You can search for your DUNS number here: <https://www.dnb.com/duns-number/lookup.html>

If you do not have a DUNS number, you can apply for one here (it is free and may take 3-4 days for approval): <https://www.dnb.com/duns-number/get-a-duns.html>

**This field is optional as to not stop a qualifying organization from applying. HOWEVER, a DUNS number *will* be required if your organization is approved for a grant. Your organization should apply for a DUNS number now if it does not yet have one.**

### Mission Statement\*

AVA exists to educate, empower and enhance the quality of life for underserved Midtown Community in which will promote self-sufficiency, financial stability, and economic development.

### Total Operating Expenditure\*

What are your total annual operating expenses?

\$510,000.00

### Amount Requested\*

Please review the entire application and its fiscal requirements before determining the total amount your organization will be requesting. This amount should include any reimbursements your organization is seeking for past COVID-19 programming.

Typical funding requests will range between \$25,000 and \$250,000. Amounts above and below are accepted, provided the request can be justified by community need.

**Requests at the higher end, or above this range must have a significant and sustained impact on the vulnerable community being served. Your organization's capacity for spending a large amount of funds must also be justified.**

\$197,907.00

If you are requesting more than \$250,000 or a large capital expenditure, please speak with PCF program staff to discuss the feasibility of your request **PRIOR TO submission**.

### Priority Populations\*

Please select the priority populations your programming will serve:

Note: Examples of "high-risk pandemic response jobs" include front-line workers, nurses, medical housekeeping staff, nonprofit employees, law-enforcement and medical first responders.

Communities of color  
Children and/or the elderly  
People experiencing homelessness  
Persons with disabilities  
Low-income families

## Guiding Principles\*

One of the guiding principles of this fund is that it will apply a lens of equity to ensure the needs of specified priority populations are met.

**From the priority populations you have indicated above, please explain to what extent one or more these populations are involved in the creation, design, and impact of your organization (or this specific project).**

Advantage Village Academy is located in the heart of the Southside of St. Petersburg, Florida where the majority families are communities of color with low-to-moderate income. AVAs constituents depend on us for various resources to cope with daily crisis due to Covid-19. Some of these items include: meals, groceries, rides to food pantries, childcare and utility assistance. With careful research of families affected from various background, the most needed populations generates from individuals such as: SNAP Food Assistance from the State of Florida, which qualifies families with very low income or no income at all. Those individuals that does not qualify for Food Stamps are eligible clients to receive meals from AVA's pantry.

## Length of time operating program/project\*

Please briefly explain how long you have been operating the program or project for which you are requesting funds. **This funding is for expansion of existing programming or sustaining an existing expansion to meet community needs.**

AVA has provided meals to the most vulnerable community since 2009, however since the onset of the Covid-19, the request for our assistance has increased tremendously. We have fed over 5000 individuals since March 2020.

## Service Area\*

In which areas of the county do you physically provide services?

South County (locations such as St. Petersburg, Lealman, Kenneth City)

## Impact on Organization\*

What has been the impact of the coronavirus/COVID-19 on the services of your organization? (Example: inability to provide enough food, unable to provide behavioral health sessions, lack of volunteerism, etc.)

Due to Covid-19, we are unable to host our annual campaigns and fund-raisers to collect enough funding to purchase enough food for the community. During our food drives we constantly run out of food. We also lack funding for additional food and volunteerism is at its all time low. With these two situations resulting from the Covid-19 Pandemic, Advantage Village Academy has been placed in a situation to request more money for food and more money for paid staff.

## ***Fiscal Accountability***

---

### **Federal Fund Disclosure\***

If your organization is awarded this grant, you may be considered a subrecipient of federal funding. **THEREFORE, if you are deemed a subrecipient and your organization reaches a threshold of having spent more than \$750,000 in federal funding this fiscal year (this INCLUDES other federally funded programs), it will be subject to requirements of the Federal Single Audit Act. This will require your organization to comply with Federal Compliance Requirements and may necessitate additional expenses for your organization and you should prepare for this.**

**It is advisable that you contact a certified public accountant (CPA) or other professional for guidance.**

Yes, my organization understands and assumes all liabilities/costs in regards to federal funding.

### **Audited Financial Statements\***

Does your organization routinely contract to have an audit conducted of its financial statements?

No

### **Most Recently Filed IRS Form 990\***

Please upload a copy of the organization's most recently filed IRS Form 990. **This is absolutely required.**

2019 Advantage Village Academy Taxes (1).pdf

### **Board-Approved Budget\***

Please upload your most recently board-approved budget for this fiscal year in PDF format.

AVA 2020 Budget.pdf

## ***No Audited Financial Statements***

---

### **Explanation for Lack of Audit\***

Please briefly explain why your organization does not annually have an independent audit conducted. If you have any documentation, such as financials statements, or a letter from a CPA explaining the lack of an audit, you may upload it here in PDF format.

AVA currently do not have an audit conducted on our financial statements, however going forward for 2020-2021 we will include a routinely audit. In the previous years, three quarters of AVA funding came via pass through. For example, \$75k was funded through AVA for hotel rooms. The funds were earmarked for AVA but paid directly to the hotels. Secondly, \$40k was earmarked for AVA, but was paid directly to the following:

St. Petersburg Police Dept., Fire Department and Barricades. These are few examples of the majority of AVA funding. For best practices, AVA has hired a great CPA Firm to audit financials moving forward.

## ***Expansion or Sustaining of Exact Programming Funded by Another Source***

---

### **Existing Contract**

If you are applying for funding to expand and/or sustain COVID-19 response programming that has already been funded by another source, please upload that contract here and provide a brief description of the funding source and relationship with the funder. Please note that any costs funded by another source are not allowed to be included in this application. Only the costs that are required to expand or sustain programs in excess of that funding will be considered for the purposes of this application.

## ***Funding and Usage***

---

### **Client Service Delivery\***

Briefly describe the services to be delivered under the programming for which you are requesting funding. Please include when and where the services will occur, how the target population will access the services, and the length of time the services will be provided. **Please specify the zip codes of participants. If not available, specify the zip codes of service delivery points.**

Advantage Village Academy will distribute additional food to families in need in the zip codes of 33712, 33705 and 33711 in Pinellas County. AVA currently receives referrals from agencies of families in need of food. Our LPO's provides us with a client intake form describing the size of the family, in addition, if their homeless or if they have a resident. If they are homeless, we will only provide them with canned foods and non perishable items. In reference to the homeless meats, their food box consists of canned meat, for example Vienna sausages. Second scenario, if the client intake sheet indicates it is a parent with four minor children, their food box will have twice the amount of food, in addition it will consist of canned goods, packs of chicken, milk and various cereals. This would be the indicator of how much food to provide for seven days. AVA has determined with the data provided we will know approximately how many family members are in the household, whether they are homeless, do they have the ability to prepare the meals given and lastly what zip code the family resides. The method of calculation: To feed a single individual for a week, averages to be \$25. To feed a family of two to four living in a resident, it averages \$100 per family. This will be made possible from the partnership of a wholesale food distributor located in St. Petersburg, FL. At this current time, our local wholesaler distributes 7500 canned food, cereal and other dry food items. At this current rate, we are able to provide food for 500 individuals weekly. AVA benchmark will end September with approximately 2000 individuals fed. The current data indicates the food only lasting from 2 to 3 days. With this grant, the pantry will distribute food to families weekly through the remainder of the year. AVA current price per individual is \$5 per day X 3 days = \$15 per individual. With the Pinellas Cares Grant, it will allow us to be at \$5 per day X 7 days per individual = \$35 per week.

## Communication/Outreach and Community Engagement Efforts\*

In what ways is your organization marketing and communicating its available programming to the community it serves? How will you ensure that your target population is aware of your services and utilizes them?

Our marketing team utilizes several vehicles to market our agency services, which includes but not limited to: Social Media, Door-to-Door, television and radio. Our website is updated on constant basis. In addition to our call center reaching out to other agencies for referrals. Advantage Village Academy largest capacity builder of reaching more clients in need of service also comes from families who are not in need but are aware of families affected the most by Covid-19. Advantage Village Academy volunteers also has placed drop boxes in churches and community centers where food pantry clients can sign up for meals.

## Hurricane Preparedness\*

If a hurricane-related emergency were to strike Pinellas County this year and cause an interruption in your organization's normal programming, how would you return to offering the programming, and continue to spend awarded funds from this grant?

**There is an expectation that your programming will be able to continue in the event of a hurricane-related emergency.**

***If your organization has a COOP (Continuity of Operations Plan), you may upload it here instead of providing a text answer. You may redact sensitive information from your organization's COOP.***

Over the past year Advantage Village Academy has had several training sessions on organizations Robert Rule of Order and is duly understood excess funding, products and merchandise will be donated in accordance to AVA inability to complete our programming. This plan will include: reaching out to the American Red Cross, Pinellas County Evacuation Center and the City of St. Petersburg's Mayors office. AVA will make availability of all its resources remaining from this funding. Lastly, working directl with Pinellas Community Foundation recommendation how the funds can be used to assist other organizations that are assisting through the disaster.

Please upload evidence of insurance policies that cover the programming for which your organization is requesting funds.

**If there is no insurance coverage for this programming, please provide an explanation as to why.**

The Budget Summary and Budget Narrative sections are absolutely critical to a successful application. Improperly completed forms will be returned to you to fix, and will delay a funding decision being made on your application. Please see the examples in each section. To avoid rejection of your organization's application, PCF HIGHLY recommends you watch this short, instructional video as well: Budget Narrative/Summary Instructions

---

If you would like to use a unit of service cost as a basis for your budget, you MUST contact Pinellas Community Foundation program staff FIRST to discuss this possibility.

### **Budget Summary\***

Do not bold, underline, or italicize. Use dollar amounts that match your Budget Summary.**

FROM (month/year): **09/20**

TO (month/year): **12/20**

**ALL DESCRIPTIONS BELOW SHOULD BE CLEAR AS TO HOW REQUESTED FUNDS BY AREA RELATE TO ADDITIONAL COSTS THAT WOULD NOT HAVE BEEN INCURRED OR PLANNED IF NOT FOR COVID-19**

*Personnel (salaries, wages, benefits, payroll taxes, time allocation, and a brief description of the responsibilities on the project for all personnel involved in program)*

**(4) Administrative Assistance – Each assistant will be paid \$1k Bi-weekly, which will be paid monthly at \$2k each. Eight hour days at 40 hours per week will total \$32,000. The job description will include: Covid-19 Distribution of food and Pantry Work, Incoming and Outgoing calls, and engaging community outreach which includes churches, social service agencies and low income housing units for distribution of food (100% of job time).**

**These four jobs are being created due to the high response rate of families being affected by Covid-19. AVA client data base previously consisted of 750 families, in which AVA had 2 employees to cover existing families. Since the Covid-19 Pandemic the demand has increased to 5,000 families in South St. Petersburg. Due to the new Covid-19 social distance procedures, AVA will be hiring 4 new employees to engage families via telephone, social media outlets, US Mail, and sometimes in-person. The ratio of each new hire will proceed as followed: 1 new hire for every 1,000 families.**

*Equipment (computers, phone, furniture, etc., less than \$3,000 per item)*

**No additional equipment is needed. We currently have the equipment to move forward.**

*Supplies (office materials, program related purchases, program necessities to deliver services, etc.)* **Food:** AVA has contracted with Sysco Corporation to deliver food supplies. They will deliver products such as; poultry, canned goods, bread, dairy products and fresh vegetables. Effective September 12, 2020 Sysco will begin delivering food items to be prepared at a rate of 5k per week. Operationally this will bill out \$20k per month. At the end of the fiscal year the total will be \$80k. Sysco (Dry food items, canned goods, pastas)- Purpose will be used for food pantry and food preparation. At the current time AVA Pantry shelves have dry food stored for 450 families. Due to Covid-19, AVA needs to shelve food for up to 5,000 families. Each box of food that AVA prepares will feed each family up to 7 days. Due to hurricane season arising, if AVA had to delay food distribution, all food could be stored and redistributed in later months or early next year. With a \$5,000 a week purchase from Sysco, with 8 pallets of food, consisting of: Cans of green beans, sweet peas, corn, potatoes, canned tuna, bread, dry milk, cans of evaporated milk, dry cereal, pasta, macaroni and cheese, bags of apples and oranges. Each of

these items will make up one box of food. AVA is prepared to distribute 1,000 per week. Each box should last 7 days for one family. This process will take place every week for the next 16 weeks. The value of this purchase of these items on a weekly basis, due to the Covid-19 response will equal \$5 a day for one family.
