Please briefly explain the spending activities from December 13 to 19, 2020. If you have not expended any funds, please explain why.

Example: ABC Charity has only expended \$1,000 this week on program personnel while our food pantry was open. ABC Charity buys its food in bulk on the 15th of every month, and therefore there will be an uptick in expenditure that week.

This week we offered:

~ Baby Talk Academy to parents of infants and toddlers about how to provide the nurturing, structure and guidance to develop: fostering strong parent-child relationships, supporting children's optimum development, enhancing school readiness skills, strengthening children, families and community.

~Baby Hours to parents to provide information, support and connection to parents and caregivers wanting new ways to revive their parenting during COVID. Parents had the opportunity to reach out to other parents who are meeting the challenge of parenting during this time.

~Parent Café's to build community capacity in the delivery of programming for parents to connect with their children, culture and community.
