Volunteer Coordinator payroll: 13 hours = \$156.00

Equine Assistant payroll: 2 hours = \$24.00

Executive Director payroll: 15 hours = 675.00

Client Story*

Please give the true story of a client served this month by your programming. You may change identifying details. This allows us to connect to your programming on an emotional level.

Josh is a disabled veteran that served in the Iraq war. He suffers from PTSD which causes massive panic attacks that feel like a heart attack. He also shakes when he gets frustrated or upset which he did not experience before he went into the service. Josh works with our Clydesdale, Freedom, and since he started working with him he is calmer and has less panic attacks. He is learning to focus on the moment and not worry about what is going on around him. This is helping him learn to center himself and stay in control of his mind and body when he gets upset.
