### **Brief Spending Narrative\***

Please briefly explain the spending activities from **September 27 to October 3, 2020**. If you have not expended any funds, please explain why.

**Example:** ABC Charity has only expended \$1,000 this week on program personnel while our food pantry was open. ABC Charity buys its food in bulk on the 15th of every month, and therefore there will be an uptick in expenditure that week.

The FEAST Food Pantry spent \$1452.00 from September 27th to 30th to purchase food items for our clients. We did not have any expenditures from October 1-3 as we waited until the following week to place an order for additional food.

### Client Story\*

Please give the true story of a client served this month by your programming. You may change identifying details. This allows us to connect to your programming on an emotional level.

One of our clients, Maria, is taking care of her grandsons and does not make much money at her job. She came to us last month for assistance and has been struggling to feed her family. She has been having an especially difficult time during the pandemic with a reduction in her work hours. She recently sent us a thank you card in which she wrote "I just wanted to say thank you for the generosity and kindness. Your service is so greatly appreciated. I wanted to thank you from the bottom of my heart." She plans to continue to visit us to help support her family.

### Monthly Reimbursement Request\*

Please complete the Pinellas CARES Reimbursement Request worksheet, attach appropriate backup documentation and upload as a PDF here.

If you have a regular reporting/invoicing process, you may use your own similar worksheet, however, for your convenience, we have provided a template you can **DOWNLOAD HERE**.

If you have any notes on this document, please put them in the field below.

Pinellas-CARES-Reimbursement-Request-Form.FEAST.pdf

Our number served for September on our report is much lower than our projections due to our reporting not beginning until September 13th.

We apologize that we have a very large number of receipts to submit for reimbursement. Our retailer, Aldi, could only process our receipts a certain way which resulted in several small receipts as opposed to one large, inclusive receipt. We are working with them to try and rectify this for the future.
