Brief Spending Narrative*

Please briefly explain the spending activities from **December 27 to December 30, 2020**. If you have not expended any funds, please explain why.

Example: ABC Charity has only expended \$1,000 this week on program personnel while our food pantry was open. ABC Charity buys its food in bulk on the 15th of every month, and therefore there will be an uptick in expenditure that week.

Celebrate Outreach, Inc.! expended \$750 for labor from December 27 to December 30, 2020.

Client Story*

Please give the true story of a client served this month by your programming. You may change identifying details. This allows us to connect to your programming on an emotional level.

There is a man, Josh, who regularly attends the Friday, Saturday and Sunday meals. He appears to struggle with serious mental health issues. His behavior runs from hot to cold and we never know what to expect. However, this man, whether battling demons or not, will show up, on time, Saturday mornings and assist in the meal set-up the best he can. Conversations are more parallel than dialogue but he stays, he participates as a volunteer, not only as someone receiving a free meal. Josh lives on the street under the harshest of conditions and somehow manages to get up, walk however far he has to walk to us, and contributes. May COVID-19 spare this amazing man.
