## Brief Spending Narrative\*

Please briefly explain the spending activities from October 4 to 10, 2020. If you have not expended any funds, please explain why.

**Example:** ABC Charity has only expended \$1,000 this week on program personnel while our food pantry was open. ABC Charity buys its food in bulk on the 15th of every month, and therefore there will be an uptick in expenditure that week.

This week the Family Study Center provided several new components to the project to include the Parent Cafe model and the Baby Talk Academy.

Parent Cafés offer opportunities for families to come together, discuss the ups and downs of life and parenting and give or seek support from one another during this stressful time. Baby Talk Academy (BTA) is a parenting education course especially adapted to support parents and caregivers during the COVID crisis. BTA provides information and support to parents of infants and toddlers about how to provide the nurturing, structure and guidance to support their children to develop: strong parent-child relationships, support children's optimum development and strengthen children, families and community.
