## Guiding Principles\*

One of the guiding principles of this fund is that it will apply a lens of equity to ensure the needs of specified priority populations are met.

**From the priority populations you have indicated above, please explain to what extent one or more these populations are involved in the creation, design, and impact of your organization (or this specific project).**

Youth Making Economic Impacts (YMEI pronounced Why Me)-Communities Overcoming Virus that's Impacting Developments (COVID) Project, was created and implemented to provide assistance to youth, whom are mentally impacted by the COVID-19 pandemic. The youth population served, are those of low income families and individuals of color. Unfortunately and sadly, this youth population falls within the high risk category of those most affected and impacted by COVID-19. Prior to COVID-19, youth were already experiencing the ramifications of economic, health, and social disparities and inequities in their communities; and since the onset of COVID-19, youths' mental state in attempting to adjust/cope with "expressed stress" ignited by COVID-19 impacts of social distancing, limited activities and events, unemployment/joblessness, health issues and concerns, education, and basic necessities, has skyrocketed, and has created an immediate-urgent need for mental health social services .

## Length of time operating program/project\*

Please briefly explain how long you have been operating the program or project for which you are requesting funds. **This funding is for expansion of existing programming or sustaining an existing expansion to meet community needs.**

The (YMEI-COVID) Project, an extension of the original 2016 (YMEI) Program, launched in July 2020. Scheduled to begin earlier, the Project's timeline was modified due to COVID-19, and the impact it created for urgent need of relief and assistance.

## Service Area\*

In which areas of the county do you physically provide services?

South County (locations such as St. Petersburg, Lealman, Kenneth City)

## Impact on Organization\*

What has been the impact of the coronavirus/COVID-19 on the services of your organization? (Example: inability to provide enough food, unable to provide behavioral health sessions, lack of volunteerism, etc.)

The Coronavirus-COVID-19 pandemic has severely impacted the Front Porch organization and its operations. Prior to COVID-19, the organization pride itself on providing interpersonal/interactive programs and projects, which bridge gaps in connecting youth to unlimited resources and opportunities, specifically as

it relates to financial and economic sustainability, health and health equity, and . These efforts were conducted through community and social events; group volunteerism; personal interaction, networking; and travel. Since February, at the onset of COVID-19, the number of program and project implementations has drastically declined (75%), due to the overwhelming reduction in funding for programs and projects requiring interpersonal activities. As a small nonprofit organization, with very limited capacity, the impact of COVID-19 has made it both difficult and challenging for the organization to maintain and sustain its programmatic operations. CDC's recommended safety requirements of social distancing, face masks, group size limitations, and restricted activities and events, continues to contribute to the rapid decline in resources and opportunities the organization normally provides to target demographics within the community. Understanding how vital and essential these programs/projects are, specifically for youth, the organization is utilizing alternatives (i.e. zoom, virtual powerpoint presentations, webinars, facebook group chats, microsoft team, and Asana app-to name a few), to assist our youth, our future leaders, overcome the many emotional and financial obstacles and challenges, brought on by COVID-19. Challenges include overcoming indicators initiated by stress, i.e. depression, anxiety, boredom, isolation, despair, confusion, fatigue, and hopelessness. Adding the Behavioral Health Component to the Project allows Front Porch the opportunity to uphold their mission, in addition to continuing the longevity of investing in youth, our future leaders.

## ***Fiscal Accountability***

---

### **Federal Fund Disclosure\***

**If your organization is awarded this grant, you may be considered a subrecipient of federal funding. THEREFORE, if you are deemed a subrecipient and your organization reaches a threshold of having spent more than \$750,000 in federal funding this fiscal year (this INCLUDES other federally funded programs), it will be subject to requirements of the Federal Single Audit Act. This will require your organization to comply with Federal Compliance Requirements and may necessitate additional expenses for your organization and you should prepare for this.**

**It is advisable that you contact a certified public accountant (CPA) or other professional for guidance.**

Yes, my organization understands and assumes all liabilities/costs in regards to federal funding.

### **Audited Financial Statements\***

Does your organization routinely contract to have an audit conducted of its financial statements?

No

### **Most Recently Filed IRS Form 990\***

Please upload a copy of the organization's most recently filed IRS Form 990. **This is absolutely required.**

Completed-Signed 2019 990EZ Form Sched. A & 0.pdf

### **Board-Approved Budget\***

Please upload your most recently board-approved budget for this fiscal year in PDF format.

Total\_Agency\_Budget\_FY\_2019-2021-Projected.pdf

## ***No Audited Financial Statements***

---

### **Explanation for Lack of Audit\***

Please briefly explain why your organization does not annually have an independent audit conducted. If you have any documentation, such as financials statements, or a letter from a CPA explaining the lack of an audit, you may upload it here in PDF format.

Front Porch Balance Sheet & PL 2019.pdf

Although the Front Porch organization has been in existence over 20 years, many of those years were financially sustained primarily through state funding and resources. The cost of several audits were included in the funding. However, the last audit conducted was in 2007, and due to transitioning from a "brick and mortar" to a home based business operation, files and records have been misplaced, destroyed, or in storage. With the above stated, the organization understands how valuable and beneficial it is to have annual audits conducted, and has made numerous unsuccessful attempts to do so. If funding is approved, a portion (up to 50%) of the 10% Agency/Administrative Fee, will be utilized towards an audit to be conducted in early 2021.

## ***Expansion or Sustaining of Exact Programming Funded by Another Source***

---

### **Existing Contract**

If you are applying for funding to expand and/or sustain COVID-19 response programming that has already been funded by another source, please upload that contract here and provide a brief description of the funding source and relationship with the funder. Please note that any costs funded by another source are not allowed to be included in this application. Only the costs that are required to expand or sustain programs in excess of that funding will be considered for the purposes of this application.

Tampa Bay Resiliency Grant Terms & Budget.pdf

The Youth Making Economic Impacts-Communities Overcoming Virus that's Impacting Developments (YMEI-COVID) Project, was funded (May 2020) in part by Pinellas Community Foundation, by a grant provided through the Tampa Bay Resiliency Fund-COVID-19 Response. (Refer to attachment). The budgeted items presented in this application ONLY include cost as it relates to the extension of services (due to COVID-19), of adding a Behavioral Health Component to the Project. Funding is only being requested for activities within the extended Component, which were not inclusive of the originally scheduled activities of the Project.

## ***Funding and Usage***

---

### **Client Service Delivery\***

Briefly describe the services to be delivered under the programming for which you are requesting funding. Please include when and where the services will occur, how the target population will access the services, and the length

of time the services will be provided. **Please specify the zip codes of participants. If not available, specify the zip codes of service delivery points.**

The Front Porch (YMEI-COVID) Project-Behavioral Health Component will address the behavioral health needs of the community to promote good mental health and resiliency in light of increased isolation and stress.

The Project will serve (19) Youth Participants (13-17 years of age) residing in Zip Codes: 33701, 33705, 33711, and 33712

(9) virtual 1 hour weekly sessions on dealing with depression, isolation, hopelessness, detachment, stress, and other emotional and mental issues the 19 youth participants are experiencing as a result of COVID-19.

Timeline: October (4 sessions), November (3 sessions), and December (2 sessions) All sessions will be completed no later than December 15, 2020.

Virtual Cohen Perceived Stress Scale Evaluations with all (19) (YMEI-COVID) youth project participants. The (3) (PSS) will be conducted simultaneously during (3) of the (RCSWI) sessions. Timeline: (1) October-Initial (PSS); (1 session), November-Mid Term (PSS); and (1 session) December-Final (PSS)

## Communication/Outreach and Community Engagement Efforts\*

In what ways is your organization marketing and communicating its available programming to the community it serves? How will you ensure that your target population is aware of your services and utilizes them?

The Front Porch organization has existed since 1999, and during this time has invested and administered over thousands of dollars, in excess of 20 youth programs focusing on education and economic opportunities. The latest addition is the Youth Making Economic Impacts-Communities Overcoming Virus that's Impacting Developments (YMEI-COVID) Project, an extension to the Youth Making Economic Impacts (YMEI pronounced Why Me) Program, which originated in 2016. Since its launching over 2 years ago, (YMEI) has expanded with the additions of projects as: (YMEI-CENSUS 2020) and the present (YMEI-COVID) project. The above has been stated to emphasize the presence and stability the organization has in the community, which greatly simplifies marketing and promotional efforts, and minimizes costs. Testimonials from previous program and project participants through word of mouth; social media tools and resources; informational flyers; and brief announcements during virtual presentations, are currently being utilized to assist with promotion and recruitment efforts. Additionally, all Consulting Services as it relates to the (YMEI-COVID) Project-Behavioral Health Component, are being provided by community rooted professionals and organizations, whom are well known within the communities they serve, and not only have friends and family members, but also have a large community base audience to advertise and promote the Project, which is very effective, and produces positive results.

## Hurricane Preparedness\*

If a hurricane-related emergency were to strike Pinellas County this year and cause an interruption in your organization's normal programming, how would you return to offering the programming, and continue to spend awarded funds from this grant?

**There is an expectation that your programming will be able to continue in the event of a hurricane-related emergency.**

***If your organization has a COOP (Continuity of Operations Plan), you may upload it here instead of providing a text answer. You may redact sensitive information from your organization's COOP.***

Fortunately, 98% of the Project is designed to be implemented remotely (virtually), however in the case of a hurricane-related emergency, the Front Porch organization would continue to move forward and complete the measurable objectives of the Project by alternate communication tools such as: group cell phone conference calls and cell phone webinars; and for possible in person presentations, utilization of a safe haven location/facility, operating on a high powered and proficient generator, where safety for all will be enforced, (i.e. adequate social distancing; mandatory face masks/coverings, hand sanitizer and disinfecting spray provided, and temperature checks prior to entering).

### **Evidence of Insurance Coverage\***

Grantees of the Pinellas CARES Nonprofit Partnership Fund will be required to maintain appropriate insurance to cover the services proposed in this application. PCF will determine whether this coverage is appropriate.

Please upload evidence of insurance policies that cover the programming for which your organization is requesting funds.

**If there is no insurance coverage for this programming, please provide an explanation as to why.**

### **Insurance Requirement\***

**If you are awarded a contract for the Pinellas CARES Nonprofit Partnership Fund, you will be required to list Pinellas Community Foundation as an additional insured through your general liability insurance. If you would like to begin this process now, please contact your general liability insurance carrier.**

**Here is the information for your carrier:**

The Budget Summary and Budget Narrative sections are absolutely critical to a successful application. ## Behavioral Health

---

This grant will require weekly reporting on the following measures:

- Number of individuals receiving **COVID-19-related behavioral health services** by in person, telehealth, or telephone by zip code of participant or service delivery point (participant zip code is preferred)

This grant will require monthly reporting on the following measures:

- **Percentage of target met** of the projected number of people receiving **COVID-19-related behavioral health services** by in person, telehealth, or telephone.
- **Monthly Progress Rate** as defined by your measurement and methodology specified below

### Affirmation of Reporting\*

I affirm that my organization is capable of providing weekly and monthly reports on the above measures.

Yes

## Measurement - Behavioral Health\*

The Pinellas CARES Nonprofit Partnership Fund understands that behavioral health involves several dimensions of clinical need and organizational infrastructure.

For the purpose of this grant, applicants are asked to select **ONE** robust measure of progress that can be validly measured on a monthly basis. Please describe the instrument that you are going to use and how the results are interpreted to indicate progress.

Measure of progress of the youth participants of the (YMEI-COVID) Project-Behavioral Health Component, will be determined by utilizing the Cohen Perceived Stress Scale, which will be facilitated and administered by a Licensed Mental Health Counselor (LCSW), representing one of the project's collaborative organizations-FulCourt LLC. The Perceived Stress Scale (PSS) is the most widely used psychological instrument for measuring the perception of stress. It is a measure of the degree to which situations in one's life are appraised as stressful. Items were designed to tap how unpredictable, uncontrollable, and overloaded respondents find their lives. Questions in the PSS ask about feelings and thoughts during the last month. In each case, respondents are asked how often they felt a certain way. The scale also includes a number of direct queries about current levels of experienced stress. The PSS was designed for use in community samples with at least a junior high school education.

## Methodology\*

Please state how you will define and document a **monthly** Progress Rate for all clients in the program based on the selected behavior change measure(s) specified above.

**Monthly Projected Progress Rate (%):** Using the definition of progress described above, project the percentage of progress achieved on a monthly basis.

Questions in Perceived Stress Scale (PSS), ask the individual (youth) about their feelings and thoughts during the last month. In each case, the individual (youth) will be asked to indicate by circling/responding how often they felt or thought a certain way. They have (5) selections to choose from: 0=Never; 1=Almost Never; 2=Sometimes; 3=Fairly Often; and 4=Very Often. There are a sequence of (10) questions, all referring to the last month, in which each question is individually scored by the response selected.

PSS scores are obtained by reversing responses (e.g., 0 = 4, 1 = 3, 2 = 2, 3 = 1 & 4 = 0) to the four positively stated items (items 4, 5, 7, & 8) and then summing across all scale items. A short 4 item scale can be made from questions 2, 4, 5 and 10 of the PSS 10 item scale.

Youth participants will complete the (PSS) on a monthly basis, with the initial Scale scheduled to take place early October. The second Scale will follow in November within 30 days-4 weeks of last Scale, and the third and final Scale will be completed by mid December.

All results will be timely documented and provided to the Project Coordinator, who will provide a summarized report, inclusive of monthly (PSS) results, to (PCF) as required.

## INSURED'S EFFECTIVE AND TERMINATION DATES

**Effective Date.** An Insured's coverage under this Policy begins on the latest of: (1) the Policy Effective Date; (2) the date for which the first premium for the Insured's coverage is paid; or (3) the date the person becomes a member of an eligible class of persons as described in the Classification of Eligible Persons section of the Master Application.

A change in an Insured's coverage under this Policy due to a change in his or her eligible class or Covered Activity becomes effective on the later of: (1) when the change in his or her eligible class or Covered Activity occurs; or (2) if the change requires a change in premium, the date the first changed premium is paid. However, a change in coverage applies only with respect to accidents that occur once the change becomes effective.

**Termination Date.** An Insured's coverage under this Policy ends on the earliest of: (1) the date this Policy is terminated; (2) the end of the period for which premiums have been paid, or (3) the date the Insured ceases to be a member of any eligible class(es) of persons as described in the Classification of Eligible Persons section of the Master Application.

Termination of coverage will not affect a claim for a covered loss that occurs either before or after such termination if that loss results from an accident that occurred while the Insured's coverage was in force under this Policy.

## **PREMIUM**

**Premiums.** Premiums are payable to the Company at the rates and in the manner described in the Premiums section of the Master Application. The Company may change the required premiums as a condition of any renewal of this Policy. The Company may also change the required premiums at any time when any change affecting rates is made in this Policy. (Any such change in this Policy will not take effect until any required additional premium is received by the Company, except as otherwise agreed to in writing by the Company and the Policyholder.)

## BENEFITS

**Maximum Amount.** As applicable to each Benefit provided by this Policy for each Insured, Maximum Amount means the amount shown as the maximum amount for that Benefit for the Insured's eligible class in the Benefit Schedule, subject to the Reduction Schedule shown below.

**Reduction Schedule.** The Maximum Amount used to determine the amount payable for a loss will be reduced if an Insured is age 70 or older on the date of the accident causing the loss with respect to any of the following Benefits provided by this Policy: Accidental Death Benefit, Accidental Dismemberment Benefit. The Maximum Amount is reduced to a percentage of the Maximum Amount that would be used if the Insured were under age 70 on the date of the accident, according to the following schedule:

AGE ON DATE OF ACCIDENT	PERCENTAGE OF UNDER-AGE-70 MAXIMUM AMOUNT
70 - 74	65%
75 - 79	45%
80 - 84	30%
85 and older	15%

Premium for an Insured age 70 or older is based on 100% of the coverage that would be in effect if the Insured were under age 70.

"Age" as used above refers to the age of the Insured on the Insured's most recent birthday, regardless of the actual time of birth.

**Accidental Death Benefit.** If Injury to the Insured results in death within 365 days of the date of the accident that caused the Injury, the Company will pay 100% of the Maximum Amount.

**Accidental Dismemberment Benefit.** If Injury to the Insured results, within 365 days of the date of the accident that caused the Injury, in any one of the Losses specified below, the Company will pay the percentage of the Maximum Amount shown below for that Loss:

For Loss Of	Percentage of Maximum Amount
Both Hands or Both Feet.....	100%
Sight of Both Eyes.....	100%
One Hand and One Foot.....	100%
One Hand and the Sight of One Eye.....	100%
One Foot and the Sight of One Eye.....	100%
Speech and Hearing in Both Ears.....	100%
One Hand or One Foot.....	50%
The Sight of One Eye.....	50%
Speech or Hearing in Both Ears.....	50%
Hearing in One Ear.....	25%
Thumb and Index Finger of Same Hand.....	25%

"Loss" of a hand or foot means complete severance through or above the wrist or ankle joint. "Loss" of sight of an eye means total and irrecoverable loss of the entire sight in that eye. "Loss" of hearing in an ear means total and irrecoverable loss of the entire ability to hear in that ear. "Loss" of speech means total and irrecoverable loss of the entire ability to speak. "Loss" of thumb and index finger means complete severance through or above the metacarpophalangeal joint of both digits.

If more than one Loss is sustained by an Insured as a result of the same accident, only one amount, the largest, will be paid.

**Exposure and Disappearance.** If by reason of an accident occurring while an Insured's coverage is in force under this Policy, the Insured is unavoidably exposed to the elements and as a result of such exposure suffers a loss for which a benefit is otherwise payable under this Policy, the loss will be covered under the terms of this Policy.

If the body of an Insured has not been found within one year of the disappearance, forced landing, stranding, sinking or wrecking of a conveyance in which the person was an occupant while covered under this Policy, then it will be deemed, subject to all other terms and provisions of this Policy, that the Insured has suffered accidental death within the meaning of this Policy.

## LIMITATIONS

**Limitation on Multiple Benefits.** If an Insured suffers one or more losses from the same accident for which amounts are payable under more than one of the following Benefits provided by this Policy, the maximum amount payable under all of the Benefits combined will not exceed the amount payable for one of those losses, the largest: Accidental Death Benefit, Accidental Dismemberment Benefit.

**Aggregate Limit.** The maximum amount payable under this Policy may be reduced if more than one Insured suffers a loss as a result of the same accident, and if amounts are payable for those losses under one or more of the following Benefits provided by this Policy: Accidental Death Benefit, Accidental Dismemberment Benefit. The maximum amount payable for all such losses for all Insureds under all those Benefits combined will not exceed the amount shown as the Aggregate Limit in the Benefit Schedule. If the combined maximum amount otherwise payable for all Insureds must be reduced to comply with this provision, the reduction will be taken by applying the same percentage of reduction to the individual maximum amount otherwise payable for each Insured for all such losses under all those Benefits combined.

## EXCLUSIONS

This Policy does not cover any loss caused in whole or in part by, or resulting in whole or in part from, the following:

1. suicide or any attempt at suicide or intentionally self inflicted injury or any attempt at intentionally self inflicted injury.

(Unearned Premium for any period for which the Insured is not covered due to his or her active duty status will be refunded.) (Loss caused while on short-term National Guard or reserve duty for regularly scheduled training purposes is not excluded.)
7. travel or flight in or on (including getting in or out of, or on or off of) any vehicle used for aerial navigation, if the Insured is:

9. the Insured being under the influence of drugs or intoxicants, unless taken under the advice of a Physician.

## CLAIMS PROVISIONS

**Notice of Claim.** Written notice of claim must be given to the Company within 20 days after an Insured's loss, or as soon thereafter as reasonably possible. Notice given by or on behalf of the claimant to the Company at A&H Claims Department PO Box 25987, Shawnee Mission, KS 66225, with information sufficient to identify the Insured, is deemed notice to the Company.

**Claim Forms.** The Company will send claim forms to the claimant upon receipt of a written notice of claim. If such forms are not sent within 15 days after the giving of notice, the claimant will be deemed to have met the proof of loss requirements upon submitting, within the time fixed in this Policy for filing proofs of loss, written proof covering the occurrence, the character and the extent of the loss for which claim is made. The notice should include the Insured's name, the Policyholder's name and the Policy number.

**Proof of Loss.** Written proof of loss must be furnished to the Company within 90 days after the date of the loss. If the loss is one for which this Policy requires continuing eligibility for periodic benefit payments, subsequent written proofs of eligibility must be furnished at such intervals as the Company may reasonably require. Failure to furnish proof within the time required neither invalidates nor reduces any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity of the claimant, later than one year from the time proof is otherwise required.

**Payment of Claims.** Upon receipt of due written proof of death, payment for loss of life of an Insured will be made, in equal shares, to the survivors in the first surviving class of those that follow: the Insured's (1) spouse; (2) children; (3) parents; or (4) brothers and sisters. If no class has a survivor, the beneficiary is the Insured's estate.

Upon receipt of due written proof of loss, payments for all losses, except loss of life, will be made to (or on behalf of, if applicable) the Insured suffering the loss. If an Insured dies before all payments due have been made, the amount still payable will be paid, in equal shares, to the survivors in the first surviving class of those that follow: the Insured's (1) spouse; (2) children; (3) parents; or (4) brothers and sisters. If no class has a survivor, the beneficiary is the Insured's estate.

If any payee is a minor or is not competent to give a valid release for the payment, the payment will be made to the legal guardian of the payee's property. If the payee has no legal guardian for his or her property, a payment not exceeding \$1,000 may be made, at the Company's option, to any relative by blood or connection by marriage of the payee, who, in the Company's opinion, has assumed the custody and support of the minor or responsibility for the incompetent person's affairs.

Any payment the Company makes in good faith fully discharges the Company's liability to the extent of the payment made.

**Time of Payment of Claims.** Benefits payable under this Policy for any loss other than loss for which this Policy provides any periodic payment will be paid immediately upon the Company's receipt of due written proof of the loss. Subject to the Company's receipt of due written proof of loss, all accrued benefits for loss for which this Policy provides periodic payment will be paid at the expiration of each month during the continuance of the period for which the Company is liable and any balance remaining unpaid upon termination of liability will be paid immediately upon receipt of such proof.

## GENERAL PROVISIONS

**Entire Contract; Changes.** This Policy, the Master Application, and any attached papers make up the entire contract between the Policyholder and the Company. In the absence of fraud, all statements made by the Policyholder or any Insured will be considered representations and not warranties. No written statement made by an Insured will be used in any contest unless a copy of the statement is furnished to the Insured or his or her beneficiary or personal representative.

No change in this Policy will be valid until approved by an officer of the Company. The approval must be noted on or attached to this Policy. No agent may change this Policy or waive any of its provisions.

**Incontestability.** The validity of this Policy will not be contested after it has been in force for two year(s) from the Policy Effective Date, except as to nonpayment of premiums.

**Physical Examination and Autopsy.** The Company at its own expense has the right and opportunity to examine the person of any individual whose loss is the basis of claim under this Policy when and as often as it may reasonably require during the pendency of the claim and to make an autopsy in case of death where it is not forbidden by law.

**Legal Actions.** No action at law or in equity may be brought to recover on this Policy prior to the expiration of 60 days after written proof of loss has been furnished in accordance with the requirements of this Policy. No such action may be brought after the expiration of the applicable statute of limitations from the time written proof of loss is required to be furnished.

**Noncompliance with Policy Requirements.** Any express waiver by the Company of any requirements of this Policy will not constitute a continuing waiver of such requirements. Any failure by the Company to insist upon compliance with any Policy provision will not operate as a waiver or amendment of that provision.

**Conformity With State Statutes.** Any provision of this Policy which, on its effective date, is in conflict with the statutes of the state in which this Policy is delivered is hereby amended to conform to the minimum requirements of those statutes.

**Workers' Compensation.** This Policy is not in lieu of and does not affect any requirements for coverage by any Workers' Compensation Act or similar law.

**Clerical Error.** Clerical error, whether by the Policyholder or the Company, will not void the insurance of any Insured if that insurance would otherwise have been in effect nor extend the insurance of any Insured if that insurance would otherwise have ended or been reduced as provided in this Policy.

**Records.** The Company has the right to inspect at any reasonable time, any records of the Policyholder that may have a bearing on this insurance.

**Assignment.** This Policy is non-assignable. An Insured may not assign any of his or her rights, privileges or benefits under this Policy.

**New Entrants.** This Policy will allow from time to time, that new eligible Insureds of the Policyholder be added to the class(es) of Insureds originally insured under this Policy.

**Misstatement of Age.** If premiums for the Insured are based on age and the Insured has misstated his or her age, there will be a fair adjustment of premiums based on his or her true age. If the benefits for

which the Insured is insured are based on age and the Insured has misstated his or her age, there will be an adjustment of said benefit based on his or her true age. The Company may require satisfactory proof of age before paying any claim.

## ACCIDENT MEDICAL EXPENSE BENEFIT RIDER

This Rider is attached to and made part of the Policy effective November 1, 2018. It applies only with respect to accidents that occur on or after that date. It is subject to all of the provisions, limitations and exclusions of the Policy except as they are specifically modified by this Rider.

**Accident Medical Expense Benefit.** If an Insured suffers an Injury that, within 90 days of the date of the accident that caused the Injury, requires him or her to be treated by a Physician, the Company will pay the Usual and Customary Charges incurred for Medically Necessary Covered Accident Medical Services received due to that Injury, up to the Maximum Amount per Insured for all Injuries caused by the same accident. Benefits are payable for charges incurred within 52 weeks after the date of the accident causing the Injury.

No expenses paid under this Benefit will be payable under any other Rider in the Policy.

**Covered Accident Medical Service(s)** - as used in this Rider, means any of the following services:

1. services of a Physician;
2. private duty nursing by a registered nurse (R.N.) or Licensed Practical Nurse (LPN);
3. laboratory tests;
4. radiological procedures;
5. anesthetics and the administration of anesthetics;
6. blood, blood products and artificial blood products, and the transfusion thereof;
7. physical therapy;
8. occupational therapy;
9. rental of Durable Medical Equipment;
10. artificial limbs, artificial eyes or other prosthetic appliances;
11. medicines or drugs administered by a Physician or that can be obtained only with a Physician's written prescription;
12. use of an Ambulatory Medical Center or Ambulatory Surgical Center;
13. Hospital's most common charge for semi-private room and board (or room and board in an intensive care unit); Hospital ancillary services (including, but not limited to, use of the operating room or emergency room);
14. ambulance service to or from a Hospital.

15. Any inpatient Hospital, Ambulatory Surgical Center and general anesthesia services or charges due to injury if the Insured:
- (a) is under 8 years of age or is determined by a licensed dentist and the Insured's Physician to require necessary dental treatment or surgery in a Hospital or Ambulatory Surgical Center due to a significantly complex dental condition or a developmental disability in which patient management in the dental office has proved to be ineffective; or
  - (b) has one or more medical conditions that would create significant or undue medical risk for the Insured in the course of delivery of any necessary dental treatment or surgery if not rendered in a Hospital or Ambulatory Surgical Center.

**Extension of Benefits.**

If an Insured is Totally Disabled due to Injury on the date the Policy terminates, coverage will continue until the earliest of the end of the 90 day period following the date the Policy terminates, the date when the applicable Maximum Benefit Amount is reached and the date the Insured is no longer Totally Disabled.

**Definitions.**

**Ambulatory Medical Center** - as used in this Rider, means a licensed facility providing ambulatory medical treatment, other than a Hospital, clinic or Physician's office.

**Ambulatory Surgical Center** - as used in this Rider, means a licensed facility providing ambulatory surgical treatment, other than a Hospital, clinic or Physician's office.

**Durable Medical Equipment** - as used in this Rider, refers to equipment of a type that is designed primarily for use, and used primarily, by people who are injured (for example, a wheelchair or a hospital bed). It does not include items commonly used by people who are not injured, even if the items can be used in the treatment of injury or can be used for rehabilitation or improvement of health (for example, a stationary bicycle or a spa).

**Experimental or Investigative** - as used in this Rider, means treatment, a device or prescription medication which is recommended by a Physician, but is not considered by the medical community as a whole to be safe and effective for the condition for which the treatment, device or prescription medication is being used, including any treatment, procedure, facility, equipment, drugs, drug usage, devices, or supplies not recognized as accepted medical practice, and any of those items requiring federal or other government agency approval not received at the time the services are rendered.

**Hospital** - as used in this Rider, means a facility that: (1) is operated according to law for the care and treatment of injured and sick people; (2) has organized facilities for diagnosis and surgery on its premises or in facilities available to it on a prearranged basis or is accredited by the Joint Commission on the Accreditation of Hospitals, the American Osteopathic Association or the Commission on the Accreditation of Rehabilitative Facilities; (3) has 24 hour nursing service by registered nurses (R.N.'s); and (4) is supervised by one or more Physicians. A Hospital does not include: (1) a nursing, convalescent or geriatric unit of a hospital when a patient is confined mainly to receive nursing care; (2) a facility that is, other than incidentally, a rest home, nursing home, convalescent home or home for the aged; nor does it include any ward, room, wing, or other section of the hospital that is used for such purposes; or (3) any military or veterans hospital or soldiers home or any hospital contracted for or operated by any national government or government agency for the treatment of members or ex-members of the armed forces, except if there is a legal obligation to pay.

**Medically Necessary** - as used in this Rider, means a Covered Accident Medical Service that: (1) is

essential for diagnosis, treatment or care of the Injury for which it is prescribed or performed; (2) meets generally accepted standards of medical practice; and (3) is ordered by a Physician and performed under his or her care, supervision or order.

**Mental Illness** - as used in this Rider, means any disturbance of emotional equilibrium, as manifested in maladaptive behavior and impaired functioning, caused by genetic, physical, chemical, biologic, psychological, or social and cultural factors. Also called emotional illness, mental/nervous disorder and psychiatric disorder.

**Pre-existing Condition** - as used in this Rider, means a condition for which an Insured received any diagnosis, medical advice or treatment or had taken any prescription medicines during the 12 months immediately preceding the effective date of the Insured's coverage under this Policy unless the condition for which the prescribed medication is taken remains controlled without any change in the required prescription.

**Total Disability/Totally Disabled** - as used in this Rider, means that the Insured is unable, while under the regular care of a Physician, to perform the material and substantial duties of his or her occupation. However, with respect to an Insured for whom an occupational definition of Total Disability/Totally Disabled is not appropriate, Total Disability/Totally Disabled means that the Insured is unable, while under the regular care of a Physician, to engage in any of the usual activities of a person of like age and sex whose health is comparable to that of the Insured immediately prior to the accident.

**Usual and Customary Charge(s)** - means the charge which is the smallest of: (a) the actual charge of the Covered Service; (b) the charge usually made for a Covered Service by the provider who furnishes it and the survey by FAIR Health of prevailing charges made for a Covered Service in the geographic area by those of similar professional standing, the results of which are used to develop a range of fees for each service.

"Geographic area" means the three digit zip code in which the service, procedure, devices, drugs, treatment or supplies are provided or a greater area, if necessary, to obtain a representative cross-section of charges for a like treatment, service, procedure, device, drug or supply

With respect to item (d) above, Usual and Customary Charges means the 80<sup>th</sup> percentile of the payment system in effect on the Effective Date shown in the Schedule of Benefits.

**Exclusions.** In addition to the Exclusions in the Exclusions section of the Policy and any amendment thereto, Accident Medical Expense benefits are not payable for, and Usual and Customary Charges for Covered Accident Medical Services do not include, any expense for or resulting from any of the following:

4. new hearing aids or hearing examinations unless due to a covered Injury; or repair or replacement of existing hearing aids unless due to a covered Injury;
5. rental of Durable Medical Equipment where the total rental expense exceeds the usual purchase expense for similar equipment in the locality where the expense is incurred (but if, in the Company's sole judgment, Accident Medical Expense benefits for rental of Durable Medical Equipment are expected to exceed the usual purchase expense for similar equipment in the locality where the expense is incurred, the Company may, but is not required to, choose to consider such purchase expense as a Usual and Customary Covered Accident Medical Expense in lieu of such rental expense);
6. any charge for medical care for which the Insured is not legally obligated to pay;
7. care, treatment or services provided by an Insured or by an Immediate Family Member;
8. routine physical exam and related medical services;

## EXCESS BENEFITS RIDER

This Rider is attached to and made part of the Policy effective November 1, 2018. It applies only with respect to accidents that occur on or after that date. It is subject to all of the provisions, limitations and exclusions of the Policy except as they are specifically modified by this Rider.

**Excess Benefits.** This Rider applies when an Insured has Accident Medical Expense coverage (herein called This Plan) under the Policy and health care coverage under one or more other Plans. When there is a basis for a claim under This Plan and another Plan, This Plan is an excess plan which has its benefits determined in excess of the benefits of the other Plan as described below, unless both: (1) the other Plan has coordination or excess benefits rules that require its benefits to be determined in excess of the benefits of This Plan; and (2) This Plan has covered the Insured longer than the other Plan has. When This Plan is an excess plan, the benefits of This Plan for any Allowable Expenses will be reduced when the sum of:

1. the benefits that would be payable for those Allowable Expenses under This Plan in the absence of this Rider; and
2. the benefits that would be payable for those Allowable Expenses under the other Plans in the absence of provisions with a purpose like that of a coordination or excess benefits provision, whether or not claim is made;

exceeds the amount of those Allowable Expenses. In that case, This Plan's benefits will be reduced so that they and the other Plans' benefits do not total more than the amount of those Allowable Expenses.

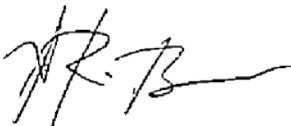

**Right to Receive and Release Needed Information.** The Company has the right to decide which facts it needs to administer this Rider. It may get needed facts from or give them to any other organization or person. The Company need not tell, or get the consent of, any person to do this. Each person claiming benefits under This Plan must give the Company any facts it needs to pay the claim.

**Facility of Payment and Right of Recovery.** If a payment made under another Plan includes an amount that should have been paid under This Plan, the Company may pay that amount to the organization making that payment. That amount will then be treated as though it were a benefit paid under This Plan. The Company will not have to pay that amount again. The term "payment made" includes providing benefits in the form of services, in which case "payment made" means reasonable cash value of the benefits provided in the form of services. If the amount of the payments made by the Company is more than it should have paid under this Rider, it may recover the excess from the persons it has paid or for whom it has paid, insurance companies or other organizations.

**Plan** - as used in this Rider, means any of the following group, group-type (such as, but not limited to, franchise or blanket), family or individual coverages which provide benefits or services for, or because of, health care: (1) insurance policies; (2) subscriber contracts; (3) uninsured arrangements; (4) coverage through health maintenance organizations and other prepayment, group practice and individual practice plans; (5) medical benefits coverage in automobile "no-fault" and traditional automobile "fault" type contracts; and (6) coverage under a governmental plan or coverage required or provided by law; but not including: (a) a state plan under Medicaid (Title XIX, Grants to States for Medical Assistance Programs, of the United States Social Security Act, as amended from time to time); or (b) a plan or law when, by law, its benefits are in excess of those of any private insurance plan or other non-governmental plan.

**Allowable Expense** - as used in this Rider, means a necessary, reasonable and customary item of expense for health care when the item of expense is covered at least in part by the Policy and is covered at least in part by one or more other Plans covering the Insured. When a Plan provides benefits in the form of services, the reasonable cash value of each service rendered is both an Allowable Expense and a benefit paid, if the reasonable cash value had been charged as the cost for the service and such expense would have been covered at least in part by the Policy.

## AMENDATORY RIDER FOR DENTAL CLAIM APPEALS

## **SUBROGATION AND RIGHT OF RECOVERY ENDORSEMENT**

This Endorsement is attached to and made part of the Policy effective November 1, 2018. It applies only with respect to benefits payable under the Policy on or after that date. It is subject to all of the provisions, limitations and exclusions of the Policy except as they are specifically modified by this Endorsement.

The following section is added after the Exclusions section of the Policy:

### **SUBROGATION AND RIGHT OF RECOVERY**

As a condition to receiving Accident Medical Expense benefits under this Policy, the Insured (or, if he or she is deceased, an authorized representative of the Insured) agrees, except as may be limited or prohibited by applicable law:

1. to reimburse the Company for any such benefits paid to or on behalf of the Insured, if such benefits are recovered, in any form, from any Third Party or Coverage; and
2. without limiting the preceding, that the Company is subrogated, for the purpose of the Company's recovery of any such benefits paid to or on behalf of the Insured, to any and all claims, causes of action or rights that he or she has or that may rise against any Third Party who has or may have caused, contributed to or aggravated the injury or condition for which the Insured claims an entitlement to Policy benefits, and to any claims, causes of action or rights he or she may have against any Coverage for the injury or condition for which the Insured claims an entitlement to Policy benefits.

The Insured agrees that he or she will make a decision on pursuing any and all claims, causes of action and rights against any and all Third Parties and Coverage within 30 days of the date the Company requires that the Insured provide Notice of Claim for the injury or condition for which such Policy benefits are sought, and within such 30-day period will so notify the Company in writing. In the event the Insured decides not to pursue a claim, cause of action or right against a Third Party or Coverage, or fails to notify the Company of his or her intent to do so within such 30-day period, the Insured authorizes the Company to pursue, sue, compromise or settle any such claim, cause of action or right in his or her name, authorizes the Company to execute any and all documents necessary to pursue any such claim, cause of action or right, and agrees to cooperate fully with the Company in the prosecution of any such claim, cause of action or right.

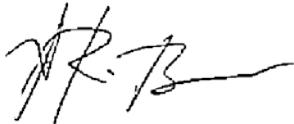

If the Insured is a minor or is not competent to make this agreement, the legal guardian of the Insured's property makes the agreement on the Insured's behalf as a condition to receiving Accident Medical Expense benefits under this Policy on behalf of the Insured. If the Insured has no guardian for his or her property, the person or persons who, in the Company's opinion, have assumed the custody and support of the minor or responsibility for the incompetent person's affairs make the agreement on the Insured's behalf as a condition to receiving such benefits under this Policy on behalf of the Insured.

The Company will not pay or be responsible, without its written consent, for any fees or costs associated with the pursuit of a claim, cause of action or right by or on behalf of an Insured against any Third Party or Coverage.

**Coverage** - as used in the Subrogation and Right of Recovery section of this Policy, means no fault motorist coverage, uninsured motorist coverage, underinsured motorist coverage, or any other fund or insurance policy (except this Policy and any fund or insurance policy providing the Policyholder with coverage for any claims, causes of action or rights the Insured may have against the Policyholder).

**Third Party(ies)** - as used in the Subrogation and Right of Recovery section of this Policy, means any person, corporation or other entity (except the Insured, the Policyholder and the Company).

### Policy Amendment

This Policy Amendment is attached to and made part of the Policy effective November 1, 2018 at 12:01 a.m. Standard Time at the address of the Policyholder. The provisions of this Amendment will apply only with respect to losses that occur on and after the effective date of this Amendment.

In the Claims Provisions section, the Time of Payment of Claims provision is deleted and replaced with the following:

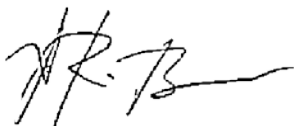

**Time of Payment of Claims.** Benefits payable under this Policy for any loss other than loss for which this Policy provides any periodic payment will be paid immediately upon the Company's receipt of due written proof of the loss; but in no event more than 45 days from the date the Company receives the due written proof of loss. Subject to the Company's receipt of due written proof of loss, all accrued benefits for loss for which this Policy provides periodic payment will be paid at the expiration of each month during the continuance of the period for which the Company is liable and any balance remaining unpaid upon termination of liability will be paid immediately upon receipt of such proof.

In that same Claims Provisions section, the following provision is added:

**Restriction on Denial of Claims.** A claim for payment for treatment, care, or services in a licensed hospital that is accredited by an accrediting organization whose standards incorporate comparable regulations required by this state may not be denied because such hospital lacks major surgical facilities and is primarily of a rehabilitative nature, if such rehabilitation is specifically for treatment of physical disability. No claim for payment for medical care or treatment of a child in a licensed hospital which is nonprofit; which primarily provides diagnosis, treatment, or care for patients whose physical functions or movements are impaired by accident, disease, or congenital deformity; and which accepts patients for treatment without regard to race, color, national origin, sex, religion, or affiliation shall be denied because the hospital does not have facilities for major surgery or because the treatment and care are primarily of a charitable nature.

This Policy Amendment expires concurrently with the Policy and is subject to all of the provisions, limitations and conditions of the Policy, except as they are specifically modified by this Amendment.

OFFICE OF FOREIGN ASSETS CONTROL ("OFAC")**

---

Your rights as a policyholder and payments to you, any insured, additional insured, loss payee, mortgagee, or claimant, for loss under this policy may be affected by the administration and enforcement of U.S. economic embargoes and trade sanctions by the OFFICE OF FOREIGN ASSETS CONTROL ("OFAC").

OFAC administers and enforces economic embargoes and trade sanctions primarily against:

- Targeted foreign countries and their agents
- Terrorism sponsoring agencies and organizations
- International narcotics traffickers
- Proliferators of Weapons of Mass Destruction

**PROHIBITED ACTIVITY**

- OFAC enforces certain embargoes and sanctions against designated countries. No U.S. business or person may enter into transactions involving designated "sanctioned" countries.
