Ms. Bee has been struggling and living in fear since the beginning of the pandemic. She has two small children that are falling behind because Ms. Bee is afraid to send her children to attend school on-site. One of Ms. Bee's children has a heart condition and she will not take a chance on sending her to school. Unfortunately, Ms. Bee has had to make some lifestyle choices that have effected the family financially. The family is making it work however, the stress is mounting.
