Please briefly explain the spending activities from **November 29 to December 5, 2020**. If you have not expended any funds, please explain why.

**Example:** ABC Charity has only expended \$1,000 this week on program personnel while our food pantry was open. ABC Charity buys its food in bulk on the 15th of every month, and therefore there will be an uptick in expenditure that week.

The Kind Mouse did not spend any CARES funding this week. We continued to feed the children as per our agreement.

### Client Story\*

Please give the true story of a client served this month by your programming. You may change identifying details. This allows us to connect to your programming on an emotional level.

We received this from the program director at one of our partner agencies:

"Hi, I am a domestic violence survivor, single mother with two daughters and my mom and sister are refugees who also live with me. I received food many times from Hands Across the Bay through the past year on behalf of the Kind Mouse partnership. They are very nice and very generous organization. They always give me the best snacks for my daughters like raisins, cookies, gummy snacks, crackers, and puddings. They also provide us delicious meals ingredients for cooking. Pasta, food cans, pickles, and so much more. Big thank you to the Kind Mouse and Hands Across the Bay, this has been a huge help.

~DV survivor, "Mary" "
