The March 2021 expenses include payments to subcontracts for work done throughout the length of the project, including Pinellas County Urban League and Barbara Stroud. Additionally, there was personnel expenses for Sue Girling, Serina Lewis, and Lisa Negrini.

Client Story*

Please give the true story of a client served this month by your programming. You may change identifying details. This allows us to connect to your programming on an emotional level.

Ms. S, a pregnant mom with a toddler at home, had taken part in the Baby Talk week activities and indicated her interest in follow-up contacts. She received a visit from a parent whisperer who delivered diapers, milk, and concrete supplies, including a gift card so the mom could take care of some meals for the week. She spent some time chatting with the parent whisperer both about the pregnancy and about some stresses she had experienced over the past week.
