The evaluation rubric that will be used to score your request is now available here: [Download Rubric](#)

Please pay attention to character limits while working on your draft. These limits include spaces.

Organization Name*

Homeless Empowerment Program (HEP)

Proposal Name*

Please choose a short name to identify this project within the grant portal:

HEP Maintenance Vehicle Fleet Replacement

EIN*

592729694

Incorporation Year*

What year did your organization incorporate? This will be the year listed on your determination letter from the Internal Revenue Service.

1986

Organizational Mission Statement*

What is your organization's mission statement? This should be no longer than one or two sentences.

To provide homeless and very low-income individuals and families, including Veterans, with housing, food, clothing and support services necessary to obtain self-sufficiency and improved quality of life.

Unique Entity ID (SAM)

Please provide your organization's Unique Entity ID number. This is a specific number used by the federal government to identify your organization. **This is different from a DUNS number, which the federal government no longer uses.**

If you do not have a Unique Entity ID number, you can create an account on SAM.gov and apply for one here (it is

free and may take 3-4 days for approval): <https://sam.gov/content/home>

This field is optional as to not stop a qualifying organization from applying. **However**, a Unique Entity ID number will be required if your organization is approved for a grant. Your organization should apply for a number now if it does not yet have one.

Character Limit: 12

TLYNLJB4L7J3

Annual Operating Budget Size*

Please provide the amount of your annual operating budget, (expenditures only) for your entire organization.

\$5,954,104.00

Amount Requested*

The maximum grant amount is \$199,999.

\$151,820.00

Parent Non-Profit/Subsidiaries*

If your organization has a parent non-profit that has multiple subsidiaries, will multiple subsidiaries be applying in this process?

Example

Better Tomorrow is the parent non-profit of three organizations. Two of those organizations want to apply in this process. Both would select "Yes" on this question.

No

Request Specifics

Organization Programmatic Background*

Please describe the programming your organization offers to the community and the length of time it has been doing so. What does your organization **do** and **how long** has it been doing it?

Incorporated in 1986 and located in the City of Clearwater, Homeless Emergency Project, Inc. d/b/a Homeless Empowerment Program (HEP) is North Pinellas County's foremost provider of emergency shelter and supportive housing for homeless individuals and families and is the only organization of its kind in the city of Clearwater addressing the needs of the entire homeless population. HEP has been providing emergency shelter and supportive housing and case management services for individuals and families with minor children since its inception, and those exiting HEP demonstrate a 98% success rate for obtaining and sustaining affordable housing in the community for a period of one year or longer. Supportive services

include daily meals and basic needs, medical, dental, mental health, substance abuse, wellness, workforce development, and transportation.

As a recipient of the Charity Navigator 4-Star Rating for nine consecutive years, an honor that less than 3% of all charities can claim, HEP provides complete transparency of our financial data. In order to obtain a 4-star rating, HEP must also display strong financial health and accountability. Achieving this honor takes complete employee participation. We have taken a proactive approach in ensuring HEP receives this honor by including 4-Star Charity Navigation requirements into our standard operating practices. HEP is accredited by CARF for service coordination through 2025. This achievement indicates HEP's dedication and commitment to improving the quality of the lives of the persons served. Services, personnel, and documentation clearly indicate an established pattern of conformance to standards.

Community Need*

Please describe the community need that exists for your programming. If you are able to cite quantitative, local data, that will strengthen your proposal.

The 2022 Pinellas County Point-In-Time Survey, a count of sheltered and unsheltered people experiencing homelessness on a single night in January, identified 1,985 people comprising 1,658 households as literally homeless. Of the 1,985 total people counted, 52% (1,034) were in Emergency Shelters, 32% (644) were Unsheltered, 13% (258) were in Transitional Housing, and 2% (49) were in Safe Havens. Overall homelessness decreased slightly from 2020, when 2,226 people comprising 1,979 households were identified. Unsheltered homelessness also decreased from 36% (808) in 2020, 34% (834) in 2019, and 36% (956) in 2018. Reliable data is unavailable for 2021 as the unsheltered Point-In-Time count was cancelled due to the COVID-19 pandemic.

Negative Economic Impact on Organization*

The following question is the keystone of a strong application in this process. If your organization cannot demonstrate a negative economic impact from the pandemic, your application will not qualify for committee review. If you are uncertain about what constitutes negative economic impact or how to demonstrate it, please contact PCF staff for technical assistance.

Describe your organization's negative economic impact arising from the COVID-19 pandemic. Examples could include:

- A reduction in revenue from 2019 to 2020
- Inflationary pressures
- Increases in demand for services that have not been compensated for through new revenue
- The use of reserves for unbudgeted expenses since the onset of the pandemic, and such use of reserves has prevented the purchase of capital assets
- A need for capital assets to offset community need for which your organization does not have the resources to purchase due to the negative economic harm from the pandemic
- A need for additional capital assets to adapt operations to accommodate health and safety guidelines by the CDC
- Growth in restricted pandemic-related revenue that does not permit capital asset acquisition

You have the option to upload supporting documentation regarding negative economic impact. However, please limit your upload to no more than five pages.

Note: If you are applying for both a Small Purchase and Large Project, you may reuse the answer for this question PROVIDED THAT the negative economic impact is relevant to both requests. The Large Project Letter of Intent does not permit uploads to support the answer to this question.

Contributions decreased significantly in 2020 compared with 2019 – down \$4,032,030.

Program Service revenue decreased in 2020 compared with 2019 due to no new intakes in SATP, SCMI, Per Dem, CHAP, and dental. Federal grants down \$316,926, state grants down \$12,707, local grants down \$84,209, client rent down \$3,617 and dental income down \$7,546 in 2020 compared to 2019.

Special events had to be cancelled during the pandemic. Net revenue for events were down \$34,462 in 2020 compared to 2019.

At the beginning of the pandemic, we had limited intakes which greatly reduced our daily census and ability to bill for bed night stays, reducing our program revenue.

We had to close our thrift store for almost three months, and then re-opened with limited hours. Revenue down \$34,462 in 2020 compared to 2019

We had to close our Dental Clinic for months.

Added onsite security since there was limited staff on site.

We closed our daycare, utilizing community services to replace it.

We reorganized the Meal Service into a takeout only service, incurring additional expenses for packaging and purchasing food more appropriate for takeout. Food donations also dropped off at the start of the pandemic. Implemented PPE, disinfectants, and a fogging service, additional costs not previously incurred. New cost of \$68,130

We turned an 8 apartment building into a quarantine building to accommodate new intakes and keep existing clients safe. We relocated the families from those apartments into other apartments on campus.

Secured PPP funds allowing HEP to continue paying staff salaries including those out on FFMLA and staff out sick with COVID. Staff worked limited hours but were paid full salaries.

Received an increase Oct 2020 in the GPD and SCMI rates to offset additional costs.

Received donations specific to pandemic issues such as food, cleaning, and housing.

Applied for Employee Retention Tax Credit.

Due to limited EH intakes from the pandemic, this affected our EH bed night stays which created a situation where we were not able to expend all EFSP dollars.

Due to the pandemic and government COVID relief, potential employees for vacated positions were unable to be full filled; this in turn made difficult to spend down grant funding towards staff salaries/fringe.

Pandemic also affected ridership to the VA; this in turn translated to driver layoffs (this then affects FDOT expenditures).

Pandemic affected supply chains for the Dorm Rehab project which in turn caused HEP not to be able to expend funds in a timely manner (contract amendment extensions).

Proposal Description*

The American Rescue Plan Act requires a request that is reasonable and proportional to the level of economic impact your organization experienced. This means the request you describe below should not be greater than the economic harm your organization has suffered.

Please describe your purchase proposal and address the following:

- What will you be purchasing with these funds?
- What is the estimated lifespan of the purchase/improvement?
- How does it address the negative economic harm you described in the previous question?

We will use these funds to purchase four (4) new vans for our maintenance department as part of our vehicle replacement strategy. The lifespan of each new vehicle is eight (8) years or 150,000 miles.

We are currently utilizing four (4) older high-mileage vehicles, all of which are past their optimal term, which ultimately results in higher repair/maintenance costs, downtime, and fuel costs. Our maintenance department fleet currently includes a 1999 Ford F-150 Truck, a 1994 Ford Econoline Van, a 1999 B-1500 Dodge Ram Van, and a 2000 Chevy Express 1500 Van. With this fleet, we are experiencing more than one breakdown per year per truck/van. Two of the vehicles lack air conditioning or heat, all vehicles have leaks, torn seats, cracked dashboards, rotting floorboards, missing and torn window gaskets, dents, rust, peeling paint, and missing door handles.

Located in the North Greenwood Neighborhood, HEP's well-groomed eight-acre campus provides the platform for us to not only house those in need in a safe and welcome community setting, but also to give them the wellness and workforce development tools they need to empower them to end their struggle with homelessness for good. Our maintenance department is comprised of one (1) full time Facilities Manager, one (1) full time Project Specialist, four (4) full time Maintenance Technicians, and one (1) full time Vehicle Maintenance Coordinator. This team is responsible for the care and upkeep of all of HEP's residential and supportive service buildings and fleet vehicles. This includes our Adult Dormitory (17 units plus laundry), Family Shelter (8 units), Fairburn Veteran Apartments (2 buildings/4 units), HEP West Veterans Apartments (2 buildings/32 apartments), Baty Villas PSH Family Apartments (16 units), Carlton Group PSH Home, Independence Sq. North & South PSH Adult Apartments (2 buildings 16 units), Park Street Apartments (2 buildings/8 units), and 16 scattered site homes. The team is also responsible for care and upkeep of HEP's kitchen and dining hall, workforce development center, thrift store, Veterans clubhouse, learning center, laundry facilities, and service center. There are fifteen (15) vehicles in HEP's fleet. The annual budget for the maintenance department is \$403,096. Vehicle repair costs are approximately \$5,000.

Guiding Principles - Client Impact*

The American Rescue Plan Act, which provides the funding for this grant program, aims to ensure an equitable recovery from the COVID-19 pandemic. The term "equity" is defined as:

The consistent and systematic fair, just, and impartial treatment of all individuals, including individuals who belong to underserved communities that have been denied such treatment, such as Black, Latino, and Indigenous and Native American persons, Asian Americans and Pacific Islanders and other persons of color;

members of religious minorities; lesbian, gay, bisexual, transgender, and queer (LGBTQ+) persons; persons with disabilities; persons who live in rural areas; and persons otherwise adversely affected by persistent poverty or inequality.

One of the guiding principles of this fund is that it will apply a lens of equity to ensure the needs of specified priority populations are met.

Will this purchase benefit the community members defined above that have experienced disproportionate negative impacts from the COVID-19 pandemic? If so, how?

This purchase will benefit community members adversely affected by poverty and homelessness. This includes families with minor children, elderly and disabled and Veterans. Many of the persons served are experiencing homelessness due to the negative impacts from the COVID-19 pandemic due to loss of income, poor health and rising housing costs.

Number Served*

How many people will directly benefit from this capital purchase annually?

1000

Unduplicated vs. Duplicated*

Is the number indicated above duplicated or unduplicated?

Duplicated: A client is counted each time they access services

Unduplicated: A client is counted once, regardless of the number of times they access services

Example: ABC Food Bank operates two mobile food pantries, one in Clearwater and one in St. Petersburg. Taylor, a Pinellas County resident, goes to both food pantries. If ABC Food Bank counts Taylor's visit TWICE, it is **duplicated**. If ABC Food Bank counts Taylor's visit ONCE, it is **unduplicated**.

Unduplicated

Other (Explanation Required)

If you selected "Other" in the previous question, please explain how your organization determined the number of clients that will benefit from the proposed capital purchase.

Not Applicable

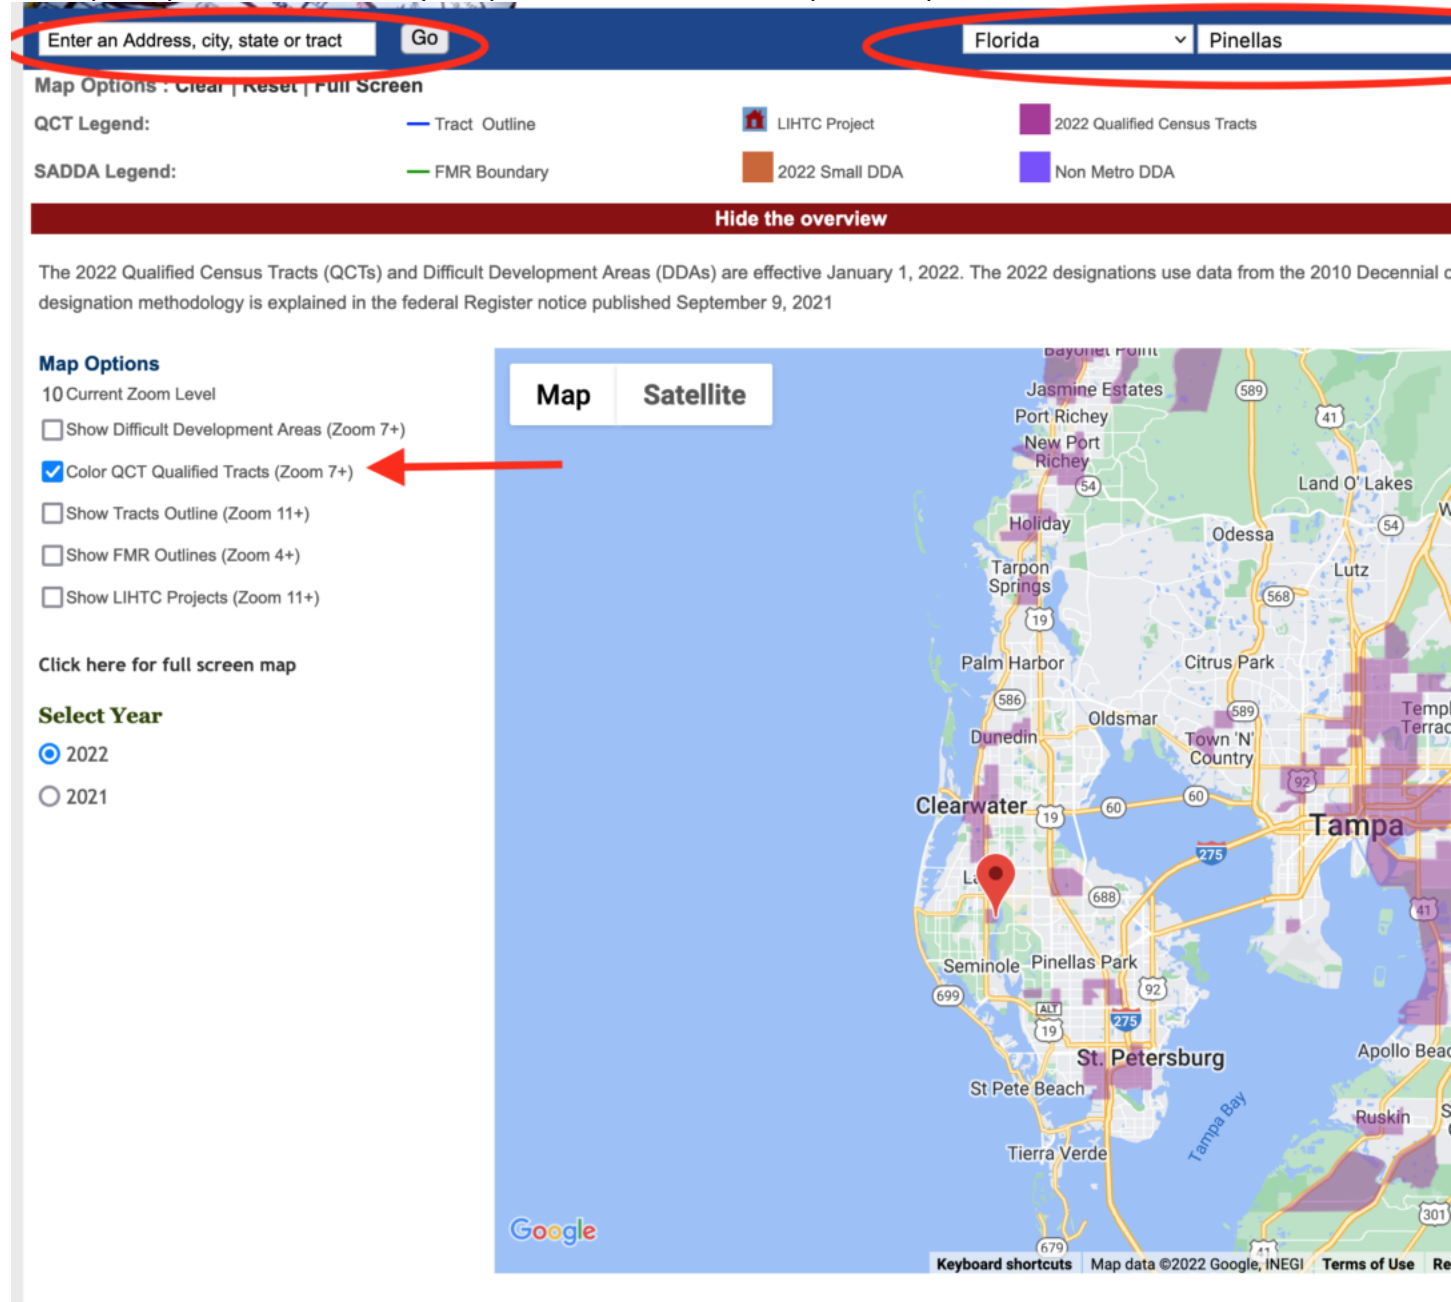

The American Rescue Plan Act (ARPA) prioritizes organizations that either have headquarters or carry out the majority of their operations inside Qualified Census Tracts (QCTs). QCTs are a standard method of identifying communities with a large proportion of low-income residents. The U.S. Department of Housing and Urban Development determines what areas qualify as QCT.

To assess if your organization serves or is headquartered in a QCT, use the following link:

https://www.huduser.gov/portal/sadda/sadda_qct.html

In the top right-hand corner, choose the state of Florida and Pinellas County. Then on the left-hand side of the screen, click the box next to “Color QCT Qualified Tracts.” The QCT zones are denoted in purple. You can also map your address by adding it into the address box at the top to see if your location is inside the zones.

Below, please provide the location of your operations and the location of your headquarters, if different.

Headquarters Location*

Please provide your organization's headquarters address as it appears on your Sunbiz account. To check your Sunbiz registration, you may search here: <https://dos.myflorida.com/sunbiz/search/>

1120 North Betty Lane, Clearwater Florida 33755

QCT Determination - Headquarters*

Is this organization headquartered in a QCT?

Yes

Purchase Location*

Where will the majority of the activities related to the purchase(s) take place?

Examples

- If you are proposing the purchase of a van that will deliver to multiple areas within Pinellas County, specifically mention what areas those are.
- If your purchase enables remote access to your services, such as telehealth, provide geographical data around where the majority of your clients reside (presuming they will access your services from their residence).

The vehicles will be purchased and utilized in the city of Clearwater in Pinellas County, primarily in the North Greenwood area, which is a QCT.

QCT Determination - Purchase*

Does this organization's proposed purchase benefit residents of QCTs?

Yes

Community Connection

This section aims to capture general demographic data about your organization and to see how you engage with and represent the community you serve. PCF has generalized the demographic data questions more than it has in other processes because of the public nature of this process. PCF understands that identity disclosure can be a sensitive matter, and wants to respect your organization's board and staff. If your organization feels comfortable sharing more detailed demographic information, it may do so in the "Community Representation and Connection" section.

Community Representation and Connection*

Describe how your organization is representative of, or has authentic connections to, the community your proposal seeks to serve. You can list other community-based organizations that work on programming with you and/or list examples of your work within this community.

The race/ethnic composition of clients served is 60% Caucasian, 30% African American, 9% multi-racial and 1% Hispanic/Latino. The gender breakdown is 32% female and 68% male.

Currently, the racial/ethnic composition of our staff is as follows: 50% Caucasian, 25% African American, 5% Hispanic, and 3% Asian. The gender breakdown is 60% female and 40% male.

According to our 2022 Board of Directors composition report, 17% identified as a racial or ethnic minority (African American, Asian, Hispanic, American Indian, Hawaiian or Pacific Islander) and 83% identified as Caucasian. The gender breakdown is 37% female and 63% male.

We partner with many organizations located in the community including but not limited to the following: Pinellas County School Board, Baycare Health System, St. Petersburg College, Bay Pines VA Hospital, Clearwater Free Clinic, Safe Harbor, Pinellas Hope, and Advantage Mental Health Center.

Leadership Demographics - Board Membership*

Do your board members consider themselves a member of one or more of the following populations? Check all that apply.

- BIPOC defined as Black, Latino, and Indigenous and Native American persons, Asian Americans and Pacific Islanders and other persons of color
- LGBTQ+ (Lesbian, Gay, Bisexual, Transgender, Queer+)
- Neurodiverse/physically disabled

Purchase Estimates/Bids*

You must combine all bids/estimates into one file.

Attach current verifiable bids, estimates, or price lists [from your potential vendor(s)]. Please ensure there is a date listed or when you obtained these estimates/bids, as they must be from within the past sixty (60) days.

- If your purchase is **BELOW** \$75,000, you must upload **TWO** verifiable bids or estimates for the proposed purchases.
- If your purchase is **EQUAL TO** or **MORE THAN** \$75,000, you must upload **THREE** verifiable bids or estimates for your proposed purchases.

This can be as simple as screenshots from Amazon or Best Buy (though PCF does not endorse or recommend any specific vendor) or may be from specialized vendors that sell your proposed purchase. If you have concerns regarding bids or estimates, please reach out to PCF staff.

Vendor Quotes Combined.pdf

Sole Source*

In some cases, a proposed small purchase is only available from a single vendor, and as such, only one bid/estimate can be uploaded. If this is the case for your organization, please explain in the field below. Otherwise, write "N/A" below.

N/A

Related Parties*

Are any of the contractors/vendors that have provided bids/estimates a related party to your organization?

Examples of Related Parties

- A board member that owns the contracting company that provided a bid
- The relative of a director, officer, or executive team member owns a company that provided an estimate
- The CEO of the applying organization has a financial interest in the construction company providing a bid

If yes, identify the vendor and describe the relationship.

If no, write "No related parties below."

No

Budget Summary*

Please use **THIS TEMPLATE** to indicate costs and any cash match your organization may have for the proposed purchases. Note: this spreadsheet will automatically round numbers to make it easier to read for committee members.

Please note that indirect costs are not permitted for small purchases.

If you have additional notes to add to your budget summary, you may do so in the text box below.

Other Funding Sources*

Please describe any other funding not already mentioned that your organization has applied for or obtained for this purchase.

This includes but is not limited to Community Block Development Grants (CBDG), local government grants (including Tourist Development Council funding), foundation grants, and private donors (you do not need to disclose donor identities but simply indicate the amount raised for this purchase). This includes any matching grants or in-kind contributions you may have obtained.

Please be sure these other funding sources are represented in the "Applicant Match" column in the budget summary uploaded above.

Not Applicable

Changes in Operating Costs*

Please answer this question based on the descriptions below:

- If this project **increases** ongoing operational costs (programmatic, operating maintenance or other costs), how will you compensate for the difference?
- If this purchase **decreases** ongoing operating costs, how will it do so?
- If this purchase **does not affect** operating costs, please note so below.

This project decreases ongoing operating costs by lowering repair costs, downtime and fuel costs. The estimated cost savings is \$ZZZZZ

Insurance Requirement*

If you are awarded a contract from the ARPA Nonprofit Capital Project Fund, you will be required to list Pinellas Community Foundation as an additional insured through your general liability insurance or other appropriate coverages for the duration of the contract. If you would like to check with your insurance carrier on how to do this, here is the information about PCF you will need:

Pinellas Community Foundation
17755 US Highway 19 N
Suite 150
Clearwater, FL 33764
727-531-0058

Please check the box below to indicate that you understand and will be able to comply with this requirement if you are awarded a contract.

PCF will not ask for a certificate naming us as additional insured until the contracting stage.

Yes, I understand and will comply with this requirement if awarded a contract.

Post-Grant Requirements

Reporting Requirements Acknowledgment*

Grantees will be required to submit a pre-award agreement within two weeks of receiving an award notice. In addition, grantees will be required to submit a report within 30 days after the purchase is completed.

Financial information justifying all expenditures will also need to be provided. This includes but is not limited to:

- Invoices
- Canceled checks
- Credit card statements, along with a record of paying the credit card.

If you have any questions, please contact Rose Cervantes, ARPA Program Officer at rcervantes@pinellascf.org.

Yes, I agree to submit this grant agreement and impact report within the specified timeframes.

Section A. All Supporting Organizations

	Yes	No
1 Are all of the organization's supported organizations listed by name in the organization's governing documents? <i>If "No," describe in Part VI how the supported organizations are designated. If designated by class or purpose, describe the designation. If historic and continuing relationship, explain.</i>		
2 Did the organization have any supported organization that does not have an IRS determination of status under section 509(a)(1) or (2)? <i>If "Yes," explain in Part VI how the organization determined that the supported organization was described in section 509(a)(1) or (2).</i>		
3a Did the organization have a supported organization described in section 501(c)(4), (5), or (6)? <i>If "Yes," answer lines 3b and 3c below.</i>		
b Did the organization confirm that each supported organization qualified under section 501(c)(4), (5), or (6) and satisfied the public support tests under section 509(a)(2)? <i>If "Yes," describe in Part VI when and how the organization made the determination.</i>		
c Did the organization ensure that all support to such organizations was used exclusively for section 170(c)(2)(B) purposes? <i>If "Yes," explain in Part VI what controls the organization put in place to ensure such use.</i>		
4a Was any supported organization not organized in the United States ("foreign supported organization")? <i>If "Yes," and if you checked box 12a or 12b in Part I, answer lines 4b and 4c below.</i>		
b Did the organization have ultimate control and discretion in deciding whether to make grants to the foreign supported organization? <i>If "Yes," describe in Part VI how the organization had such control and discretion despite being controlled or supervised by or in connection with its supported organizations.</i>		
c Did the organization support any foreign supported organization that does not have an IRS determination under sections 501(c)(3) and 509(a)(1) or (2)? <i>If "Yes," explain in Part VI what controls the organization used to ensure that all support to the foreign supported organization was used exclusively for section 170(c)(2)(B) purposes.</i>		
5a Did the organization add, substitute, or remove any supported organizations during the tax year? <i>If "Yes," answer lines 5b and 5c below (if applicable). Also, provide detail in Part VI, including (i) the names and EIN numbers of the supported organizations added, substituted, or removed; (ii) the reasons for each such action; (iii) the authority under the organization's organizing document authorizing such action; and (iv) how the action was accomplished (such as by amendment to the organizing document).</i>		
b Type I or Type II only. Was any added or substituted supported organization part of a class already designated in the organization's organizing document?		
c Substitutions only. Was the substitution the result of an event beyond the organization's control?		
6 Did the organization provide support (whether in the form of grants or the provision of services or facilities) to anyone other than (i) its supported organizations, (ii) individuals that are part of the charitable class benefited by one or more of its supported organizations, or (iii) other supporting organizations that also support or benefit one or more of the filing organization's supported organizations? <i>If "Yes," provide detail in Part VI.</i>		
7 Did the organization provide a grant, loan, compensation, or other similar payment to a substantial contributor (as defined in section 4958(c)(3)(C)), a family member of a substantial contributor, or a 35% controlled entity with regard to a substantial contributor? <i>If "Yes," complete Part I of Schedule L (Form 990).</i>		
8 Did the organization make a loan to a disqualified person (as defined in section 4958) not described on line 7? <i>If "Yes," complete Part I of Schedule L (Form 990).</i>		
9a Was the organization controlled directly or indirectly at any time during the tax year by one or more disqualified persons, as defined in section 4946 (other than foundation managers and organizations described in section 509(a)(1) or (2))? <i>If "Yes," provide detail in Part VI.</i>		
b Did one or more disqualified persons (as defined on line 9a) hold a controlling interest in any entity in which the supporting organization had an interest? <i>If "Yes," provide detail in Part VI.</i>		
c Did a disqualified person (as defined on line 9a) have an ownership interest in, or derive any personal benefit from, assets in which the supporting organization also had an interest? <i>If "Yes," provide detail in Part VI.</i>		
10a Was the organization subject to the excess business holdings rules of section 4943 because of section 4943(f) (regarding certain Type II supporting organizations, and all Type III non-functionally integrated supporting organizations)? <i>If "Yes," answer line 10b below.</i>		
b Did the organization have any excess business holdings in the tax year? <i>(Use Schedule C, Form 4720, to determine whether the organization had excess business holdings.)</i>		

Part IV Supporting Organizations (continued)

	Yes	No
11 Has the organization accepted a gift or contribution from any of the following persons?		
a A person who directly or indirectly controls, either alone or together with persons described on lines 11b and 11c below, the governing body of a supported organization?		
b A family member of a person described on line 11a above?		
c A 35% controlled entity of a person described on line 11a or 11b above? <i>If "Yes" to line 11a, 11b, or 11c, provide detail in Part VI.</i>		
11a		
11b		
11c		

Section B. Type I Supporting Organizations

	Yes	No
1 Did the governing body, members of the governing body, officers acting in their official capacity, or membership of one or more supported organizations have the power to regularly appoint or elect at least a majority of the organization's officers, directors, or trustees at all times during the tax year? <i>If "No," describe in Part VI how the supported organization(s) effectively operated, supervised, or controlled the organization's activities. If the organization had more than one supported organization, describe how the powers to appoint and/or remove officers, directors, or trustees were allocated among the supported organizations and what conditions or restrictions, if any, applied to such powers during the tax year.</i>		
2 Did the organization operate for the benefit of any supported organization other than the supported organization(s) that operated, supervised, or controlled the supporting organization? <i>If "Yes," explain in Part VI how providing such benefit carried out the purposes of the supported organization(s) that operated, supervised, or controlled the supporting organization.</i>		
1		
2		

Section C. Type II Supporting Organizations

	Yes	No
1 Were a majority of the organization's directors or trustees during the tax year also a majority of the directors or trustees of each of the organization's supported organization(s)? <i>If "No," describe in Part VI how control or management of the supporting organization was vested in the same persons that controlled or managed the supported organization(s).</i>		
1		

Section D. All Type III Supporting Organizations

	Yes	No
1 Did the organization provide to each of its supported organizations, by the last day of the fifth month of the organization's tax year, (i) a written notice describing the type and amount of support provided during the prior tax year, (ii) a copy of the Form 990 that was most recently filed as of the date of notification, and (iii) copies of the organization's governing documents in effect on the date of notification, to the extent not previously provided?		
2 Were any of the organization's officers, directors, or trustees either (i) appointed or elected by the supported organization(s) or (ii) serving on the governing body of a supported organization? <i>If "No," explain in Part VI how the organization maintained a close and continuous working relationship with the supported organization(s).</i>		
3 By reason of the relationship described on line 2, above, did the organization's supported organizations have a significant voice in the organization's investment policies and in directing the use of the organization's income or assets at all times during the tax year? <i>If "Yes," describe in Part VI the role the organization's supported organizations played in this regard.</i>

Independent Auditor's Report

Board of Directors
Homeless Emergency Project, Inc. d/b/a Homeless Empowerment Program

Opinion

We have audited the financial statements of Homeless Emergency Project, Inc. d/b/a Homeless Empowerment Program (the Organization), which comprise the statements of financial position as of December 31, 2021 and 2020, the related statements of activities and changes in net assets, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as of December 31, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to the financial audits contained in *Government Auditing Standards* issued by the Comptroller of the United States (*Government Auditing Standards*). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the financial statements are issued (or within one year after the date that the financial statements are available to be issued when applicable).

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated May 18, 2022, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

Homeless Emergency Project, Inc. d/b/a Homeless Empowerment Program

Notes to Financial Statements

Note 1. Nature of Activities and Significant Accounting Policies

Nature of activities: Homeless Emergency Project, Inc. d/b/a Homeless Empowerment Program (the Organization or HEP) is a nonprofit organization founded in 1986 whose mission is to provide homeless and low-income individuals and families with housing, food, clothing and support services necessary to obtain self-sufficiency and improved quality of life. Funds used for operations are received from federal, state, local and private sources.

The Organization provides emergency, transitional and permanent housing for men, women, children and veterans, including those with mental illnesses. The Organization offers a full continuum of shelter care for the entire homeless population and, with its community partners, provides residents access to a wide range of support services.

Housing programs: Services provide for outreach, emergency, transitional and permanent housing needs, clothing, food, personal care, life skills, case management and transportation costs of the residents.

Support services:

Benefits coordinator: The HEP Benefits Coordinator assists residents in acquiring needed documents and services on their path to self-sufficiency (i.e., VA benefits, health care insurance, social security, etc.).

Community garden: HEP's community garden not only provides fresh, organically grown produce to help our dining hall be self-sustaining; it also provides a learning opportunity, a therapeutic outlet for residents to remain physically active and keeps them productively engaged in the community.

Community Housing Assistance Program: Program available to assist eligible applicants avoid potential homelessness by eliminating rental payments in arrears, providing one-on-one housing counseling to ensure stability of their new housing situation and by providing move-in costs in instances of homelessness.

Counseling: Services include substance abuse care and alcohol treatment, recovery services, vocational and employment training, mental health therapy (individual, group and families) and public benefits access.

Dental and Wellness Clinic: The Dental and Wellness Clinic provides free, quality and comprehensive dental and wellness services to uninsured/underinsured homeless and at-risk individuals residing at HEP and our community partners, regardless of their ability to pay. Services include a full range of dental care and chronic pain and disease self-management workshops, healthcare navigation, nutritional counseling, onsite psychiatric nurse practitioner and canine assisted therapy services provided by HEP staff and volunteer dental and healthcare professionals.

Food and nutrition: Onsite kitchen and dining hall provides three meals a day, seven days a week. A contracted licensed nutritionist provides one-on-one consultation to residents to support healthy eating habits and meal planning.

Medical care: The Morton Plant Outreach program is provided onsite through a partnership with an outreach team from Morton Plant Hospital and BayCare Health Systems. The services include medical assessments, laboratory services and treatments for nonemergency illnesses or injuries, offered by an onsite staff of licensed practical nurses, nurse practitioners and case managers.

Notes to Financial Statements

Note 1. Nature of Activities and Significant Accounting Policies (Continued)

Transportation: Services include individual transports for guests in company (Florida Department of Transportation) vehicles to and from doctors' appointments or other health related appointments, a VA shuttle to and from Bay Pines VA, and a recreational van used to transport veterans to activities in the community.

Veteran's Clubhouse: The Veteran's Clubhouse provides a place of camaraderie where vets from all generations can gather together for support. The Clubhouse also employs HEP activity coordinators who organize group outings and volunteer opportunities for our veteran population so they can once again become active participants in the community as civilians.

Workforce development: HEP's Workforce Development Program, in partnership with the Pinellas County School Board (PCSB), provides employment services addressing the issues of unemployment, underemployment and financial stability among homeless and at-risk individuals and families. HEP residents have access to all support offered in HEP's North Greenwood Adult Education and Workforce Development Center to further employment and educational opportunities free of charge.

Thrift store: Onsite store provides clients with job training, clothes and household items. All store proceeds are invested into the operations of the Organization.

A summary of the Organization's significant accounting policies follows:

Basis of presentation: A nonprofit organization is required to report information regarding its financial position and activities according to two classes of net assets: without donor restrictions and with donor restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

Net assets without donor restrictions: Contributions and other inflows of assets that are not subject to donor imposed stipulations but may be designated for specific purposes by action of the Board of Directors (Board). Net assets without donor restrictions include expendable funds available to support operations, as well as net assets invested in property and equipment.

Net assets with donor restrictions: Contributions and other inflows of assets subject to donor imposed stipulations that may or will be met by actions of the Organization or the passage of time or are permanently maintained by the Organization. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are released to net assets without donor restrictions and reported in the accompanying statements of activities and changes in net assets as net assets released from restriction.

Use of estimates: The preparation of financial statements in conformity with general accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Cash and cash equivalents: The Organization considers all highly liquid investments with maturities of three months or less to be cash and cash equivalents. For the purpose of the statements of cash flows, the Organization considers all highly liquid investments designated for long-term purposes to be investments, not cash equivalents.

Homeless Emergency Project, Inc. d/b/a Homeless Empowerment Program

Notes to Financial Statements

Note 1. Nature of Activities and Significant Accounting Policies (Continued)

Concentration of credit risk: The Organization maintains its cash in demand deposit accounts at several financial institutions which, at times, may exceed federally insured limits. The Organization has not experienced any losses in such accounts. The Organization believes it is not exposed to any significant credit risk in regards to cash and cash equivalents.

Grants receivable: The Organization records a receivable and grant income at the time grant funds are due from the grantor. Management estimates the allowance for uncollectible grants based on a review of the individual grant receivables outstanding as of the end of the year. As of December 31, 2021 and 2020, the Organization considers all grants receivable to be fully collectible.

Investments and endowment: Investments are carried at fair value. The fair value of publicly traded securities is based on quoted market prices established by the major security markets. Investment securities in general are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in values of investment securities will occur in the near-term, and that such changes could materially affect the amounts reported in the statements of financial position and activities and changes in net assets.

Purchases and sales of securities are recorded on trade dates. Investment income and realized and unrealized gains or losses are reflected in the statements of activities and changes in net assets within investment return, net. Donated investments are recorded at fair value at the time of receipt.

Net investment return from investments without donor restrictions are reported as revenue without donor restrictions. Net investment return for investments of net assets held in perpetuity are reported as increases in net assets with donor restrictions.

Effective July 1, 2012, the state of Florida adopted the Uniform Prudent Management of Institutional Funds Act (FUPMIFA). Absent explicit donor stipulations to the contrary, the Board has interpreted FUPMIFA as requiring the preservation of the fair value of the original gifts as of the gift date of the donor-restricted endowment funds. As a result of this interpretation, the Organization classifies as net assets with donor restrictions (a) the original value of the gifts donated to the endowment to be held in perpetuity, (b) the original value of subsequent gifts to the endowment to be held in perpetuity and (c) accumulations to the endowment to be held in perpetuity made in accordance with the direction of the applicable donor gift instrument at the time that accumulation is added to the fund.

The Organization considers the following factors in making a determination to appropriate or accumulate endowment funds:

- Donor desire and restrictions
- General economic conditions
- Possible effect of inflation and deflation
- Historical and expected total return from income and appreciation on investments
- Other resources of the Organization
- The investment policy of the Organization
- The preservation and protection of assets

Notes to Financial Statements

Note 1. Nature of Activities and Significant Accounting Policies (Continued)

Spending policy: Endowments are established to preserve principal and generate an income stream to support the purpose of the funds held. A spending policy establishes a reasonable, sustainable, consistent and predictable expenditure level, which enables the Organization to use the endowment earnings to support its operation to the fullest extent possible while ensuring the principal value of the endowment is maintained and protected from the effects of inflation. The Organization's policy does not prohibit spending from underwater endowment funds if it is necessary although it has been management's practice not to do so.

The Organization has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowments while seeking to maintain the purchasing power of the endowment assets. Under these policies, as approved by the Board, endowment assets are invested in a manner that is intended to protect against loss associated with a single security, industry, issuer or event.

The Organization has an overall goal in the strategic plan to increase the endowments while maintaining the funding of programs at their current level. The Organization allows for a maximum annual appropriation of 4% of the past three-year rolling average of the net asset valuation of the endowment. During the years ended December 31, 2021 and 2020, the Organization did not appropriate any earnings from endowment funds to current year operations.

Investment policy: The Organization's objective, with regards to investment performance, is structured for capital appreciation with a potential for current income through a higher allocation of equities than fixed income and, where appropriate, other asset classes. Asset allocations include varying percentages of cash, equity, fixed income and commodity classes. Investment performance of the portfolio is monitored by comparison to a broad-based securities market index or other appropriate benchmark, including the S&P 500, Russell 1000, MSIC and Bloomberg Barclays U.S. Aggregated Bond Index, among others.

Fair value measurements: The Organization defines fair value in accordance with U.S. GAAP, which specifies a hierarchy of valuation techniques. The disclosure of fair value estimates is based on whether the significant inputs into the valuation are observable. In determining the level of hierarchy in which the estimate is disclosed, the highest priority is given to unadjusted quoted prices in active markets and the lowest priority to unobservable inputs. The Organization measures investments at fair value on a recurring basis.

The following is a brief description of the type of valuation information (inputs) that qualifies a financial asset or liability for each level:

- Level 1:** Unadjusted quoted market prices for identical assets or liabilities in active markets that are accessible by the Organization.
- Level 2:** Observable prices in active markets for similar assets or liabilities. Prices for identical or similar assets or liabilities in markets that are not active. Market inputs that are not directly observable but are derived from or corroborated by observable market data.
- Level 3:** Unobservable inputs based on the Organization's own judgment as to assumptions a market participant would use, including inputs derived from extrapolation and interpolation that are not corroborated by observable market data.

Homeless Emergency Project, Inc. d/b/a Homeless Empowerment Program

Notes to Financial Statements

Note 1. Nature of Activities and Significant Accounting Policies (Continued)

The Organization evaluates the various types of financial assets and liabilities to determine the appropriate fair value hierarchy based upon trading activity and the observability of market inputs. The Organization employs control processes to validate the reasonableness of the fair value estimates of its assets and liabilities, including those estimates based on prices and quotes obtained from independent third-party sources.

While the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies and assumptions to determine the fair value of certain financial instruments could result in a different estimate of fair value at the report date.

During the years ended December 31, 2021 and 2020, there were no changes to the Organization's valuation techniques that had, or are expected to have, a material impact on its statements of financial position or activities and change in net assets.

Unconditional promises to give: Unconditional promises to give are recorded in the year the promise is made. Conditional promises to give, that is those with both a measurable performance or other barrier and a right of return or release, are not recognized until they become unconditional, that is, at the time when the conditions on which they depend on are substantially met. Unconditional promises to give that are expected to be collected within one year are recorded at their net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of estimated future cash flows.

The carrying amount of unconditional promises to give is reduced by a valuation allowance that reflects management's best estimate of the amount that will not be collected based on historical experience and an assessment of individual balances. Certain accounts are written off under the direct write-off method; other accounts are part of the reserve for doubtful accounts established based on management's review of individual donors. As of December 31, 2021 and 2020, the Organization considers all unconditional promises to give to be fully collectible.

Estate receivables: The Organization has been named as a beneficiary of future distributions from various estates. These estates are recorded at fair value upon the Organization's interest becoming irrevocable and measurable.

Property and equipment: Property and equipment are carried at amortized cost. Donated property and equipment are recorded at fair value at the date of receipt. Assets with costs greater than \$5,000 and estimated useful lives greater than one year are capitalized. Depreciation is computed using the straight-line method over the estimated useful lives of the asset, which can range as follows:

	<u>Years</u>
Buildings	20-30
Improvements	10-30
Furniture, fixtures and equipment	3-10

Expenditure for renewals and improvements that significantly add to the productive capacity or extend the useful lives of property and equipment are capitalized. Expenditures for normal repairs and maintenance are expensed as incurred. Upon retirement, sale or other disposition of property and equipment, the costs and accumulated depreciation are eliminated from the accounts, and any resulting gain or loss is included within the statements of activities and changes in net assets.

Homeless Emergency Project, Inc. d/b/a Homeless Empowerment Program

Notes to Financial Statements

Note 1. Nature of Activities and Significant Accounting Policies (Continued)

Property acquired with governmental funds is considered to be owned by the Organization while used in the program for which it was purchased or in other future authorized programs; however, its disposition and ownership of any proceeds are subject to applicable regulations.

Construction in progress is stated at cost, which includes the cost of construction and other direct costs attributable to the construction. Construction in progress is not depreciated until put into service.

The Organization evaluates the various types of financial assets and liabilities to determine the expenditures for renewals and improvements that significantly add to the productive capacity or extend the useful life of the asset are capitalized. Expenditures for normal repairs and maintenance are expensed as incurred. Upon retirement, sale or other disposition of property and equipment, costs and accumulated depreciation are eliminated from the accounts, and any resulting gain or loss is included within the statements of activities and change in net assets.

Impairment of long-lived assets: The Organization evaluates the recoverability of its buildings, improvements and furniture, fixtures and equipment whenever adverse events or changes in the business climate indicate that the expected undiscounted future cash flows from the related asset may be less than previously anticipated. If the net book value of the related asset exceeds the undiscounted future cash flows of the asset, the carrying amount would be reduced to the present value of its expected future cash flows and an impairment loss would be recognized. Management believes no indication of impairment existed at December 31, 2021 and 2020.

Beneficial interest in trusts: The Organization has been named as an irrevocable beneficiary of a perpetual trust and charitable remainder unitrust held and administered by independent trustees. A perpetual trust provides for the distribution of the net income of the trusts to the Organization; however, the Organization will never receive the assets of the trust. A charitable remainder unitrust provides for specified distributions of trust assets, including net income, over the trust term. At the date the Organization received notice of a beneficial interest, a contribution with donor restrictions was recorded in the statements of activities and changes in net assets, and a beneficial interest was recorded in the statements of financial position at the fair value of the underlying trust assets. Changes in the fair value of the trust assets are recorded as an increase or decrease in net assets with donor restrictions on the statements of activities and changes in net assets.

Mortgage costs: Mortgage costs represent costs incurred to obtain financing are presented as a reduction of mortgages payable on the accompanying statements of financial position. These costs are being amortized over a straight-line basis, which approximates the effective interest method over the life of the related loan, and are recorded within interest expense in the statements of functional expenses.

Advertising expense: The Organization expenses advertising costs as incurred.

Revenue recognition: The Organization recognizes revenue from contracts with customers utilizing a five-step model as follows:

- Identify the contract with a customer
- Identify the performance obligations in the contract
- Determine the transaction price
- Allocate the transaction price to the performance obligations in the contract
- Recognize revenue when or as performance obligations are satisfied

Homeless Emergency Project, Inc. d/b/a Homeless Empowerment Program

Notes to Financial Statements

Note 1. Nature of Activities and Significant Accounting Policies (Continued)

The Organization's revenue from contracts with customers consists of thrift store sales. The Organization's contracts have a single performance obligation. The transaction price is the amount of consideration to which the Organization expects to be entitled in exchange for transferring goods to the customer. Revenue is recorded based on transaction price, which is a fixed consideration. The Organization does offer some discounts, which would be variable consideration, but these discounts are insignificant.

The Organization recognizes revenue at a point in time when control of the Organization's goods is passed to the customer, which typically occurs at point of sale, and is when customer payment is collected.

Client fees: Client fees is made up of rental income as earned, based on agreed rates for services provided.

Contributions: Unconditional contributions are initially recognized at fair value in the period the promises are received. Conditional contributions, that is, those with both a measurable performance or other barrier and a right of return or releases, or intentions to give, are not recognized until they become unconditional, that is, at the time when the conditions on which they depend on are substantially met. In the absence of donor stipulations, unconditional contributions are reported as revenue without donor restrictions. Amounts received that are restricted by the donor for specific purposes are reported as revenue with donor restrictions. The Organization has adopted the accounting policy of not implying a time restriction on long-lived asset donations when the donor does not stipulate how long the asset must be used. The Organization reports contributions restricted by donors as increases in net assets without donor restrictions if the restrictions expire, that is, when a stipulated time restriction ends or purpose restriction is accomplished, in the reporting period in which the revenue is recognized.

In-kind contributions: Contributed use of facilities is recorded as support at its estimated fair rental value during the period of use. Other tangible donations are recorded as support at their estimated fair value during the period of use. Contributed services that require specialized skills (attorneys, doctors, etc.) are recorded in the statements of activities and changes in net assets as support without donor restriction at their estimated fair value. A number of unpaid volunteers, including Board members, have made significant contributions of their time to develop the Organization's programs and special events. However, the value of this contributed time is not reflected in the statements of activities and changes in net assets in accordance with U.S. GAAP. Total volunteer hours contributed were approximately 11,612 and 8,400 for the years ended December 31, 2021 and 2020, respectively.

The Organization receives contributions of goods and materials (inventory) and processes these contributions as merchandise available for sale in its retail thrift store. Management of the Organization believes that the inventory of contributed goods and materials does not possess an attribute that is easily measurable or verifiable with sufficient reliability to determine inventory value at the time of donation. It is only through the value-added processes that prepare the donated inventory for sale that donated inventory has value. Accordingly, contributed goods and materials are not valued prior to being offered for sale, and no revenue is recognized until the date of sale. There is no contribution revenue recorded in the accompanying financial statements for the years ending December 31, 2021 or 2020, associated with this inventory.

Note 1. Nature of Activities and Significant Accounting Policies (Continued)

Grant revenue: Support and revenue related to government and other private grants is recognized when funds are utilized by the Organization to carry out the activity stipulated by the grant or contract since such contracts can be terminated by the grantor, or refunding can be required under certain circumstances coupled with other performance and/or control barriers. For this reason, the Organization's agreements are considered conditional and so referred to as "conditional grants."

Recently issued accounting pronouncements: In September 2020, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2020-07, *Not-for-Profit Entities (Topic 958): Presentation and Disclosure by Not-for-Profit Entities for Contributed Nonfinancial Assets*. This ASU is intended to improve transparency in the reporting of contributed nonfinancial assets, also known as gifts-in-kind, for not-for-profit entities. The ASU will require a not-for-profit organization to present contributed nonfinancial assets as a separate line item in the statements of activities apart from contributions of cash or other financial assets. The ASU will also require enhanced disclosure, including disaggregation of nonfinancial assets recognized by category and qualitative information about each category. The amendments in this ASU will be applied on a retrospective basis and are effective for annual reporting periods beginning after June 15, 2021. Early adoption is permitted. The Organization does not expect this ASU to have a material impact on the financial statements.

In February 2016, FASB issued ASU 2016-02, *Leases (Topic 842)*. The guidance in this ASU supersedes the leasing guidance in Topic 840, *Leases*. Under the new guidance, lessees are required to recognize lease assets and lease liabilities on the statements of financial position for all leases with terms longer than 12 months. Leases will be classified as either financing or operating, with classification affecting the pattern of expense recognition in the statements of activities. In June 2020, the FASB issued ASU 2020-05 to defer the effective date of ASU 2016-02 for fiscal years beginning after December 15, 2021, including interim periods within those fiscal years. A modified retrospective transition approach is required for lessees for capital and operating leases existing at, or entered into after, the beginning of the earliest comparative period presented in the financial statements, with certain practical expedients available. The Organization does not expect this ASU to have a material impact on the financial statements.

Functional expenses: The cost of providing the various programs and other activities has been summarized on a functional basis in the statements of activities and changes in net assets and detailed in the statements of functional expenses. Expenses that can be identified with a specific program or supporting service are charged directly to that program or service according to their natural classification. Certain other costs have been allocated among the programs and supporting services benefited. Salaries, payroll taxes and benefits, personnel expenses, client services, Dental and Wellness Clinic, marketing, food, in-kind services, insurance, office expense and supplies, professional fees, repairs and maintenance, technology, telephone, utilities and transportation expense may contain allocations based on time and effort, as well as direct charges. In-kind lease space is estimated and allocated based on fair market value of the property, square footage utilized, as well as direct charges. Management and general expenses that are not directly allocable are allocated based on their estimated time and effort in each program or supporting service.

Income taxes: The Organization is recognized by the Internal Revenue Service (IRS) as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code. Income earned in furtherance of the Organization's tax-exempt purpose is exempt from federal and state income taxes. As such, no provision for income tax expense has been made in the accompanying financial statements.

Homeless Emergency Project, Inc. d/b/a Homeless Empowerment Program

Notes to Financial Statements

Note 1. Nature of Activities and Significant Accounting Policies (Continued)

The Organization has adopted the accounting standard on accounting for uncertainty in income taxes. Management assessed whether there were any uncertain tax positions which may give risk to income tax liabilities and determined that there were no such matters requiring recognition in the accompanying financial statements. Generally, the Organization is no longer subject to U.S. federal or state income tax examinations by tax authorities for the years before December 31, 2018.

Reclassifications: Certain reclassifications have been made to the 2020 balances to conform to 2021 presentation. The reclassifications did not result in a change in previously reported change in net assets.

Subsequent events: Management has evaluated all events subsequent to the statements of financial position date of December 31, 2021, through May 18, 2022, which is the date the financial statements were available to be issued.

Note 2. Available Resources and Liquidity

The Organization regularly monitors liquidity required to meet its operating needs. For purposes of analyzing resources available to meet general expenditures, such as operating expenses or capital projects, the Organization considers all expenditures related to its ongoing activities. The financial assets and liquidity resources available within one year for general expenditure comprise the following as of December 31, 2021 and 2020:

	2021	2020
Financial assets at year-end:		
Cash and cash equivalents	\$ 2,333,830	\$ 1,884,983
Grants receivable	210,611	194,973
Accounts receivable—other	235,707	151,362
Unconditional promises to give	59,337	29,040
Estate receivables	963,892	1,679,041
Investments	9,312,383	7,302,639
Beneficial interest in trusts	1,195,764	1,199,254
Total financial assets	<u>14,311,524</u>	<u>12,441,292</u>
Less amounts not available to be used within one year:		
Net assets with donor restrictions	2,803,408	3,373,444
Less net assets with time restrictions to be met in less than a year	(963,892)	(1,679,041)
Board designated endowment	6,518,019	5,549,539
	<u>8,357,535</u>	<u>7,243,942</u>
Financial assets available to meet general expenditures over the next 12 months	<u>\$ 5,953,989</u>	<u>\$ 5,197,350</u>

As part of the Organization's liquidity management plan, the Organization invests cash in excess of daily requirements in certificates of deposits and money market funds. The Organization's cash position is monitored by executive management to ensure sufficient funds are available to meet daily requirements. Daily requirements are based on the budget, contracts, payroll and invoice schedules.

Notes to Financial Statements

Note 2. Available Resources and Liquidity (Continued)

Additionally, not included as available are the Organization's board designated endowment totaling \$6,518,019 and \$5,549,539 as of December 31, 2021 and 2020, and its two lines of credit with available balances totaling \$1.9 million. The board designated endowment fund was established by the Board to benefit the Organization by providing regular, predictable operating income that will help fill gaps caused by increasing costs, demands and the possibility of diminishing government support. Although the Organization does not intend to spend from this internally designated fund other than amounts appropriated for general expenditure as a part of its annual budget approval and appropriation process or draw from its lines of credit, amounts could be made available if necessary to provide support for the Organization's programs and facilities.

Note 3. Unconditional Promises to Give and Estate Receivables

Unconditional promises to give and estate receivables at December 31, 2021 and 2020, are expected to be collected as follows:

	2021	2020
Less than one year	\$ 1,023,229	\$ 1,708,081

Note 4. Investments

Investments are summarized as follows at December 31, 2021 and 2020:

	2021	2020
Money market funds	\$ 1,104,122	\$ 700,857
Fixed income securities—investment grade	1,395,630	1,261,794
Fixed income securities—global high yield	49,182	49,350
Equities—domestic	5,739,115	4,418,327

Note 5. Fair Value Measurements

The following table summarizes major categories of the Organization's assets measured at fair value on a recurring basis at December 31, 2021 and 2020:

	2021			
	Fair Value	Quoted Prices	Significant Other	Significant
		in Active Markets for Identical Assets (Level 1)	Observable Inputs (Level 2)	Unobservable Inputs (Level 3)

Total assets at fair value	\$ 10,180,934	\$ 5,762,078	\$ 1,540,561	\$ 2,878,295

Level 1 investments are classified as such due to their closeness to cash or being valued based on quoted market prices. Level 2 investments are classified as such due to being valued based on similar assets.

The assets held in trust and the estate receivables are managed by an independent third-party trustee, and the Organization has no authority over investment decisions. Thus, the trust assets are classified as Level 3 within the fair value hierarchy level. There were no transfers into and out of Level 3 investments and no purchase or issues of Level 3 investments for the years ended December 31, 2021 and 2020.

Interest expense related to amortization of mortgage costs was \$527 for each of the years ended December 31, 2021 and 2020.

Note 8. Lines of Credit

The Organization has an agreement with Bank of America for a \$1.4 million line of credit. Borrowings under the credit line carry an interest rate of the London Interbank Offered Rate, plus 1.5% (1.58% and 1.64% at December 31, 2021 and 2020, respectively). The Organization is able to request Bank of America to make demand loans in the aggregate principal amount that would not cause the total amount outstanding to be in excess of \$1.4 million. Bank of America may decline any request at its sole discretion with or without cause. The loan payable is due on demand and collateralized by investments without donor restrictions. There were no amounts outstanding at December 31, 2021 and 2020. The Organization paid no interest associated with this agreement for the years ended December 31, 2021 and 2020. The agreement was renewed in May 2022 and expires in May 2023.

Additionally, the Organization has an agreement with Synovus Bank for a \$500,000 credit facility to be used for working capital needs. Borrowings under this credit line carry an interest rate calculated the prime lender rate (4.00% and 3.25% as of December 31, 2021 and 2020, respectively) and not to exceed 18% or fall below 4%. There was no amount outstanding at December 31, 2021 and 2020. The Organization paid no interest associated with this credit line for the years ended December 31, 2021 and 2020. The agreement was renewed in the current year, extending the maturity until November 2022.

Note 10. Endowments

The Organization's endowments include both donor-restricted and board designated funds.

Donor-restricted: The endowment fund was established in 2006 with a donor-restricted contribution of \$200,000. According to the agreement and subsequent amendment, the original \$200,000 corpus is not subject to withdrawal, and income from the fund is available for general operations. If circumstances for the Organization become financially catastrophic, a portion of the original corpus may be spent with approval by at least 75% of the Board.

Board designated: The board designated endowment fund was established by the Board of Directors to benefit the Organization by providing regular, predictable operating income that will help fill gaps caused by increasing costs, demands and the possibility of diminishing government support. Management expects the principal to be preserved; however, the principal and earnings are available to provide support for the Organization's programs and facilities.

Endowment net asset composition by type of fund is as follows as of December 31, 2021 and 2020:

	2021		
	Without Donor Restrictions	With Donor Restrictions	Total

Note 12. Other Income

In April 2021, the Organization received a Paycheck Protection Program (PPP) loan in the amount of \$608,725, which was guaranteed by the U.S. Small Business Administration (SBA) under the Coronavirus Aid, Relief, and Economic Securities Act (CARES Act). The purpose of the loan was to retain workers and maintain payroll along with other allowable costs. The loan bore interest at 1% annually. Under the CARES Act, up to the full principal amount of the loans and any accrued interest can be forgiven if the Organization utilizes all of the loan proceeds for forgivable purposes required under the CARES Act.

In May 2020, the Organization received a PPP loan in the amount of \$608,725, which was guaranteed by the SBA under the CARES Act. The purpose of the loan was to retain workers and maintain payroll along with other allowable costs. The loan bore interest at 1% annually. Under the CARES Act, up to the full principal amount of the loans and any accrued interest can be forgiven if the Organization utilizes all of the loan proceeds for forgivable purposes required under the CARES Act.

The Organization elected to account for the PPP loans as a conditional contributions under Accounting Standards Codification (ASC) Subtopic 958-605. Management believes the revenue recognition criteria under ASC Subtopic 958-605 have been met as of December 31, 2020, for the May 2020 PPP loan, and as of December 31, 2021, for the April 2021 PPP loan. As such, these PPP loans have been recognized as other income in the statements of activities and changes in net assets as of December 31, 2021 and 2020.

In March 2021, the Organization received notification of loan forgiveness from the SBA in the amount of \$614,078 for the May 2020 PPP loan. This forgiveness included the original principal amount and \$5,353 in accrued interest.

Note 13. Leases

The Organization leases real property from Everybody's Tabernacle (Church), a local community church, for its service building, at an annual nominal rate of approximately \$14,000 per year for a term of 20 years, expiring 2028, compounding at a rate of 2% per year.

The dental clinic, as well as the houses and dormitories used in emergency and transitional housing for the homeless, are leased from the Church for one year at \$1 per year. The fair rental value of \$438,793 and \$438,073 was recognized as in-kind contributions revenue and in-kind lease space expenses in the accompanying financial statements for the years ended December 31, 2021 and 2020, respectively. Total rental expenses were approximately \$453,000 for the years ended December 31, 2021 and 2020.

Note 14. Related Parties

The pastor and the president of the Church serve on the Board of Directors. In 2021 and 2020, the Church leased real property to the Organization for a nominal rate.

For each of the years ended December 31, 2021 and 2020, the Church reimbursed the Organization approximately \$0 and \$20,000 for salaries and benefits for the Church's receptionist, respectively.

The Organization rents two houses from its founder emeritus for a total of \$1,500 a month. Total rent paid to the founder emeritus for each of the years ended December 31, 2021 and 2020, was \$18,000. This agreement expired in 2016 and has continued month-to-month since expiration.

Notes to Financial Statements

Note 15. Contingencies

The Organization is subject to federal and state examination to determine compliance with grant funding requirements. In the event that expenditures are disallowed, repayment could be required. It is the opinion of management that no expenditures will be disallowed.

Note 16. Concentrations

A significant portion of the Organization's activities are supported by funds provided by the United States federal government. In addition, for the year ended December 31, 2021, one donor made up 20% of contribution revenue. This donor did not have a receivable balance as of December 31, 2021.

Note 17. Risks and Uncertainties

On January 30, 2020, the World Health Organization declared the coronavirus outbreak a "Public Health Emergency of National Concern" and, on March 11, 2020, declared it to be a pandemic. The U.S. economy has been growing as COVID-19 pandemic conditions have significantly improved in the United States from their low points. Commercial activities in the United States have been increasingly returning to pre-pandemic practices and operations as a result of recent and expected future government spending on pandemic relief, infrastructure and other matters.

However, there remains uncertainty as to the ultimate duration and severity of the pandemic on commercial activities, supply chain constraints and labor availability, including risks that may arise from variants, mutations or related strains of the virus and the ability of countries to successfully administer vaccinations to a sufficient number of persons. As a result of these uncertainties, the Organization is unable to determine what the ultimate impact will be on its donors, clients, vendors and other stakeholders businesses, operations, financial result and financial position.

Note 18. Conditional Promises to Give from Donors

The Organization has conditional promises to give from grantors and donors of \$1,874,712 and \$2,341,405 as of December 31, 2021 and 2020, respectively. Future payments are contingent upon the Organization carrying out certain activities (meeting grant and donor imposed barriers) stipulated by the grant or contract.

Conditional promises to give from the Organization's grant donors consist of the following:

	2021	2020
Cash grants from U.S. government	\$ 1,549,684	\$ 2,185,230
Cash grants from other grantors/donors	33,826	156,175

Notes to Schedule of Expenditures of Federal Awards

Note 1. Basis of Presentation

The accompanying schedule of expenditures of federal awards includes the federal grant activities of Homeless Emergency Project, Inc. d/b/a Homeless Empowerment Program (the Organization). The information in the schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations (CFR), Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the schedule presents only a selected portion of the operations of the Organization, it is intended to and does not present the statements of financial position, activities and changes in net assets, functional expense or cash flows of the Organization.

Some amounts presented in the schedule may differ from amounts presented or used in the preparation of the financial statements.

Note 2. Summary of Significant Accounting Policies

Expenditures reported on the schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or limited as to reimbursement.

Note 3. Indirect Costs

The Organization did not elect to use the 10% de minimis indirect cost rate allowed by the Uniform Guidance.

Note 4. Loans

The Organization had the following loan balances at December 31, 2021:

ALN	Description	Original Loan Amount	Balance at January 1, 2021	Loan Forgiveness	Balance at December 31, 2021

**Report on Internal Control Over Financial Reporting and on
Compliance and Other Matters Based on an Audit of Financial Statements
Performed in Accordance with *Government Auditing Standards***

Independent Auditor's Report

Board of Directors
Homeless Emergency Project, Inc. d/b/a Homeless Empowerment Program

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Homeless Emergency Project, Inc. d/b/a Homeless Empowerment Program (the Organization), which comprise the statements of financial position as of December 31, 2021, the related statements of activities and changes in net assets, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated May 18, 2022.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency* in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected, and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of their compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**Report on Compliance for Each Major Federal Program and
Report on Internal Control Over Compliance Required by the Uniform Guidance**

Independent Auditor's Report

Board of Directors
Homeless Emergency Project, Inc. d/b/a Homeless Empowerment Program

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Homeless Emergency Project, Inc. d/b/a Homeless Empowerment Program's (the Organization) compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended December 31, 2021. The Organization's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal programs for the year ended December 31, 2021.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to the audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Organization's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the Organization's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Organization's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards* and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Organization's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Organization's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Organization's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above, and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit, we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
