Request Specifics

Organization Programmatic Background*

Please describe the programming your organization offers to the community and the length of time it has been doing so. What does your organization **do** and **how long** has it been doing it?

The Pinellas County Urban League focuses on four key program areas: economic development, housing, education, and health. Each of the past five years, we have demonstrated a continued commitment to service and a need for growth in all areas. Economic Development has grown by 83% to 600 clients served; Housing 7% with 5500 clients served; Education 75% with 350 Youth Served and Health 500% with 600 clients served.

PCUL fuels Economic Development by offering Financial Fitness, Serious Business Academy and Career Counseling. We serve job seekers and partner with employers and agencies throughout Pinellas County and the Tampa Bay area to build the local workforce and expand the economy. The Serious Business Academy is a program that targets entrepreneurs and other minority small businesses operating in the Tampa Bay Area with several (FREE) resources to increase their business knowledge and provide resources for growth. Financial Fitness educates and provides residents throughout Pinellas County with financial literacy resources in the areas of saving, budgeting, credit, and asset building.

The Pinellas County Urban League has a goal to improve Health outcomes for Black people and other people of color in Pinellas County through the elimination of longstanding health inequities. The Urban League launched a Mobile Health Unit to support residents with limited access to healthcare by providing such services as screenings and education.

PCUL's Housing Development focusses on safe, affordable, clean, and efficient housing by offering the Low-Income Home Energy Assistance Program (LIHEAP). The LIHEAP program provides energy-payment assistance on behalf of low-income individuals and families who meet the program's eligibility requirements. Our Youth and Family Services Education area offers Educational Achievement, Leadership Skills, Social & Character Building, and Financial Literacy programs and services.

Community Need*

Please describe the community need that exists for your programming. If you are able to cite quantitative, local data, that will strengthen your proposal.

The Foundation for a Healthy St Petersburg along with Collaborative Solutions published a report providing an assessment of the connection between housing and health in Pinellas County Fla. This report provided quantitative research to better understand the housing, health, education and economic disparities that exist in Pinellas County.

A profile of the county reveals: In 2016, an estimated 940,000 residents lived in Pinellas County and approximately 130,727 lived in poverty (U.S. Census Bureau, 2016b); Poverty has a disproportionate impact on persons of color in Pinellas County - nearly 31% of those living in poverty identifying as African-American, 21% identifying as bi- or multi-racial, and 27% identifying as "other race (U.S. Census Bureau, 2016a)." ;In Pinellas County, the top 20% household income is 4.8 times higher than the lowest 20% (University of Wisconsin Population Health Institute & Robert Wood Johnson Foundation, 2018b); In Pinellas County, 171,245 households (more than 50% renters and over 33% homeowners) are considered "cost-burdened," (U.S. Census Bureau, 2016c) meaning they pay more than 30% of their income towards housing; Income and race are most consistently associated with differences in health outcomes and are the same factors that contribute to access to good housing and neighborhoods (Aidala & Sumartojo, 2007).

In 2020, the Pinellas County Urban League continued it's service commitment by supporting 533 clients with Economic Development; 6,775 families served in Housing; 2,084 supported in Education, and over 228 participants in our Health Initiatives COVID-19 drive-thru/walk-up testing sites. Ninety seven (97%) of the participants who were tested gave our testing site a rating of 4 out of 4 stars.

Through the League's programs and services, persons can be elevated through better education, greater economic development, better housing, and improved health.

Negative Economic Impact on Organization*

The following question is the keystone of a strong application in this process. If your organization cannot demonstrate a negative economic impact from the pandemic, your application will not qualify for committee review. If you are uncertain about what constitutes negative economic impact or how to demonstrate it, please contact PCF staff for technical assistance.

Describe your organization's negative economic impact arising from the COVID-19 pandemic. Examples could include:

- A reduction in revenue from 2019 to 2020
- Inflationary pressures
- Increases in demand for services that have not been compensated for through new revenue
- The use of reserves for unbudgeted expenses since the onset of the pandemic, and such use of reserves has prevented the purchase of capital assets
- A need for capital assets to offset community need for which your organization does not have the resources to purchase due to the negative economic harm from the pandemic
- A need for additional capital assets to adapt operations to accommodate health and safety guidelines by the CDC
- Growth in restricted pandemic-related revenue that does not permit capital asset acquisition

You have the option to upload supporting documentation regarding negative economic impact. However, please limit your upload to no more than five pages.

Note: If you are applying for both a Small Purchase and Large Project, you may reuse the answer for this question PROVIDED THAT the negative economic impact is relevant to both requests. The Large Project Letter of Intent does not permit uploads to support the answer to this question.

The Pinellas County Urban League's request for services has grown from receiving 100 applications for utility help to about 300 a week. A 200% increase! The pandemic drove us to move our applications online while continuing to process them by mail and phone, slowing our ability to provide prompt assistance.

Minority small businesses have been disproportionately affected by the pandemic, however, we continued our support to small business development initiatives and fostered employment and revitalization efforts in the communities we serve. Many small businesses did not have the documentation required to qualify for assistance from the Paycheck Protection Program. These increased needs put a strain on our organization, as we strived to assist both those who normally turn to us for help and others new to seeking assistance. The City of St Petersburg launched the Fighting Chance Fund locally, however, it did not provide the intended impact for this disproportionately underserved community.

The Pinellas County Urban League worked tirelessly to ensure that Black people take advantage of the new vaccine. We partnered with the Florida Department of Health in Pinellas to dispel rumors and provided accurate information to congregations, other community organizations, and individuals about the vaccine. Even as we proceeded with this education effort, we continued our partnership with the Health Department to get Covid-19 tests to Black communities in St. Petersburg, Largo, and Tarpon Springs.

Lower-paid essential workers such as nurses' aides, licensed practical nurses, cooks, and janitors were bearing and continue to bear the brunt of the coronavirus. Some have been laid off or have lost their jobs because of the pandemic. These are the new poor who are increasingly turning to the Urban League for assistance.

We continue to collaborate with community leaders and the founders of the 2020 Plan, an initiative to reduce poverty by 30 percent in South St. Petersburg. We've worked with the Florida Department of Health to provide Mental Health Days at Jordan Park. Residents could sign up for mental services and we provided free meals. The presence of the Urban League helped residents feel comfortable accessing such services, which

often carry a stigma in the African American community. We continued our partnerships with Pinellas Technical College and St. Petersburg College for training to help our clients procure better jobs. The surge in demand for services was not offset by increased donors. We were forced to delay much needed building repairs and upgrades in order to provide the services our community so desperately needed.

Proposal Description*

The American Rescue Plan Act requires a request that is reasonable and proportional to the level of economic impact your organization experienced. This means the request you describe below should not be greater than the economic harm your organization has suffered.

Please describe your purchase proposal and address the following:

- What will you be purchasing with these funds?
- What is the estimated lifespan of the purchase/improvement?
- How does it address the negative economic harm you described in the previous question?

This request is to install a total IT Infrastructure upgrade of the Pinellas County Urban League. The new network will enable cycle time reductions for Housing Assistance Applicants (Low Home Income Home Energy Assistance Program and Weatherization Assistance Program) and Enhance job placements by offering in house online training with new digital job-readiness skills. Clients requesting housing or utility bill assistance will see a reduction in cycle time to approval. We anticipate purchasing desktops, servers, firewall protection, switches, battery backup, desktops and monitors. The request also includes the non-recurring cost for the install provided by ATLAS Professional Services our preferred IT provider.

The current desktops in the facility were purchased in 2013. They are limited in RAM and often experience slow response times. Our switch is at capacity and monitors are older vintage. We expect this new upgrade will provide 16G RAM desktops for growth and expansion, the new Server is compatible to the Power Edge R320 family with more memory and all monitors will feature full 27in color.

We will also create a new Covid compliant workstation zone where individuals can complete applications and upload required documentation without leaving the facility. All clients will be able to complete the Intake form and get exposure to all services offered by The League.

On behalf of our recently transitioned CEO, the new office space addition will feature the Rev Watson L Haynes Youth Education and Training Center. Rev Haynes led the League since 2012 and provided leadership, counsel and represented the entire underserved community striving for justice and equality. The new center will host youth wrap around services training, industry certification testing/training and community multi-function space. These IT Infrastructure improvements will enable the League to remain a beacon of hope in the community for decades to come.

Guiding Principles - Client Impact*

The American Rescue Plan Act, which provides the funding for this grant program, aims to ensure an equitable recovery from the COVID-19 pandemic. The term "equity" is defined as:

The consistent and systematic fair, just, and impartial treatment of all individuals, including individuals who belong to underserved communities that have been denied such treatment, such as Black, Latino, and Indigenous and Native American persons, Asian Americans and Pacific Islanders and other persons of color; members of religious minorities; lesbian, gay, bisexual, transgender, and queer (LGBTQ+) persons; persons with

disabilities; persons who live in rural areas; and persons otherwise adversely affected by persistent poverty or inequality.

One of the guiding principles of this fund is that it will apply a lens of equity to ensure the needs of specified priority populations are met.

Will this purchase benefit the community members defined above that have experienced disproportionate negative impacts from the COVID-19 pandemic? If so, how?

As a result of these capital improvements, we anticipate all pillars of services offered by the Pinellas County Urban League will benefit the community. In Economic Development, we expect small businesses to expand and increase revenue. In 2021, we served 150 new business and provided 1600 hours of training. This directly resulted in \$310K of new capital acquired for business and even prevented some business from complete shutdown.

For our Youth and Family Services, we will continue expanding our Summer Youth Leadership Program (Summer Training in Leadership and Employment). The Summer Youth will be exposed to more Disruptive Innovative science activities including Artificial Intelligence, Robotics, Renewable Energy and Block Chain education and Advances in Health Screening technology like DNA Sequencing.

Housing Services will see a 30% cycle time reduction from initial application to approval/rejection. All clients will be able to apply and load all required documentation for services from the internal workstations and track status of applications from their phones.

Our Health Services will see a tremendous benefit as we continue to partner with The Moffit Center to bring Mobile Heredity Cancer Screening to our communities. We will need new computers for liquid biopsy data collection and analytics.

Number Served*

How many people will directly benefit from this capital purchase annually?

13000

Unduplicated vs. Duplicated*

Is the number indicated above duplicated or unduplicated?

Duplicated: A client is counted each time they access services

Unduplicated: A client is counted once, regardless of the number of times they access services

Example: ABC Food Bank operates two mobile food pantries, one in Clearwater and one in St. Petersburg. Taylor, a Pinellas County resident, goes to both food pantries. If ABC Food Bank counts Taylor's visit TWICE, it is **duplicated**. If ABC Food Bank counts Taylor's visit ONCE, it is **unduplicated**.

Unduplicated

Other (Explanation Required)

If you selected "Other" in the previous question, please explain how your organization determined the number of clients that will benefit from the proposed capital purchase.

The American Rescue Plan Act (ARPA) prioritizes organizations that either have headquarters or carry out the majority of their operations inside Qualified Census Tracts (QCTs). QCTs are a standard method of identifying communities with a large proportion of low-income residents. The U.S. Department of Housing and Urban Development determines what areas qualify as QCT.

To assess if your organization serves or is headquartered in a QCT, use the following link:

https://www.huduser.gov/portal/sadda/sadda_qct.html

In the top right-hand corner, choose the state of Florida and Pinellas County. Then on the left-hand side of the screen, click the box next to “Color QCT Qualified Tracts.” The QCT zones are denoted in purple. You can also map your address by adding it into the address box at the top to see if your location is inside the zones.

Below, please provide the location of your operations and the location of your headquarters, if different.

The screenshot shows the HUD SADDA QCT map interface. At the top, there is an address input field with the placeholder text "Enter an Address, city, state or tract" and a "Go" button. To the right of the address field is a dropdown menu for the state, currently set to "Florida", and another dropdown for the county, currently set to "Pinellas". Below the address field, there are "Map Options" including "Clear", "Reset", and "Full Screen". The "QCT Legend" shows "Tract Outline" (blue line), "LIHTC Project" (house icon), and "2022 Qualified Census Tracts" (purple square). The "SADDA Legend" shows "FMR Boundary" (green line), "2022 Small DDA" (orange square), and "Non Metro DDA" (blue square). A red bar with the text "Hide the overview" is below the legend. Below this bar, there is a paragraph of text: "The 2022 Qualified Census Tracts (QCTs) and Difficult Development Areas (DDAs) are effective January 1, 2022. The 2022 designations use data from the 2010 Decennial census. The 2022 designation methodology is explained in the federal Register notice published September 9, 2021". On the left side, there is a "Map Options" panel with a "10 Current Zoom Level" and several checkboxes: "Show Difficult Development Areas (Zoom 7+)", "Color QCT Qualified Tracts (Zoom 7+)", "Show Tracts Outline (Zoom 11+)", "Show FMR Outlines (Zoom 4+)", and "Show LIHTC Projects (Zoom 11+)". A red arrow points to the "Color QCT Qualified Tracts" checkbox. Below the checkboxes is a link "Click here for full screen map". Underneath is a "Select Year" section with radio buttons for "2022" (selected) and "2021". The main map area shows a map of the Tampa Bay area with purple shaded areas representing QCTs. A red pin is placed on the map near Clearwater. The map includes "Map" and "Satellite" tabs, a "Google" logo, and "Keyboard shortcuts", "Map data ©2022 Google, INEGI", "Terms of Use", and "Re" at the bottom.

Community Connection

This section aims to capture general demographic data about your organization and to see how you engage with and represent the community you serve. PCF has generalized the demographic data questions more than it has in other processes because of the public nature of this process. PCF understands that identity disclosure can be a sensitive matter, and wants to respect your organization's board and staff. If your organization feels comfortable sharing more detailed demographic information, it may do so in the "Community Representation and Connection" section.

Community Representation and Connection*

Describe how your organization is representative of, or has authentic connections to, the community your proposal seeks to serve. You can list other community-based organizations that work on programming with you and/or list examples of your work within this community.

The Pinellas County Urban League is committed to addressing the challenges emanating from the pandemic. The Urban League has been using Education to alleviate skepticism in the African-American community regarding the vaccine's safety and efficacy. The Urban League is proud of its partnerships with the University of South Florida, the Department of Health and the Foundation for a Healthy St. Petersburg in providing health services to reach at-risk communities in a non-threatening environment with our Mobile Health Unit, a vehicle donated by the Pinellas County Board of County Commissioners.

The Urban League was able to continue providing job opportunities through funding from the United Way of Tampa Bay, the National Urban League and Bank of America Neighborhood Builders® award for disadvantaged communities. Our commitment is to continue addressing issues fundamental to economic mobility, specifically basic needs and workforce development. Minority small businesses have been disproportionately affected by the pandemic and the Urban League has been able to utilize these funds in support of small business development initiatives and foster employment and revitalization efforts in the communities we serve.

The Pinellas County Urban League stand firm in our commitment to getting people into jobs and out of poverty. As we continue our collaboration efforts with community leaders and the founders of the 2020 Plan, an initiative to reduce poverty by 30 percent in South St. Petersburg, an effort which has shown steady success.

Additionally, the Urban League provides financial literacy education to thousands of residents each year. We've also worked with the Florida Department of Health to provide Mental Health Days at Jordan Park whereby residents receive mental health services and free meals. Mental health issues often carry a stigma in the African-American community. The presence of the Urban League in underprivileged neighborhoods has helped local residents feel comfortable accessing these services.

Purchase Estimates/Bids*

You must combine all bids/estimates into one file.

Attach current verifiable bids, estimates, or price lists [from your potential vendor(s)]. Please ensure there is a date listed or when you obtained these estimates/bids, as they must be from within the past sixty (60) days.

- If your purchase is **BELOW** \$75,000, you must upload **TWO** verifiable bids or estimates for the proposed purchases.
- If your purchase is **EQUAL TO** or **MORE THAN** \$75,000, you must upload **THREE** verifiable bids or estimates for your proposed purchases.

Computers sonicwall switch server.pdf

Sole Source*

In some cases, a proposed small purchase is only available from a single vendor, and as such, only one bid/estimate can be uploaded. If this is the case for your organization, please explain in the field below. Otherwise, write "N/A" below.

The attached bid is directly from Dell Small Business and it includes all hardware needed for the IT Infrastructure upgrade. We have an existing relationship and support contract with ATLAS Professional Services who will deploy the hardware, load the sw and support going forward. We were unable to receive a revised written bid from ATLAS in time to support this request, however, we used their previous bid rate package to obtain an hourly rate and verified the number of hours we were assuming is accurate.

Total combined effort including labor is \$101,804.

Related Parties*

Are any of the contractors/vendors that have provided bids/estimates a related party to your organization?

Examples of Related Parties

- A board member that owns the contracting company that provided a bid
- The relative of a director, officer, or executive team member owns a company that provided an estimate
- The CEO of the applying organization has a financial interest in the construction company providing a bid

If **yes**, identify the vendor and describe the relationship.

If **no**, write "No related parties below."

Budget Summary*

Please use THIS TEMPLATE to indicate costs and any cash match your organization may have for the proposed purchases. Note: this spreadsheet will automatically round numbers to make it easier to read for committee members.

Please note that indirect costs are not permitted for small purchases.

If you have additional notes to add to your budget summary, you may do so in the text box below.

Budget-Template-Small-Capital-Purchases.xlsx

Other Funding Sources*

Please describe any other funding not already mentioned that your organization has applied for or obtained for this purchase.

This includes but is not limited to Community Block Development Grants (CBDG), local government grants (including Tourist Development Council funding), foundation grants, and private donors (you do not need to disclose donor identities but simply indicate the amount raised for this purchase). This includes any matching grants or in-kind contributions you may have obtained.

Please be sure these other funding sources are represented in the "Applicant Match" column in the budget summary uploaded above.

The Pinellas County Urban League is investigating other private funding sources for the project. For example, as we work with the City of St Petersburg to offer input on affordable housing, we create opportunities to work with developers on new mixed use developments and provide services on behalf of the community.

Changes in Operating Costs*

Please answer this question based on the descriptions below:

- If this project **increases** ongoing operational costs (programmatic, operating maintenance or other costs), how will you compensate for the difference?
- If this purchase **decreases** ongoing operating costs, how will it do so?
- If this purchase **does not affect** operating costs, please note so below.

For this IT Infrastructure upgrade, we anticipate there will be increases and decreases in our cost of operations. We will work with ATLAS Professional Services, our IT provider, to install new computers, firewalls, switches and desktops. On a recurring basis, we expect an increase due to more desktop computers being available to support clients.

We are planning to offset most of the increases through increased efficiencies and less paper documentation. Our overhead cost will also decrease as we offer online application tracking which will decrease the need for office staff.

Terms of Sale

This Quote will, if Customer issues a purchase order for the quoted items that is accepted by Supplier, constitute a contract between the entity issuing this Quote ("Supplier") and the entity to whom this Quote was issued ("Customer"). Unless otherwise stated herein, pricing is valid for thirty days from the date of this Quote. All product, pricing and other information is based on the latest information available and is subject to change. Supplier reserves the right to cancel this Quote and Customer purchase orders arising from pricing errors. Taxes and/or freight charges listed on this Quote are only estimates. The final amounts shall be stated on the relevant invoice. Additional freight charges will be applied if Customer requests expedited shipping. Please indicate any tax exemption status on your purchase order and send your tax exemption certificate to Tax_Department@dell.com or ARSalesTax@emc.com, as applicable.

Governing Terms: This Quote is subject to: (a) a separate written agreement between Customer or Customer's affiliate and Supplier or a Supplier's affiliate to the extent that it expressly applies to the products and/or services in this Quote or, to the extent there is no such agreement, to the applicable set of Dell's Terms of Sale (available at www.dell.com/terms or www.dell.com/oemterms), or for cloud/as-a-Service offerings, the applicable cloud terms of service (identified on the Offer Specific Terms referenced below); and (b) the terms referenced herein (collectively, the "Governing Terms"). Different Governing Terms may apply to different products and services on this Quote. The Governing Terms apply to the exclusion of all terms and conditions incorporated in or referred to in any documentation submitted by Customer to Supplier.

Supplier Software Licenses and Services Descriptions: Customer's use of any Supplier software is subject to the license terms accompanying the software, or in the absence of accompanying terms, the applicable terms posted on www.Dell.com/eula. Descriptions and terms for Supplier-branded standard services are stated at www.dell.com/servicecontracts/global or for certain infrastructure products at www.dellemc.com/en-us/customer-services/product-warranty-and-service-descriptions.htm.

Offer-Specific, Third Party and Program Specific Terms: Customer's use of third-party software is subject to the license terms that accompany the software. Certain Supplier-branded and third-party products and services listed on this Quote are subject to additional, specific terms stated on www.dell.com/offeringspecificterms ("Offer Specific Terms").

In case of Resale only: Should Customer procure any products or services for resale, whether on standalone basis or as part of a solution, Customer shall include the applicable software license terms, services terms, and/or offer-specific terms in a written agreement with the end-user and provide written evidence of doing so upon receipt of request from Supplier.

In case of Financing only: If Customer intends to enter into a financing arrangement ("Financing Agreement") for the products and/or services on this Quote with Dell Financial Services LLC or other funding source pre-approved by Supplier ("FS"), Customer may issue its purchase order to Supplier or to FS. If issued to FS, Supplier will fulfill and invoice FS upon confirmation that: (a) FS intends to enter into a Financing Agreement with Customer for this order; and (b) FS agrees to procure these items from Supplier. Notwithstanding the Financing Agreement, Customer's use (and Customer's resale of and the end-user's use) of these items in the order is subject to the applicable governing agreement between Customer and Supplier, except that title shall transfer from Supplier to FS instead of to Customer. If FS notifies Supplier after shipment that Customer is no longer pursuing a Financing Agreement for these items, or if Customer fails to enter into such Financing Agreement within 120 days after shipment by Supplier, Customer shall promptly pay the Supplier invoice amounts directly to Supplier.

Customer represents that this transaction does not involve: (a) use of U.S. Government funds; (b) use by or resale to the U.S. Government; or (c) maintenance and support of the product(s) listed in this document within classified spaces. Customer further represents that this transaction does not require Supplier's compliance with any statute, regulation or information technology standard applicable to a U.S. Government procurement.

For certain products shipped to end users in California, a State Environmental Fee will be applied to Customer's invoice. Supplier encourages customers to dispose of electronic equipment properly.

Electronically linked terms and descriptions are available in hard copy upon request.

for the effect of any uncertain tax positions based on a more likely than not threshold to the recognition of the tax positions being sustained based on the technical merits of the position under scrutiny by the applicable taxing authority.

If a tax position or positions are deemed to result in uncertainties of those positions, the unrecognized tax benefit is estimated based on a cumulative probability assessment that aggregates the estimated tax liability for all uncertain tax positions. The Organization has identified its tax status as a tax-exempt entity as its only significant tax position; however, the Organization has determined that such tax position does not result in an uncertainty requiring recognition.

The Organization is not currently under examination by any taxing jurisdiction.

The Organizations federal returns are generally open for examination for three years following the date filed.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Pinellas County Urban League, Inc. and Affiliates
St. Petersburg, Florida.

Opinion

We have audited the accompanying consolidated financial statements of Pinellas County Urban League, Inc. and Affiliates (collectively, the Organization), which comprise the consolidated statements of financial position as of December 31, 2021 and 2020, and the related consolidated statements of activities and cash flows for the years then ended, the related consolidated statement of functional expenses for the year ended December 31, 2021, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Pinellas County Urban League, Inc. and Affiliates as of December 31, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

INDEPENDENT AUDITOR'S REPORT - CONTINUED

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated June 23, 2022, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

Other Matters

Report on Summarized Comparative Information

We have previously audited the Organization's 2020 consolidated financial statements, and we expressed an unmodified audit opinion on those audited consolidated financial statements in our report dated June 24, 2021. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2020, is consistent, in all material respects, with the audited consolidated financial statements from which it has been derived.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Principles of Consolidation

The consolidated financial statements include the accounts of PCUL, PUPS, and PUPSII (collectively, the Organization). The entities are related since PCUL has a voting majority interest in PUPS and PUPSII's board of directors. All significant inter-company accounts and transactions have been eliminated in the consolidation.

Basis of Presentation

The consolidated financial statements are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (US GAAP).

Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

- *Net assets without donor restrictions* - Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's management and the board of directors.
- *Net assets with donor restrictions* - Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

DECEMBER 31, 2021 AND 2020

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Measure of Operations

The consolidated statements of activities reports all changes in net assets, including changes in net assets from operating and nonoperating activities. Operating activities consist of those items attributable to the Organization's ongoing services. Nonoperating activities, if any, are limited to other activities considered to be of a more unusual or nonrecurring nature.

Summarized Comparative Information

The accompanying consolidated financial statements include certain prior-year summarized comparative total amounts. Such information does not include sufficient detail to constitute a presentation in conformity with US GAAP. Accordingly, such information should be read in conjunction with the Organization's consolidated financial statements for the year ended December 31, 2020, from which the summarized information was derived.

Use of Estimates

The preparation of consolidated financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities, as well as pro rata allocations in the recording of expenditures, at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates. Significant estimates included in the consolidated financial statements include allocation of expenses by function and useful lives of depreciable assets.

Cash and Cash Equivalents

Cash and cash equivalents consists of cash on deposit with financial institutions and certain highly liquid investments with original maturities of three months or less.

Financial instruments which potentially subject the Organization to concentrations of credit risk consist principally of cash held in financial institutions in excess of federally-insured limits. From time to time throughout the years ended December 31, 2021 and 2020, the Organization's cash balance may have exceeded the federally insured limit. However, the Organization has not experienced and does not expect to incur any losses in such accounts.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Grants, Contracts, and Accounts Receivables

Grants and contracts receivable represent amounts due from various federal, state, and local agencies for purposes specified by each grant. Receivables are stated at the amount management expects to collect from outstanding balances. Management monitors the collection status of its receivable balances on an ongoing basis. The Organization provides for probable uncollectible amounts through a charge to earnings and credit to the allowance for doubtful accounts based on its assessment of the current status of individual accounts. Receivables are written off as a charge to the allowance for doubtful accounts when, in management's estimation, it is probable that the receivable is worthless. Based on management's analysis of possible bad debts as of December 31, 2021 and 2020, the Organization recorded an allowance for doubtful accounts of \$-0- and \$12,050, respectively.

Property and Equipment

Property and equipment are carried at cost, if purchased or at estimated fair value at date of receipt if acquired by gift. Depreciation is calculated using the straight-line method over the estimated useful lives of the assets which range from 3 to 40 years. Disbursements in excess of \$500 with an estimated useful life greater than one year are capitalized. In the absence of donor-imposed stipulations, gifts of long-lived assets are reported as unrestricted support.

Revenue Recognition

Contributions received are recorded as net assets without donor restrictions or net assets with donor restrictions depending on the existence or nature of any donor restrictions. Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Unconditional promises to give are reported at present value at the date the promise is received to the extent estimated to be collected by the Organization. Other conditional promises to give are recognized when the conditions on which they depend are substantially met. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire during the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions.

Federal grants, contract revenues and certain other revenues, including cost reimbursement contracts, are considered conditional contributions and are recorded as unrestricted revenue when the contract conditions are met. Payments received in advance of the conditions being met are recorded as deferred revenue until earned. Revenue is earned and recognized in the accompanying consolidated financial statements when eligible expenses are incurred or services provided.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Revenue Recognition - Continued

The Organization reports gifts of land, buildings, and equipment as support without donor restrictions unless explicit donor restrictions specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

The value of donated materials and services is recorded in the consolidated financial statements at estimated fair value at date of receipt.

Deferred Grant Revenue

The Organization enters into grants in which funds are sometimes advanced. The Organization earns these funds as services are provided under the terms of the grant. The portion that has not yet been earned is recorded in the consolidated financial statements as deferred grant revenue.

Income Taxes

PCUL is a not-for-profit corporation under the laws of the State of Florida and is exempt from federal income taxes under Section 501(c) (3) of the Internal Revenue Code. PUPS, PUPSII, and PUPSIII are not-for-profit corporations under the laws of the State of Florida and are exempt from federal income taxes under Section 501(c) (2) of the Internal Revenue Code.

The Internal Revenue Code provides for taxation of unrelated business income under certain circumstances. PCUL believes that it has no liability for taxes with respect to unrelated business income. However, such status is subject to final determinations upon examination of the related income tax returns by the appropriate taxing authorities.

Uncertain Tax Positions

The Organization accounts for the effect of any uncertain tax positions based on a “more likely than not” threshold to the recognition of the tax positions being sustained based on the technical merits of the position under scrutiny by the applicable taxing authority. If a tax position or positions are deemed to result in uncertainties of those positions, the unrecognized tax benefit is estimated based on a “cumulative probability assessment” that aggregates the estimated tax liability for all uncertain tax positions. The Organization has identified its tax status as a tax-exempt entity as its only significant tax position; however, the Organization has determined that such tax position does not result in an uncertainty requiring recognition. The Organization is not currently under examination by any taxing jurisdiction. The Organization’s federal returns are generally open for examination for three years following the date filed.

Accrued Expenses

Accrued expenses consist of accrued payroll, accrued payroll taxes, and vacation leave. Vested or accumulated vacation leave is recorded as an expense as the benefits accrue to employees.

Functional Allocation of Expenses

The costs of providing the various program and other activities have been detailed in the consolidated statement of functional expenses and summarized on a functional basis in the consolidated statements of activities. Expenses that can be identified with a specific program activity are allocated directly to the program activity as a direct cost. Certain management and general expenses have been allocated based on their estimated usage in each program or supporting services. Salaries and related expenses are allocated to each program and supporting services based on time and effort expended within each program and supporting service.

Donated Materials, Services, and Use of Facilities

Donated materials are valued at their estimated fair value at the time of donation. Volunteer services are recorded at fair values consistent with those amounts which would be paid to third parties or salaried personnel for similar services. Donated services that require specialized skills, that are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are valued at the individuals regular rate of pay. Donated use of facilities is recorded as support at its fair rental value during the period of use. Donated materials, volunteer services, and use of facilities for the years ended December 31, 2021 and 2020, aggregated \$266,487 and \$138,199, respectively, and were used in various programs.

The Organization received funding from the National Urban League in 2021 and 2020, which accounted for approximately 20% and 23% of total operating support and revenue.

The Organization receives a substantial amount of support from grantor agencies for its programs. If this support were to be reduced or eliminated, it could affect the operation of the supported programs. In addition, the Organization is subject to audit examination by grantor agencies. In the event that reimbursed expenditures were disallowed, repayments would be required. Management believes the Organization is in compliance with the terms of its grant agreements.

NOTE H - NOTE PAYABLE

In response to the coronavirus (COVID-19) outbreak in 2020, the U.S. Federal Government enacted the Coronavirus Aid, Relief, and Economic Security Act that, among other economic stimulus measures, established the Paycheck Protection Program (PPP) to provide small business loans. In April 2020, the Organization obtained a PPP loan for \$336,900. The Organization used the majority of the loan for qualifying expenses and received forgiveness in December 2020 for \$323,336. The remaining note of \$13,564 matures in May 2022 and bears interest at a fixed annual rate of 1%, with the first six months of interest deferred. NOTE J - COMMITMENTS AND CONTINGENCIES

Programs administered by the Organization, in most instances, are subject to audit by the funding agency. Therefore, all such costs are subject to adjustment. Costs, if any, which are deemed unallowable by the funding agency, may require reimbursement by Pinellas County Urban League, Inc. Management believes that adjustments, if any, would not have a significant effect on the consolidated financial statements. Questioned costs or other compliance findings are defined as follows:

- 1) An alleged violation of a provision of a law, regulation, contract, grant, cooperative agreement, or other agreement or document governing the expenditure of funds;
- 2) A finding that, at the time of the audit, such cost is not supported by adequate documentation; or
- 3) A finding that the expenditure of funds for the intended purpose is unnecessary or unreasonable.

NOTE K - RETIREMENT PLANS

PCUL has a 403(b) Thrift Plan for all employees (with no age or service requirement) for salary reduction contributions. Eligibility for employer contributions requires employees to have completed one year of service (1,000 hours) and be 21 years of age or older. The employer is required to contribute 8% of eligible employees' compensation, which was \$86,330 and \$88,308 the years ended December 31, 2021 and 2020, respectively.

The Organization evaluated subsequent events through June 23, 2022, the date the consolidated financial statements were available to be issued. The Organization is not aware of any subsequent events, except as disclosed in **NOTE G**, which would require recognition or disclosures in the consolidated financial statements.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER
MATTERS BASED ON AN AUDIT OF CONSOLIDATED FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

To the Board of Directors
Pinellas County Urban League, Inc. and Affiliates

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Pinellas County Urban League, Inc. and Affiliates (the Organization), which comprise the consolidated statement of financial position as of December 31, 2021, and the related consolidated statements of activities, cash flows, and functional expenses for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated June 23, 2022.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Organization's consolidated financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

MATTERS BASED ON AN AUDIT OF CONSOLIDATED FINANCIAL

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the consolidated financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH
MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL
OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

To the Board of Directors
Pinellas County Urban League, Inc. and Affiliates

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Pinellas County Urban League, Inc. and Affiliate's (the Organization) compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended December 31, 2021. The Organization's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended December 31, 2021.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Organization's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Organization's federal programs.

CONTINUED

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH
MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL
OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE - CONTINUED**

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Organization's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Organization's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Organization's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Organization's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weakness or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Pinellas County Urban League, Inc. and Affiliates

We have audited the consolidated financial statements of Pinellas County Urban League, Inc. and Affiliates (collectively, the Organization), as of and for the years ended December 31, 2021 and 2020, and our report thereon dated June 23, 2022, which expressed an unmodified opinion on those consolidated financial statements, appears on pages 3 - 5. Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole.
