Example: ABC Charity has only expended \$1,000 this week on program personnel while our food pantry was open.

ABC Charity buys its food in bulk on the 15th of every month, and therefore there will be an uptick in expenditure that week.

Personnel salaries: 20 hours-coordinator; outreach employee 45.25 hours; therapy hours 35; art teacher 6 and 0 for administration. Hours were conducted in accordance with CARES Act job descriptions and specifications.

Client Story*

Please give the true story of a client served this month by your programming. You may change identifying details. This allows us to connect to your programming on an emotional level.

"A seven-year-old child stepped into HOME with her mom, brimming with curiosity and nervousness in the new setting. The COVID-19 pandemic had exacerbated her anxiety and anger that was already affecting her due to her parents' recent divorce. Due to limited finances, she had not been able to see a counselor yet. Under the CARES Act, she was able to work through her presenting issues with a therapist at HOME. Through bibliotherapy, expressive arts, directive and non-directive play therapy, and cognitive behavioral therapy, she learned and implemented emotional regulation strategies for her anxiety and anger, practiced positive self-talk to increase her self-esteem, and explored her role in her new family dynamics. Both parents have helped her apply these new strategies into her daily life and have seen improvement in both her self-talk and her behavior."
