**Example:** ABC Charity has only expended \$1,000 this week on program personnel while our food pantry was open. ABC Charity buys its food in bulk on the 15th of every month, and therefore there will be an uptick in expenditure that week.

\$14,250 was spent on federal audit for FY20-21.

The Remaining 34k was expensed on food supplies to supply our program the items we needed to pack the boxes for the kids.

## Client Story\*

Please give the true story of a client served this month by your programming. You may change identifying details. This allows us to connect to your programming on an emotional level.

One mother had been a victim of domestic violence and had no money, living in subsidized housing. She struggled to pay the minimum bills and couldn't afford enough food to feed her child enough food. She heard about MOW4Kids and signed up immediately. Through our program she has been chosen to receive a scholarship for school, she is now a leadership ambassador for Federal SNAP research TBNEH is partnering with others to conduct focus groups. This mom is helping lead the focus groups as someone who has lived experience and could help the other focus group members feel comfortable about sharing their experience with SNAP. This mom is also the star of our promo video we are using to help tell our story!
