Brief Spending Narrative*

Please briefly explain the spending activities from December 6 to 12, 2020. If you have not expended any funds, please explain why.

Example: ABC Charity has only expended \$1,000 this week on program personnel while our food pantry was open. ABC Charity buys its food in bulk on the 15th of every month, and therefore there will be an uptick in expenditure that week.

The Harbor Dish spent \$3700 this week. We paid our accountant for help with our payroll and bought supplies and equipment for our pantry and cooking program, which has expanded to four days a week. We also had to put gas in two vehicles. We are now able to package some of the meals we cook for families in need throughout the week and for our delivery program to homebound seniors on Sundays. This is a great complement to the food we receive from Whole Foods and other donors. One of our volunteers has begun delivering meals to the homes of two foster families in St. Petersburg.
