Client Story*

Please give the true story of a client served this month by your programming. You may change identifying details. This allows us to connect to your programming on an emotional level.

Veronica is married with 6 children and is currently unemployed, due to COVID-19. Ensuring that she has enough food to feed her family of 8 is often stressful, and especially now with the pandemic. Veronica came to the RCS Food Bank to get help with providing food for her family for the month. She said that the additional groceries are good quality and helps stretch her monthly budget.
