ABC Charity buys its food in bulk on the 15th of every month, and therefore there will be an uptick in expenditure that week.

### Client Story\*

Please give the true story of a client served this month by your programming. You may change identifying details. This allows us to connect to your programming on an emotional level.

CLPClient was working at Spectrum Baseball Field where the work hours slowly decreased, and bills were not getting paid. Soon the several players and workers were getting COVID. It became frightening. The client has two grandchildren that she cares for, so things got even more scary. Client went all around to find help even as far as Tampa. She stated that she was not getting help anywhere. She was completely frustrated. Finally, a neighbor told her about CLP and she reached out right away. Client stated that she cried when she was informed that she was approved for mediation and back rent payment. Sounding relieved, client stated that she is now happy, motivated and will begin as a home health aide shortly. With no hesitation client stated that she would gladly refer people to the Community Law Program. Of course, she stated, "CLP saved my life!"
