## Brief Spending Narrative\*

Please briefly explain the spending activities from September 6 to 12, 2020. If you have not expended any funds, please explain why.

**Example:** ABC Charity has only expended \$1,000 this week on program personnel while our food pantry was open. ABC Charity buys its food in bulk on the 15th of every month, and therefore there will be an uptick in expenditure that week.

The decision to award the funds to the family studies center was made on Thursday September 10th, in the late afternoon. On Friday we began to make plans on how to implement the program the next week so only a nominal amount of time was spend on the project on Friday so no funds were spend on that day.
