Example: ABC Charity has only expended \$1,000 this week on program personnel while our food pantry was open. ABC Charity buys its food in bulk on the 15th of every month, and therefore there will be an uptick in expenditure that week.

Bay Area Legal Services only expended \$885.27 this week on program personnel for 20% of the full-time salary of the staff attorney and 100% of the part-time law clerk.

Client Story*

Please give the true story of a client served this month by your programming. You may change identifying details. This allows us to connect to your programming on an emotional level.

Client was out of work due to COVID-19 and was unable to keep up with his rental payments. Client owed Landlord partial rent for September and full rent for October and November. Landlord filed an eviction against client. Client was referred to the Eviction Mitigation Program. Staff Attorney received the case and was able to negotiate with the landlord for a settlement agreement. Landlord agreed to receive the funds from the Eviction Mitigation Program. Landlord received the past due balance of rent owed and client was able to preserve housing.
