Brief Spending Narrative*

Please briefly explain the spending activities from **March 1 to March 31, 2021**. If you have not expended any funds, please return to the top of this report and indicate so.

Example: ABC Charity has only expended \$1,000 this week on program personnel while our food pantry was open. ABC Charity buys its food in bulk on the 15th of every month, and therefore there will be an uptick in expenditure that week.

Feeding Tampa Bay expended \$363,534.61 from March 1, 2021 to March 31, 2021 on supplies and local travel expenses. Supplies were purchased for the Meals on the Go Program. Meals on the Go invoices were allocated using a calculation of the percentage of meals served to Pinellas County. Local travel mileage was expended for several mobile pantries, mega pantries and mobile drops.

Client Story*

Please give the true story of a client served this month by your programming. You may change identifying details. This allows us to connect to your programming on an emotional level.

Over the last year, local musician Badda Skat sought to support his community through music. When regular performance opportunities began to deplete, he decided to share his talents with a different audience, free of charge. Despite his struggles to make ends meet during this time, he showed up accompanied by his wife Desiree, and son Talon, to play music for thousands of individuals visiting the Mega Pantry distribution at Tropicana field. Thanks to the support of partners like Pinellas Cares, Feeding Tampa Bay, was able to provide Badda and his family with a box of produce, meat, bread, and dairy items as a gesture of gratitude for lifting the spirits of so many waiting in line to receive food.
