Please briefly explain the spending activities from **November 29 to December 5, 2020**. If you have not expended any funds, please explain why.

Example: ABC Charity has only expended \$1,000 this week on program personnel while our food pantry was open. ABC Charity buys its food in bulk on the 15th of every month, and therefore there will be an uptick in expenditure that week.

We purchased two pallets of chickens, which were over and above our projected chickens, today. We will seek reimbursement as a separate item.

Invoices for hats and gloves were invoiced in November, but not appearing on credit statement until December.

Will seek reimburse in December.

Client Story*

Please give the true story of a client served this month by your programming. You may change identifying details. This allows us to connect to your programming on an emotional level.

Food Banks are busier. Lines at mobile banks are longer.

The need is greater than it was in the summer when this grant was conceived.

Although we are tired of the pandemic, we need to order food, and remain ready to feed more families.
