### Brief Spending Narrative\*

Please briefly explain the spending activities from October 18 to 24, 2020. If you have not expended any funds, please explain why.

**Example:** ABC Charity has only expended \$1,000 this week on program personnel while our food pantry was open. ABC Charity buys its food in bulk on the 15th of every month, and therefore there will be an uptick in expenditure that week.

The Harbor Dish spent \$6,688.35 this week. This included \$1,004 for locking storage cabinets to put into the commercial kitchen we are using, and \$5,135.73 for payroll. We also purchased a hand truck (\$201.30), two banners (\$291.98) and gas (\$54.50). We continued the food distributions and cooking projects of last week. Our Wednesday cooking program is serving CASA's domestic violence shelter, and we have been researching an appropriate recipient so we can expand our Monday cooking. We continue to use weekly donations along with frozen food and pantry items and have only had to buy minimal amounts of, for instance, garlic. We cooked additional meals for the Florida Sheriffs Youth Ranch and Bayside parishioners in need this week.
