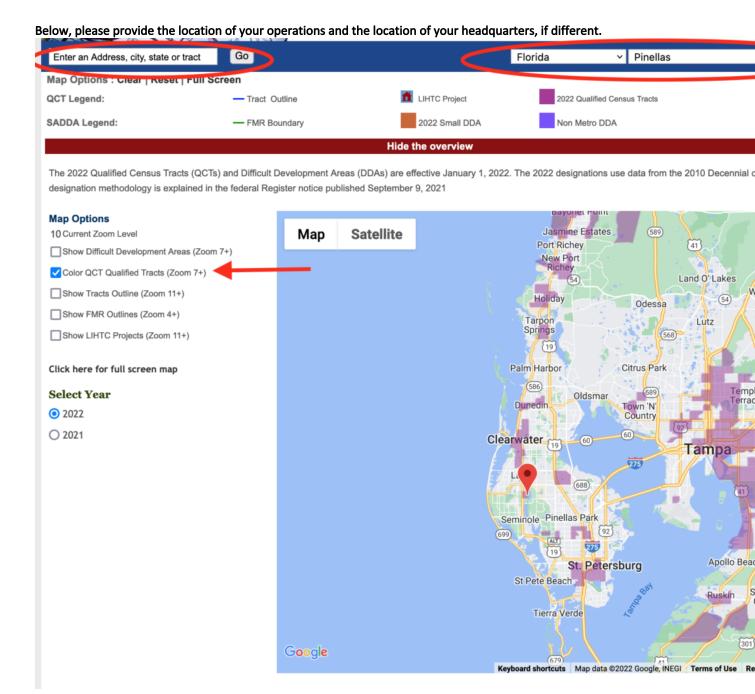

Printed On: 1 October 2022

If you selected "Other" in the previous question, please explain how your organization determined the number of clients that will benefit from the proposed capital purchase.

The American Rescue Plan Act (ARPA) prioritizes organizations that either have headquarters or carry out the majority of their operations inside Qualified Census Tracts (QCTs). QCTs are a standard method of identifying communities with a large proportion of low-income residents. The U.S. Department of Housing and Urban Development determines what areas qualify as QCT.

To assess if your organization serves or is headquartered in a QCT, use the following link: https://www.huduser.gov/portal/sadda/sadda qct.html

In the top right-hand corner, choose the state of Florida and Pinellas County. Then on the left-hand side of the screen, click the box next to "Color QCT Qualified Tracts." The QCT zones are denoted in purple. You can also map your address by adding it into the address box at the top to see if your location is inside the zones.

Headquarters Location*

Please provide your organization's headquarters address as it appears on your Sunbiz account. To check your Sunbiz registration, you may search here: https://dos.myflorida.com/sunbiz/search/833 22nd Street South St. Petersburg, FL 33712

QCT Determination - Headquarters*

Is this organization headquartered in a QCT?

Yes

Purchase Location*

Where will the majority of the activities related to the purchase(s) take place?

Examples

- If you are proposing the purchase of a van that will deliver to multiple areas within Pinellas County, specifically mention what areas those are.
- If your purchase enables remote access to your services, such as telehealth, provide geographical data around where the majority of your clients reside (presuming they will access your services from their residence).

Midtown St. Petersburg 33712

QCT Determination - Purchase*

Does this organization's proposed purchase benefit residents of QCTs?

Yes

Community Connection

This section aims to capture general demographic data about your organization and to see how you engage with and represent the community you serve. PCF has generalized the demographic data questions more than it has in other processes because of the public nature of this process. PCF understands that identity disclosure can be a sensitive matter, and wants to respect your organization's board and staff. If your organization feels comfortable sharing more detailed demographic information, it may do so in the "Community Representation and Connection" section.

Community Representation and Connection*

Describe how your organization is representative of, or has authentic connections to, the community your proposal seeks to serve. You can list other community-based organizations that work on programming with you and/or list examples of your work within this community.

Advantage Village Academy (AVA) enjoys a strong connection to the community and provides a variety of helpful services including backpack and school supply distributions to help families prepare to return to school, food distribution to address a lack of affordable food, tutoring services to help students be more successful in school, and referrals to community members to participate in other programs and services that are not delivered by AVA. These services help approximately 5,000 people each year.

AVA assisted more than 62,000 people through a CARES grant. More than \$720,000 was generated and spent to help the community address food needs that were created by the economic downturn from COVID-19. We are proud of our ability to mobilize resources so quickly to meet the rapidly growing community need.

Leadership Demographics - Board Membership*

Do your board members consider themselves a member of one or more of the following populations? Check all that apply.

- BIPOC defined as Black, Latino, and Indigenous and Native American persons, Asian Americans and Pacific Islanders and other persons of color
- LGBTQ+ (Lesbian, Gay, Bisexual, Transgender, Queer+)
- Neurodiverse/physically disabled

Proposal Costs

Purchase Estimates/Bids*

You must combine all bids/estimates into one file.

Attach current verifiable bids, estimates, or price lists [from your potential vendor(s)]. Please ensure there is a date listed or when you obtained these estimates/bids, as they must be from within the past sixty (60) days.

- If your purchase is BELOW \$75,000, you must upload TWO verifiable bids or estimates for the proposed purchases.
- If your purchase is **EQUAL TO** or **MORE THAN** \$75,000, you must upload THREE verifiable bids or estimates for your proposed purchases.

This can be as simple as screenshots from Amazon or Best Buy (though PCF does not endorse or recommend any specific vendor) or may be from specialized vendors that sell your proposed purchase. If you have concerns regarding bids or estimates, please reach out to PCF staff.

AVA Combined Bids.pdf

Sole Source*

In some cases, a proposed small purchase is only available from a single vendor, and as such, only one bid/estimate can be uploaded. If this is the case for your organization, please explain in the field below. Otherwise, write "N/A" below.

N/A

Related Parties*

Are any of the contractors/vendors that have provided bids/estimates a related party to your organization?

Examples of Related Parties

- A board member that owns the contracting company that provided a bid
- The relative of a director, officer, or executive team member owns a company that provided an estimate
- The CEO of the applying organization has a financial interest in the construction company providing a bid

If yes, identify the vendor and describe the relationship.

If no, write "No related parties below."
