Please briefly explain the spending activities from **November 29 to December 5, 2020**. If you have not expended any funds, please explain why.

Example: ABC Charity has only expended \$1,000 this week on program personnel while our food pantry was open. ABC Charity buys its food in bulk on the 15th of every month, and therefore there will be an uptick in expenditure that week.

The last two days of November were a Sunday and Monday, we usually go shopping on Tuesdays, Wednesdays and Thursdays. We shopped on 12/1 and 12/2 at Aldi's.

Grant funding started on 11/8/2020 therefore missed our goal although our actual totals for November were 1,556 (1011 adults and 545 children).

Client Story*

Please give the true story of a client served this month by your programming. You may change identifying details. This allows us to connect to your programming on an emotional level.

Donna, lost her job at a temp agency due to companies cutting back during COVID. She has three children 6, 8 and 12. she recently had to move in with her mother in-law. Her husband recently got out of jail and is unable to find work. Donna came to the Family Center seeking help. She is working with our Family Assistance Coach on a family plane. One of her goals is to get her GED and she is making progress towards it.. She receives food from our food pantry and although married has taken on all the responsibilities to raise her children. Prior to COVID she was doing okay making ends meet. Today is a very different story filled with fear, headache and also hope. Thanks to the Family Center her children will have a Christmas.
