Please briefly explain the spending activities from **February 1, 2021 to February 28, 2021**. If you have not expended any funds, please return to the top of this report and indicate so.

Example: ABC Charity has only expended \$1,000 this week on program personnel while our food pantry was open. ABC Charity buys its food in bulk on the 15th of every month, and therefore there will be an uptick in expenditure that week.

Spending during this month was primarily on outreach, mediators, and personnel for running the PEDP program.

Client Story*

Please give the true story of a client served this month by your programming. You may change identifying details. This allows us to connect to your programming on an emotional level.

Everything was on track as could be as a single parent raising kids. She worked hard and was on top of everything including her rent and all her bills. Then, she became sick with COVID almost the whole month of December. She tried to get help from 211 but she missed the deadline for assistance. She was on Facebook one day scrolling through and then she saw an ad that said, "struggling facing eviction, behind on bills." The organization was called Community Law Program. She gave us a call. She was facing eviction at this point. One of our staff attorneys represented her and reached a settlement with the landlord. We also helped her get an angel of a case worker at FSI, who helped her get some basic needs through this stressful time in life. In the client's own words, "It's good to have a program where they listen, they respond, and they really care about you and want to help you!" This program exists because of PCF and the Pinellas CARES Nonprofit Partnership Fund!

February 2021 Submission 2021 CARES - Community Law Program.pdf

Good afternoon, in the PCF grant portal, I don't think it adjusted the amount awarded for future programming total to reflect our new grant amount based on the 2nd amendment contract. Just wanted to note that. Thank you!
