Request Specifics**Organization Programmatic Background***

Please describe the programming your organization offers to the community and the length of time it has been doing so. What does your organization **do** and **how long** has it been doing it?

Since 2004 The Studio@620 has touched an estimated 325,000 guests and artists through its programs and has become synonymous with the arts in downtown St. Petersburg. The Studio's model is one of flexibility and inclusion, successfully offering a wide range of visual and performing arts, educational, and social programming. The Studio offers on average 300 days of public arts programming each year including dance, music, theatre, visual arts, literary events, open mics, film screenings, community discussions and more. By

consistently providing a space for both emerging and established talent, The Studio has played an integral part in the artistic resurgence and subsequent redevelopment that has taken place in the downtown area. The Studio provides opportunities for our local talent to share their work with an audience. The Studio offers our audience a broad range of programming at affordable ticket prices, often free or \$5-\$10. When combined, these two important aspects create a more cohesive community.

Since its inception, The Studio@620 has been supportive of young people in the arts, hosting Through Our Eyes: Midtown and Beyond for 18 years. In addition to this long running program that features photography created by students from Melrose Elementary, John Hopkins Middle and Lakewood High schools, The Studio has expanded it's youth exhibitions to include fine art from youth across Pinellas County with the "Exceptional Voices: K-12" program. The Studio's Social Justice Initiative, which grew from a long running Social Justice Round Table Discussion Series, was launched in 2018 and has shined a spotlight on our dedication to amplifying diverse voices through the arts.

Community Need*

Please describe the community need that exists for your programming. If you are able to cite quantitative, local data, that will strengthen your proposal.

The pandemic shutdown highlighted the need for emerging and mid-career artists to earn income through their work. As venues closed The Studio@620 created opportunities for artists and performers to connect with their audience virtually through live-stream performances and visually via our large sidewalk-facing windows for remote, in-person viewing. The Studio continues to offer virtual gallery walk-through videos for exhibits in addition to public opening receptions. Requests from the community to perform and exhibit work in our space has increased exponentially since in-person programming has resumed. Through live events, The Studio@620 provides direct financial income opportunities to an average of 300 individuals each year. Many performers begin their careers at The Studio and advance on to larger venues as they build a reputation and experience. The Studio@620 has one of the lowest commission rates for art sales in the region and frequently underwrites production costs for artists in need to facilitate their success. Art sales resulting from exhibits in the gallery provide them with important income. The Studio@620 supports dozens of small creative businesses through its three seasonal art markets. With low vendor registration fees and high attendance rates, these markets provide artists, authors, and makers valuable sales opportunities. The Arts & Economic Prosperity Calculator (Americans for the Arts study) estimates that The Studio generates economic impact that is equivalent to 11 FTE jobs.

From an audience perspective, the pandemic shutdown cut a vital connection to live entertainment. The Studio serves many low- and fixed-income individuals, seniors, people of color and the LGBTQ community in addition to more traditionally affluent arts audiences by offering high quality arts events at very low admission costs. The community at large benefits when everyone can share ideas and arts experiences together in a safe environment.

Negative Economic Impact on Organization*

The following question is the keystone of a strong application in this process. If your organization cannot demonstrate a negative economic impact from the pandemic, your application will not qualify for committee review. If you are uncertain about what constitutes negative economic impact or how to demonstrate it, please contact PCF staff for technical assistance.

Describe your organization's negative economic impact arising from the COVID-19 pandemic. Examples could include:

- A reduction in revenue from 2019 to 2020

- Inflationary pressures
- Increases in demand for services that have not been compensated for through new revenue
- The use of reserves for unbudgeted expenses since the onset of the pandemic, and such use of reserves has prevented the purchase of capital assets
- A need for capital assets to offset community need for which your organization does not have the resources to purchase due to the negative economic harm from the pandemic
- A need for additional capital assets to adapt operations to accommodate health and safety guidelines by the CDC
- Growth in restricted pandemic-related revenue that does not permit capital asset acquisition

You have the option to upload supporting documentation regarding negative economic impact. However, please limit your upload to no more than five pages.

Note: If you are applying for both a Small Purchase and Large Project, you may reuse the answer for this question PROVIDED THAT the negative economic impact is relevant to both requests. The Large Project Letter of Intent does not permit uploads to support the answer to this question.

The Studio@620 has experienced a variety of negative financial impacts due to the pandemic and subsequent inflationary factors. Beginning in March 2019 fundraising endeavors for the organization were halted and admissions, private party rentals, membership subscriptions and art sales revenues were all greatly reduced due to the halt of in-person events during the shutdown. As operations transitioned to virtual live-stream format, programming was offered for free or on a donation basis only to stay engaged with our community. Most donations received in response to virtual programming offered at that time were passed on to the artists involved to support those in greatest need. Admissions revenues are split with performers. The Studio portion covers operating costs to produce the event but are not enough to also invest in the seating and other things needed to continue holding events.

Studio staff operated on greatly reduced wages from summer 2019 thru fall 2021 to help maintain the organization. The Studio@620 was unable to hold its annual Studio Honors Fundraising Gala and Studio Birthday Party membership celebration due to the pandemic in 2020. Although in person events began to resume in 2021, fundraising impacts were still felt as the 2022 Honors Gala was again postponed due to a resurgence of Covid-19 cases. All membership renewal requests sent to supporters were halted in 2019 out of sensitivity to the financial strains being experienced by a large part of our audience because of the pandemic. The Studio has not pursued an annual membership drive, as was traditionally done prior to the shutdown, because of ongoing inflationary concerns. Admissions revenues dropped from a predicted income of \$102,200 in FY20-21 to actual revenue of \$28,879. Pre-pandemic, The Studio@620 approved operating budget was \$377,000. Following the pandemic our approved operating budget was set at \$302,705. Meanwhile the number of requests from performers and artists seeking opportunities to share their work and make a living has steadily increased as inflation builds. In response, The Studio has filled every available date on the calendar for the coming season. Increased minimum wages needed to attract help is another inflationary cost the organization must absorb. The increased use of amenities is resulting in greater wear and tear on the facility. Presenting events to the public on a near-daily basis hastens the need for facility for things to be acquired or replaced.

Proposal Description*

The American Rescue Plan Act requires a request that is reasonable and proportional to the level of economic impact your organization experienced. This means the request you describe below should not be greater than the economic harm your organization has suffered.

Please describe your purchase proposal and address the following:

- What will you be purchasing with these funds?
- What is the estimated lifespan of the purchase/improvement?
- How does it address the negative economic harm you described in the previous question?

The Studio@620 is requesting funds to replace venue seating, purchase banquet tables, floating walls to expand display area for art exhibits and provided added flexibility for staging productions, and to upgrade laptop computers and associated program subscriptions for staff. Venue seating currently in use is 18 years old and has exceeded its lifespan. New seating is expected to last at least 10 years and will greatly improve the audience experience during events. This will in turn support growth of admissions income with increased capacity. Guests will be more likely to return for additional programming after having a more comfortable experience resulting in admissions revenue growth. An improved experience of arts programming will spill over to donors being more likely to acquire or renew annual membership subscriptions.

Purchasing banquet tables will eliminate the expense of renting tables for fundraising events and vendor markets and will be an added amenity for private rentals making The Studio a more competitive option to potential clients. This will contribute to greater proceeds retained from such events and rentals. Floating walls will aid in expanded exhibit space allowing for inclusion of more artists and more artworks, potentially resulting in additional revenue from art sales. It will also enable greater flexibility within the venue for sectioning space as dressing rooms during theatrical productions or creating break out rooms for private event rentals and seminars. Tables and floating walls are expected to have a lifespan of at least 10 years. The three Studio staff members need upgraded laptop computers in order to work with greatest efficiency and effectiveness. Good internal communication is integral to all programming and fundraising endeavors. Computers are expected to have a lifespan of at least 5 years. Combined these items will ensure The Studio can maintain and expand its service to the community in years to come.

Guiding Principles - Client Impact*

The American Rescue Plan Act, which provides the funding for this grant program, aims to ensure an equitable recovery from the COVID-19 pandemic. The term “equity” is defined as:

The consistent and systematic fair, just, and impartial treatment of all individuals, including individuals who belong to underserved communities that have been denied such treatment, such as Black, Latino, and Indigenous and Native American persons, Asian Americans and Pacific Islanders and other persons of color; members of religious minorities; lesbian, gay, bisexual, transgender, and queer (LGBTQ+) persons; persons with disabilities; persons who live in rural areas; and persons otherwise adversely affected by persistent poverty or inequality.

One of the guiding principles of this fund is that it will apply a lens of equity to ensure the needs of specified priority populations are met.

Will this purchase benefit the community members defined above that have experienced disproportionate negative impacts from the COVID-19 pandemic? If so, how?

The Studio@620 strives to serve the entire community equitably. The Studio holds space on its calendar to accommodate requests to for programming that features artists and performers from across all demographics. The resulting audience for these programs is equally diverse.

The Studio@620 serves the LGBTQ and BIPOC communities by offering programming that reflects their viewpoints and supports equity and inclusion for all people. The Studio@620 has held recurrent Social Justice Discussion Series since its inception and relaunched its Social Justice Initiative in 2018 with an even greater focus on traditionally under-served communities.

The Studio@620 is adjacent to the location for annual St. Pete Pride celebrations and participates as a partner in supporting this specific group.

The Studio@620 partners with Green Book Tampa Bay and other organizations led by people of color and holds frequent programming featuring BIPOC artists and performers.

We serve individuals with low and fixed incomes by offering top quality arts programming at a low admission rate. Numerous events each month are offered for free, pay what you can or with ticket prices of \$5-\$10. No one is turned away for inability to pay if they care to participate.

The Studio@620 is committed to making its activities accessible to all persons. The board and staff respond to all inquiries and make all efforts to bring programming to persons of any ability.

The Studio@620 strives to make programming accessible to individuals with limited mobility. The Studio@620 performance space is wheelchair accessible through the front doors and bathrooms are fully wheelchair accessible as well. Studio staff ensures that stage areas and walkways are easily managed by individuals with walkers, canes, wheelchairs, or other mobility devices. Seating within the space is completely moveable so it is easy to immediately adapt a floor plan to accommodate additional wheelchairs or scooters as the need arises.

Number Served*

How many people will directly benefit from this capital purchase annually?

10000

Unduplicated vs. Duplicated*

Is the number indicated above duplicated or unduplicated?

Duplicated: A client is counted each time they access services

Unduplicated: A client is counted once, regardless of the number of times they access services

Example: ABC Food Bank operates two mobile food pantries, one in Clearwater and one in St. Petersburg. Taylor, a Pinellas County resident, goes to both food pantries. If ABC Food Bank counts Taylor's visit TWICE, it is **duplicated**. If ABC Food Bank counts Taylor's visit ONCE, it is **unduplicated**.

Other (Explanation Required Below)

Other (Explanation Required)

If you selected "Other" in the previous question, please explain how your organization determined the number of clients that will benefit from the proposed capital purchase.

The number of people that will benefit is a combination of duplicated and unduplicated individuals. Some performers and audience will return several times over the course of a year while others will only exhibit their work or attend an event once. The number of people impacted is assessed through number of artists paid and number of admissions sold or reservations made. With an average of 300 days of programming annually and an average audience size of 50 people at each event, the estimated impact on individuals could easily exceed 15,000 people. A far greater number is reached with the inclusion of social media and electronic marketing as the representation of underserved communities in the arts has an impact even on a passive level, although that is not factored into this estimate.

The American Rescue Plan Act (ARPA) prioritizes organizations that either have headquarters or carry out the majority of their operations inside Qualified Census Tracts (QCTs). QCTs are a standard method of identifying communities with a large proportion of low-income residents. The U.S. Department of Housing and Urban Development determines what areas qualify as QCT.

To assess if your organization serves or is headquartered in a QCT, use the following link:

https://www.huduser.gov/portal/sadda/sadda_qct.html

In the top right-hand corner, choose the state of Florida and Pinellas County. Then on the left-hand side of the screen, click the box next to “Color QCT Qualified Tracts.” The QCT zones are denoted in purple. You can also map your address by adding it into the address box at the top to see if your location is inside the zones.

Below, please provide the location of your operations and the location of your headquarters, if different.

The screenshot shows the HUD SADDa QCT map interface. At the top, there is an address input field labeled "Enter an Address, city, state or tract" with a "Go" button next to it. To the right of the address field are dropdown menus for "Florida" and "Pinellas". Below the address field, there are "Map Options" including "Clear", "Reset", and "Full Screen". A "QCT Legend" shows "Tract Outline" (blue line), "LIHTC Project" (house icon), and "2022 Qualified Census Tracts" (purple square). A "SADDa Legend" shows "FMR Boundary" (green line), "2022 Small DDA" (orange square), and "Non Metro DDA" (blue square). A red bar with the text "Hide the overview" is below the legend. Below this bar, a paragraph states: "The 2022 Qualified Census Tracts (QCTs) and Difficult Development Areas (DDAs) are effective January 1, 2022. The 2022 designations use data from the 2010 Decennial census. The 2021 designation methodology is explained in the federal Register notice published September 9, 2021". On the left side, there is a "Map Options" section with a "10 Current Zoom Level" and several checkboxes: "Show Difficult Development Areas (Zoom 7+)", "Color QCT Qualified Tracts (Zoom 7+)", "Show Tracts Outline (Zoom 11+)", "Show FMR Outlines (Zoom 4+)", and "Show LIHTC Projects (Zoom 11+)". A red arrow points to the "Color QCT Qualified Tracts (Zoom 7+)" checkbox. Below the checkboxes is a link "Click here for full screen map". Underneath is a "Select Year" section with radio buttons for "2022" (selected) and "2021". The main map area shows a map of the Tampa Bay area with purple shaded areas representing QCTs. A red pin is placed on the map near Clearwater. The map has "Map" and "Satellite" tabs at the top. The Google logo is at the bottom left of the map. At the bottom right of the map, there is text: "Keyboard shortcuts Map data ©2022 Google, INEGI Terms of Use Re".

Community Connection

This section aims to capture general demographic data about your organization and to see how you engage with and represent the community you serve. PCF has generalized the demographic data questions more than it has in other processes because of the public nature of this process. PCF understands that identity disclosure can be a sensitive matter, and wants to respect your organization's board and staff. If your organization feels comfortable sharing more detailed demographic information, it may do so in the "Community Representation and Connection" section.

Community Representation and Connection*

Describe how your organization is representative of, or has authentic connections to, the community your proposal seeks to serve. You can list other community-based organizations that work on programming with you and/or list examples of your work within this community.

Ages of staff and board members range from young adults in their 20s to older individuals close to retirement age and everything in between. Education levels of staff and board range from high school to undergraduate degrees to advanced degrees. Volunteers are similarly diverse and range in ethnicity, age and level of education.

The organization partners with several community groups that serve BIPOC and LGBTQ demographics such as Green Book Tampa Bay and St. Pete Pride. Select programming is geared towards seniors (i.e. Radio Theatre Project) and under-served student populations through Pinellas County Public Schools. Sole Source*

In some cases, a proposed small purchase is only available from a single vendor, and as such, only one bid/estimate can be uploaded. If this is the case for your organization, please explain in the field below. Otherwise, write "N/A" below.

n/a

Related Parties*

Are any of the contractors/vendors that have provided bids/estimates a related party to your organization?

Examples of Related Parties

- A board member that owns the contracting company that provided a bid
- The relative of a director, officer, or executive team member owns a company that provided an estimate
- The CEO of the applying organization has a financial interest in the construction company providing a bid

If **yes**, identify the vendor and describe the relationship.

If **no**, write "No related parties below."

No related parties.

Budget Summary*

Please use **THIS TEMPLATE** to indicate costs and any cash match your organization may have for the proposed purchases. Note: this spreadsheet will automatically round numbers to make it easier to read for committee members.

Please note that indirect costs are not permitted for small purchases.

If you have additional notes to add to your budget summary, you may do so in the text box below.

ARPA Small Purchases Studio620 budget.xlsx

Bids .pdf shows a range of prices with various options available, the budget spreadsheet reflects the cost of preferred choices which could be adjusted if funding amount awarded did not match full amount requested.

Other Funding Sources*

Please describe any other funding not already mentioned that your organization has applied for or obtained for this purchase.

This includes but is not limited to Community Block Development Grants (CBDG), local government grants (including Tourist Development Council funding), foundation grants, and private donors (you do not need to disclose donor identities but simply indicate the amount raised for this purchase). This includes any matching grants or in-kind contributions you may have obtained.

Please be sure these other funding sources are represented in the "Applicant Match" column in the budget summary uploaded above.

The Studio@620 has not yet applied to any other funding sources for this purchase. Typically other funding requests are focused on operational costs such as salaries, rent, insurance and other overhead expenses.

Changes in Operating Costs*

Please answer this question based on the descriptions below:

- If this project **increases** ongoing operational costs (programmatic, operating maintenance or other costs), how will you compensate for the difference?

- If this purchase **decreases** ongoing operating costs, how will it do so?
- If this purchase **does not affect** operating costs, please note so below.

Having the improved amenities - chairs, banquet tables, floating walls- will decrease operating costs as there will be less need to hire help for resetting seating in the space as new chairs will come with moving dollies. Having banquet tables will remove the cost of renting them for special events. Other items will not affect operating costs but will likely improve revenues.

Product Description

Premium Collection tablecloths by Lann's Linens. These are the same professional-grade, luxury tablecloths supplied for lavish events.

Constructed on a hydraulic loom from 180 GSM (grams per square meter) spun polyester, the result is a tightly woven, luxurious yet durable smooth-textured finish designed to resist staining and stretching for exceptional long-term wear and repeated use. This is the most-requested weight, since thinner material is prone to tears/stretch marks, and thicker material does not drape or hang as well from the table. The fine polyester fabric is extremely elegant, and each tablecloth will look fantastic after one use or many. Item is 100% brand new, first-run production.

Well-known within the national hospitality and restaurant industries, private wedding and banquet venues, and the party planning community, Lann's Linens is your trusted source for premium-quality, durable tablecloths that provide 5-star style at an affordable price.

It arrives wrinkled. The wrinkles are extremely difficult to get smoothed out.

The color, fit, and style if great. The permanent wrinkles are not so great. I've tried everything.

Love these!!

Reviewed in the United States on April 10, 2022

Size: 30 x 72 inches Color: White **Verified Purchase**

I bought white after already having black for a couple of years.. honestly I did try other brands but this is by far my favorite. Thick,washable,non-see through,wrinkle friendly and heavy duty! I've had black for about ten yrs and done great over the years with my four kids plus every type of party we've put them through so I wanted white for an upcoming 15ñera for a more classy look.. I made

the mistake to look elsewhere, was so disappointed with thinness and threading falling off I returned and came back to this brand. Recommend and trusted.. shipping was fast too with

It's perfect! It's a tiny bit see through but once you start to decorate or set your table you

won't even notice, the picture is of it right out of the package but I threw it in the dryer on low and it got all the wrinkles out 😊

Great for any event. Good quality.

Used them the day they were delivered. I definitely had to iron but didn't have time. Picture above shows how they look out of package. After washing on delicate and light dry, I still needed to iron. Cleaning them is easy. Warm water and oxyclean worked well for me. Mine 2 are on raised tables, 4in, and the length worked just fine. The fit is spot on and the quality is as well. Will be purchasing 2 more very soon.

Clean looking and a nice fit.

Reviewed in the United States on July 25, 2019

Size: 30 x 72 inches Color: White **Verified Purchase**

The tablecloth fit our table exactly and gave it a nice clean look. It covered the top and 4 sides without dragging on the floor. It does come wrinkled, so you will have to get out the iron.

A blue slushy was spilled on the tablecloth while at an event, but I just poured some water on it, rubbed the cloth together, and it came right off. We machine washed the tablecloth when we got home as well. Quality appears well made with canvas like cloth.

Love these tableclothes

Reviewed in the United States on April 24, 2019

Size: 30 x 72 inches Color: White **Verified Purchase**

As a caterer, table clothes are a staple of our business. They live in a harsh environment. Weddings, trade shows, parties etc. We have spent several years finding the best solution for a return on investment. Price point compared to quality, longevity and customer service comes into play. We believe that the best bang for our buck is purchasing from Lann's Linens. We are not paid for this review in any way, we just feel this is our best option...hands down.

Great customer service, nice price, great quality and fast delivery. We will be purchasing more as needed.

Mike

† Education pricing is available to current and newly accepted college students and their parents, as well as faculty, staff, and homeschool teachers of all grade levels. For more information, visit apple.com/us-hed/shop.

* Monthly pricing is available when you select Apple Card Monthly Installments (ACMI) as payment type at checkout at Apple, and is subject to credit approval and credit limit. Financing terms vary by product. Taxes and shipping are not included in ACMI and are subject to your card's variable APR. See the Apple Card Customer Agreement for more information. ACMI is not available for purchases made online at special storefronts. The last month's payment for each product will be the product's purchase price, less all other payments at the monthly payment amount.

◇ Apple Card Monthly Installments (ACMI) is a 0% APR payment option available only in the U.S. to select at checkout for certain Apple products purchased at Apple Store locations, apple.com, the Apple Store app, or by calling 1-800-MY-APPLE, and is subject to credit approval and credit limit. See <https://support.apple.com/kb/HT211204> for more information about eligible products. Variable APRs for Apple Card other than ACMI range from 13.24% to 24.24% based on creditworthiness. Rates as of August 1, 2022. If you choose the pay-in-full or one-time-payment option for an ACMI-eligible purchase instead of choosing ACMI as the payment option at checkout, that purchase will be subject to the variable APR assigned to your Apple Card. Taxes and shipping are not included in ACMI and are subject to your card's variable APR. See the Apple Card Customer Agreement for more information. ACMI is not available for purchases made online at the following special stores: Apple Employee Purchase Plan; participating corporate Employee Purchase Programs; Apple at Work for small businesses; Government, and Veterans and Military Purchase Programs, or on refurbished devices. iPhone activation required on iPhone purchases made at an Apple Store with one of these national carriers: AT&T, Sprint, Verizon, or T-Mobile.

To access and use all the features of Apple Card, you must add Apple Card to Wallet on an iPhone or iPad with the latest version of iOS or iPadOS. Update to the latest version by going to Settings > General > Software Update. Tap Download and Install.

Available for qualifying applicants in the United States.

Apple Card is issued by Goldman Sachs Bank USA, Salt Lake City Branch.

◇◇ Trade-in values will vary based on the condition, year, and configuration of your eligible trade-in device. Not all devices are eligible for credit. You must be at least 18 years old to be eligible to trade in for credit or for an Apple Gift Card. Trade-in value may be applied toward qualifying new device purchase, or added to an Apple Gift Card. Actual value awarded is based on receipt of a qualifying device matching the description provided when estimate was made. Sales tax may be assessed on full value of a new device purchase. In-store trade-in requires presentation of a valid photo ID (local law may require saving this information). Offer may not be available in all stores, and may vary between in-store and online trade-in. Some stores may have additional requirements. Apple or its trade-in partners reserve the right to refuse or limit quantity of any trade-in transaction for any reason. More details are available from Apple's trade-in partner for trade-in and recycling of eligible devices. Restrictions and limitations may apply.

◇◇◇ Qualified Purchasers receive an Apple Gift Card when they purchase an eligible Mac or iPad at a Qualifying Location. Only one Apple Gift Card per eligible Mac or iPad per Qualified Purchaser. Offer subject to availability. While supplies last. Qualified Purchasers shall receive a discount equal to the value of the Apple Gift Card off the price of the eligible Mac or iPad, but will be charged for all items in their cart, including the Apple Gift Card. Important notice regarding the checkout receipt and monthly statement for Apple Card Monthly Installment (ACMI) purchases with this promotion: Qualified Purchasers selecting ACMI (a 0% APR payment option) as payment type at checkout shall receive a discount equal to the value of the Apple Gift Card off the price of the eligible Mac or iPad. This will result in one ACMI installment plan over 12 months for the eligible iPad or Mac discounted by the instant credit, and a second ACMI installment plan over 12 months for the full price of the Apple Gift Card. The total combined amount charged over the two separate ACMI installment plans will reflect the original full retail price of the Eligible Product. Separately, Qualified Purchasers will receive and be charged for the Apple Gift Card in the amount of the applicable discount off the eligible Mac or iPad. ACMI is subject to credit approval and credit limit. Variable APRs for Apple Card other than ACMI range from 13.24% to 24.24% based on creditworthiness. Rates as of August 1, 2022. If you choose the pay-in-full or one-time-payment option for an ACMI-eligible purchase instead of choosing ACMI as the payment option at checkout, that purchase will be subject to the variable APR assigned to your Apple Card. Taxes and shipping are not included in ACMI transactions and are subject to your standard purchase APR. See the Apple Card Customer Agreement at <https://www.goldmansachs.com/terms-and-conditions/Apple-Card-Customer-Agreement.pdf> for more information. ACMI is not available for purchases made online at the following special stores: Apple Employee Purchase Plan; participating corporate Employee Purchase Programs; Apple at Work for small businesses; Government, and Veterans and Military Purchase Programs, or on refurbished devices. Apple Card is issued by Goldman Sachs Bank USA, Salt Lake City Branch. Available for qualifying applicants in the United States. If you reside in the U.S. territories, please call Goldman Sachs at 877-255-5923 with questions about accessing this offer or applying for Apple Card. This offer cannot be combined with the Apple Employee Purchase Plan or business loyalty pricing. Availability of in-store promotion offerings may be limited by Apple Store location closures as a result of COVID-19. Additional restrictions apply. View full terms and conditions of offer here.

1. Available space is less and varies due to many factors. A standard configuration uses approximately 10GB to 13GB of space (including iPadOS and preinstalled apps) depending on the model and settings. Preinstalled apps use about 4GB, and you can delete these apps and restore them. Storage capacity subject to change based on software version and may vary by device.

2. Data plan required. 5G is available in select markets and through select carriers. Speeds vary based on site conditions and carrier. For details on 5G support, contact your carrier and see apple.com/ipad/cellular.

3. Testing conducted by Apple in March 2021 using preproduction iPad Pro 11-inch (3rd generation) and iPad Pro 12.9-inch (5th generation) units and software. Testing consisted of full battery discharge while performing each of the following tasks: video playback and Internet browsing using Wi-Fi or cellular data network (cellular models subscribed to LTE and 5G carrier networks). Video content was a repeated 2-hour 23-minute movie purchased from the iTunes Store. Internet over Wi-Fi and cellular data network tests were conducted using dedicated web servers, browsing snapshot versions of 20 popular web pages. All settings were default except: Wi-Fi was associated with a network (except for Internet browsing over cellular data network); the Wi-Fi feature Ask to Join Networks and Auto-Brightness were turned off; Brightness was set to 50%; and WPA2 encryption was enabled. Battery life depends on device settings, usage, network, and many other factors. Battery tests are conducted using specific iPad units; actual results may vary.

◊◊ This promotional Apple Education Pricing on AppleCare+ is available for eligible products purchased during the promotional period only and cannot be combined with non-promotional Apple Education Pricing. AppleCare+ attached to eligible products outside of the promotional period is not eligible for this promotional rate. This promotional AppleCare+ Education Pricing is applicable only to two-year paid upfront AppleCare+ for iPad and three-year paid upfront AppleCare+ for Mac and is not applicable to any recurring payment AppleCare+ plans.

Apple Education Pricing is available to current and newly accepted university students and their parents, as well as teachers and staff at all levels. Quantity limits apply.

◊ Apple Card Monthly Installments (ACMI) is a 0% APR payment option available only in the U.S. to select at checkout for certain Apple products purchased at Apple Store locations, apple.com, the Apple Store app, or by calling 1-800-MY-APPLE, and is subject to credit approval and credit limit. See support.apple.com/kb/HT211204 for more information about eligible products. Variable APRs for Apple Card other than ACMI range from 13.24% to 24.24% based on creditworthiness. Rates as of August 1, 2022. If you choose the pay in full or one time payment option for an ACMI eligible purchase instead of choosing ACMI as the payment option at checkout, that purchase will be subject to the variable APR assigned to your Apple Card. Taxes and shipping are not included in ACMI and are subject to your card's variable APR. See the Apple Card Customer Agreement for more information. ACMI is not available for purchases made online at the following special stores: Apple Employee Purchase Plan; participating corporate Employee Purchase Programs; Apple at Work for small businesses; Government, and Veterans and Military Purchase Programs, or on refurbished devices. iPhone activation required on iPhone purchases made at an Apple Store with one of these national carriers: AT&T, Sprint, Verizon, or T-Mobile.

** Trade-in values will vary based on the condition, year, and configuration of your eligible trade-in device. Not all devices are eligible for credit. You must be at least 18 years old to be eligible to trade in for credit or for an Apple Gift Card. Trade-in value may be applied toward qualifying new device purchase, or added to an Apple Gift Card. Actual value awarded is based on receipt of a qualifying device matching the description provided when estimate was made. Sales tax may be assessed on full value of a new device purchase. In-store trade-in requires presentation of a valid photo ID (local law may require saving this information). Offer may not be available in all stores, and may vary between in-store and online trade-in. Some stores may have additional requirements. Apple or its trade-in partners reserve the right to refuse or limit quantity of any trade-in transaction for any reason. More details are available from Apple's trade-in partner for trade-in and recycling of eligible devices. Restrictions and limitations may apply.

To access and use all the features of Apple Card, you must add Apple Card to Wallet on an iPhone or iPad with the latest version of iOS or iPadOS. Update to the latest version by going to Settings > General > Software Update. Tap Download and Install.

Works like a charm!

Bought this for our church maintenance guy. He uses it primarily to move chairs but also found the extra large lip size is great for moving large trash containers.

Bob Devin Jones awarded key to the city

Thursday's meeting of the St. Petersburg City Council included a brief ceremony in which writer, actor, director and arts activist Bob Devin Jones was awarded the Key to the City by Mayor Rick Kriseman.

"I can't think of a person more deserving to have the key to the city," council member Gina Driscoll said to Jones during the in-chamber presentation, "because you have been the key to making St. Petersburg a city of the arts."

Kriseman said that Jones, who arrived in the city from his native Los Angeles in the mid 1990s, "helped transform St. Petersburg into a creative center where creativity and artistic expression are encouraged and enjoyed by the residents of, and the visitors to, St. Petersburg."

As the co-founder and artistic director of [thestudio@620](#), Jones has helped mentor and shape the careers and success stories of actors, dancers, musicians and artists. "And," Kriseman said, "he has served on a great number of boards and committees, always giving of his time and talent to

help creative causes.”

Kriseman noted the presence of dozens of Jones’ friends and admirers gathered on the steps of City Hall, in support of the council’s newest honoree.

“St. Petersburg is a better place because of Bob,” the mayor said, noting that the strength and vision of the individual people are what make a city great. “He is the person that we want St. Pete to be known for. And known as. He represents everything that’s good about St. Pete.”

An emotional Jones accepted his key with a brief speech. “I came to St. Pete, saw nothing but opportunity, and acceptance, and joy, and challenge, and somehow – in my now 66 years on the planet – I rose to that challenge,” he said. “And I’m deeply, deeply grateful for this.”
