The Gathering of Women expended \$1266.27 on food cost , \$ 787.50 on personnel, 470.70 on mileage and transportation during the December 27-30 time frame

Client Story*

Please give the true story of a client served this month by your programming. You may change identifying details. This allows us to connect to your programming on an emotional level.

A male senior (Mr. James)was referred to us , he has diabetes and has been confined to a wheel chair(he's also on dialysis) . he recently went into the hospital for surgery . While staying in the hospital for a long length of time he lost his food benefits so he had to rely on others .On a regular basis he has struggled to get an adequate amount of food and always felt like he was starving .. After being released from the hospital his son has tried to supplement food to him but trying to take care of his own family it was quite difficult . We stepped in to assist Mr. James and since receiving food from the Gathering of Women's food pantry Mr. James says, he doesn't feel like he is starving and has adequate food to last him until the next week.
