### Brief Spending Narrative\*

Please briefly explain the spending activities from **November 29 to December 5, 2020**. If you have not expended any funds, please explain why.

**Example:** ABC Charity has only expended \$1,000 this week on program personnel while our food pantry was open. ABC Charity buys its food in bulk on the 15th of every month, and therefore there will be an uptick in expenditure that week.

We spent \$442.00 on milk from Borden Dairy for our clients.

### Client Story\*

Please give the true story of a client served this month by your programming. You may change identifying details. This allows us to connect to your programming on an emotional level.

We have an individual who called us about their neighbor who is a veteran and had their power turned off for a month. She was working with him to get his power turned back on and wanted to know about our services. She said he was only eating a peanut butter sandwich and making it last two days because he had no food in the house. We were able to provide this veteran with a 3-4 day supply of food including meat, milk and fresh produce. He plans to be a regular visitor to our pantry and we are honored to serve him.
