Brief Spending Narrative*

Please briefly explain the spending activities from **December 31, 2020 to January 31, 2021**. If you have not expended any funds, please return to the top of this report and indicate so.

Example: ABC Charity has only expended \$1,000 this week on program personnel while our food pantry was open. ABC Charity buys its food in bulk on the 15th of every month, and therefore there will be an uptick in expenditure that week.

PEMHS expenses for this period included \$107,429.33 for the balance due on the 2 modulars, \$8,269 for the 3rd payment on the flooring, \$9,201.43 for digital phone service, \$4,375 for COVID test kits, \$1,200 for a COVID testing machine and misc supplies and capital costs.

Client Story*

Please give the true story of a client served this month by your programming. You may change identifying details. This allows us to connect to your programming on an emotional level.

The client is upset with her godmother because she's been acting strangely. She seems jealous of her boyfriend. There is a 20 year age gap between the godmother and godmother's boyfriend. She just talked about her relationship with her own boyfriend and how nice he's been to her and her son, but he blocked her now. She misses him and isn't sure how to get past it. The client felt much better after talking to emergency services staff and decided to go to the beach with her son tomorrow. No S.I., just wanted someone to listen.
