Please briefly explain the spending activities from October 18 to 24, 2020. If you have not expended any funds, please explain why.

Example: ABC Charity has only expended \$1,000 this week on program personnel while our food pantry was open. ABC Charity buys its food in bulk on the 15th of every month, and therefore there will be an uptick in expenditure that week.

Baby Talk Academy (BTA) was offered twice this week, once during the day and one in the evening. BTA is a parenting education course designed to provide information and support to parents of infants and toddlers about how to provide the nurturing, structure and guidance to develop: fostering strong parent-child relationships, supporting children's optimum development, enhancing school readiness skills, strengthening children, families and community.

Preparation for the upcoming Baby Hours ensued to create opportunities to commune with parents and caregivers live for sessions on infants and toddlers designed for all. Baby Hours provide information, support and connection to parents and caregivers during COVID.
