Example: ABC Charity has only expended \$1,000 this week on program personnel while our food pantry was open. ABC Charity buys its food in bulk on the 15th of every month, and therefore there will be an uptick in expenditure that week.

Caring For Girls Academy spent 2,400.00 from February 14, 2021, to February 27, 2021 on Behavior Health services.

Client Story*

Please give the true story of a client served this month by your programming. You may change identifying details. This allows us to connect to your programming on an emotional level.

Keshia began behavior health extended services on 2/25/2021. Keshia is a single MOM with three small children, works full time, and enrolled as a part-time student. MOM is resilient and resourceful, but she has feelings of being overwhelmed. MOM was using unhealthy coping skills to deal with family members, school-related issues with her children, and stress on her job. The therapist taught MOM relaxation strategies and healthy coping skills to decreased daily stressors.
