Please briefly explain the spending activities from **November 29 to December 5, 2020**. If you have not expended any funds, please explain why.

**Example:** ABC Charity has only expended \$1,000 this week on program personnel while our food pantry was open. ABC Charity buys its food in bulk on the 15th of every month, and therefore there will be an uptick in expenditure that week.

Expenses were incurred this week for staff and community training, computer equipment and licenses.

### Client Story\*

Please give the true story of a client served this month by your programming. You may change identifying details. This allows us to connect to your programming on an emotional level.

I had a very positive experience while taking the Mental Health First Aid training. Instructor April Lott was very informative and addressed all the questions that were presented. The training was very interactive which made it an even more interesting learning experience. One great takeaway from the training was learning the Mental Health First Aid Action Plan or the ALGEE Model. As a retired firefighter, now serving as a Fire Chaplain, I'll use this model as I assist those needing Mental Health First Aid. April Lott was an excellent instructor. I'm very glad I took this training.
