### Priority Areas\*

For Round 2 of this funding process, the ARPA Nonprofit Capital Project Fund is prioritizing organizations that offer programming, and whose capital purchase is related to, the following areas:

- Individuals with Disabilities
- Food Security
- Specialized Healthcare
  - o Mental Health
  - o Dental Care
  - o Substance Use Disorders
- Housing

Not offering programming in these areas does not disqualify you from applying. However, this prioritization will result in 10 bonus points being awarded to eligible requests when scored.

**Does your organization and its proposed capital purchase fit into one of these areas?**

No

### Organization Programmatic Background\*

Please describe the programming your organization offers to the community and the length of time it has been doing so. What does your organization **do** and **how long** has it been doing it?

**If you have indicated above that your programming and proposed purchase fit into the priority areas for this funding round, please be sure to describe the relevant programming.**

The Clearwater Historical Society, Inc. established in 1978 as a 501 (c)(3), saved the 56-year-old Capitol Theatre from demolition and the 150 inaugural members laid the foundation for CHS we know today. In 1983 Dr. Nash donated the 1896 Plumb House and moved it to the Ed Wright Park and opened the first house Museum in Clearwater. CHS had their headquarters and opened to the public until 2018. Forty years later, in June 2019, the Museum and Cultural Center was opened at the Former South Ward school, with intentions to restore the remaining buildings and property for the citizens of Clearwater, Pinellas County, and beyond, to explore local history and participate in expanded cultural opportunities. Despite the COVID-19 closing in 2020, three Annual Women's History Month exhibitions, a Mullet Boat Exhibit, Christmas in Clearwater, an exhibit on Clearwater Restaurants from 1940, and a tribute to the Founding Families of Clearwater have opened to emotional and positive reviews. Tim Boatright's Mural of Clearwater, on the east wall of the former Clearwater High School, captures the story of Clearwater and has inspired artists and performers to utilize the campus. With 5 acres, a spacious lawn and generous parking, the site is prime for outdoor activities. The annual Spring Fish Fry, Fall Family Fun Days and Vintage Car Shows have begun to flourish. The Hispanic Farmers Market and Small Business Market and 12 Days of Christmas events is being held at the Museum for Foster children and local children and families. A Speaker Series, community leaders, outdoor receptions etc. COVID greatly reduced indoor activity

## Community Need\*

Please describe the community need that exists for your programming. If you are able to cite quantitative, local data, that will strengthen your proposal.

Clearwater has an abundant source of entertainment via the beach, hotels, restaurants, and festivals, unfortunately, the lack of a dedicated community museum and gathering place for learning and discovering local history and culture had never transpired. Our neighboring museums in Dunedin, Safety Harbor, Palm Harbor and Tarpon Springs inspired the CHS Board to take on South Ward campus. They had gathered artifacts that told the stories of early settlers, first businesses, land development, the first hospital, and the men and women from all walks of life who made Clearwater their home. South Ward offered a place to celebrate this history. We believe if we don't save these stories they will be lost. COVID-19 demonstrated our important role locally and perpetually. While Community Recreation Centers were shut down longer than most facilities, the South Ward site offered large space gatherings never utilized before. High School Students seeking Bright Futures hours and college interns were able to continue their volunteer requirements, study programs. Celebration of Life receptions, Class reunions and local government meetings were held in the courtyard and Event Center. Our Speakers Series, videotaped and streamed on YouTube provided bi-monthly presentations. We have seen major growth in visits from Assisted living facilities, family interest, Jolley Trolley tourist stop overs, and downtown Clearwater walking tours. We have discovered our value is demonstrated in our mission... and the positive outcome is knowing a visitor learns our beginnings and a grandchild, and future descendants, will know the stories of their ancestors.

## Negative Economic Impact on Organization\*

**The following question is the keystone of a strong application in this process. If your organization cannot demonstrate a negative economic impact from the pandemic, your application will not qualify for committee review. If you are uncertain about what constitutes negative economic impact or how to demonstrate it, please contact PCF staff for technical assistance.**

Describe your organization's negative economic impact arising from the COVID-19 pandemic. Examples could include:

- Inflationary pressures
- A reduction in revenue since the onset of the pandemic
- An increase in pandemic-related revenue that is restricted, or otherwise does not permit the purchase of capital assets
- The use of reserves for pandemic-related unbudgeted expenses
- Allocation of resources to meet a pandemic-related increase in demand for services, which results in a lack of resources to purchase capital assets
- A need for additional capital assets to adapt operations to accommodate health and safety guidelines by the CDC

**You have the option to upload supporting documentation regarding negative economic impact. However, please limit your upload to no more than five pages.**

Negative impact from covid

Like most non-profits, CHS was blindsided by the pandemic. COVID-19 negatively impacted all revenue streams and the ability to fundraise for annual and capital needs. CHS was preparing to launch a \$6 million capital campaign to restore the whole of South Ward School campus and had to put plans aside. Unforeseen inflation and more than doubling of cost for supplies, display materials, service cost increases and unplanned for pandemic supplies for on-site programs cut into resources, without replenishment. Additionally, demand for services such as providing venues for Celebration of Life receptions for long time members who died from COVID, put additional burden on CHS, provided as a courtesy, but eating into precious maintenance and equipment funds. The moveable exhibit panels required for the 2020 exhibits rose more than 100% and have continued to rise.

The CHS first location, the Plumb House, served as a museum until 2015, until the Pinellas County School Board offered the South Ward School site for \$1 a year and a 50-year lease. Five acres, seven buildings, a parking lot, a covered bus parking structure and city block size lawn were part of the package. It was a challenge to figure out where to start, but the 1906 first elementary school in Clearwater was the least deteriorated. Funding from the State of Florida, through a \$500,000 grant partially completed renovation and the museum opened in July 2019. Within 9 months COVID-19 shut the world down. When isolation hit in March 2020, resources, people power and programs suffered or dried up. Launching the \$6 million capital campaign was put on hold. But the need to renovate, restore and completely update the 5-acre South ward campus never diminished.

While COVID-19 put everything on hold, delayed maintenance and restoration, due to lack of funds, has resulted in recent damage to the south wall of the first High School in Clearwater. Whole patches of bricks have fallen and/or continuing to dislodge, allowing water intrusion, corrosion of metal window sills. The safety of the building, and the potential liability to visitors and volunteers is now a major concern.

## Proposal Description\*

The American Rescue Plan Act requires a request that is reasonable and proportional to the level of economic impact your organization experienced. This means the request you describe below should not be greater than the economic harm your organization has suffered.

Please describe your purchase proposal and address the following:

- What will you be purchasing with these funds?
- What is the estimated lifespan of the purchase/improvement?
- How does it address the negative economic harm you described in the previous question?

CHS is seeking funds for two needs; to stabilize and halt further deterioration of the High School, Cafeteria, Kindergarten, Event Center and Research Library until these buildings can be permanently restored and repaired; And, to secure the property perimeter to ensure public safety during and after hours.

A professional Structural Engineer's report identified the repairs for the High School to be close to \$1 million, and some areas to be considered in Dangerous Condition according to Florida Existing Building Code.

Verbally the Kindergarten, Cafeteria, Event Center & Research Library, are in similar state and the initial campaign estimate of \$6 million underestimates the cost to fix the buildings.

CHS has two options: Stabilize the High School and buildings by removing the moisture affecting the bricks, mortar, building façade and building interior. This will help buy time to raise resources for a complete restoration or restore these buildings at a cost of \$6 million or more.

With stabilization as the preferred direction, CHS would purchase multiple commercial grade dehumidifiers and commercial box fans for the 3 floors of the high school, the single level cafeteria, kindergarten, event center and research library. The portable units would be moved as necessary to provide ultimate circulation.

The perimeter of the property at the corner of Fort Harrison and Hamilton Avenue is secured with a chain link fence. Guests, visitors and tradespeople access the parking lot from Hamilton Crescent, as well as uninvited visitors after hours. Security is a concern with a damaged site and the current gate is easily opened. Installation of a secure, remote controlled, lockable gate, powered by solar, would control who enters the property. The parking lot features a metal roof structure for buses, RV's, trucks and trailers to park under. This has served CHS well during outside events. To improve safety after dark the project would include installation of solar lights and panels at the gate and parking area, that may be reinstalled later in other areas of the property

These problems have arisen after 2 years of deferred maintenance, lack of revenue and inability to fundraise like pre- COVID-19. We planned on-site hard hat tours to prospective major donors, one-on-one visits, lunches, a campaign launch and ongoing updates with local TV personalities. Our Naming Program awaits until we can gather without fear.

## Guiding Principles - Client Impact\*

The American Rescue Plan Act, which provides the funding for this grant program, aims to ensure an equitable recovery from the COVID-19 pandemic. According to federal guidance, the term “equity” is defined as:

The consistent and systematic fair, just, and impartial treatment of all individuals, including individuals who belong to underserved communities that have been denied such treatment, such as Black, Latino, and Indigenous and Native American persons, Asian Americans and Pacific Islanders and other persons of color; members of religious minorities; lesbian, gay, bisexual, transgender, and queer (LGBTQ+) persons; persons with disabilities; persons who live in rural areas; and persons otherwise adversely affected by persistent poverty or inequality.

One of the guiding principles of this fund is that it will apply a lens of equity to ensure the needs of specified priority populations are met.

### **Will this purchase benefit the community members defined above that have experienced disproportionate negative impacts from the COVID-19 pandemic? If so, how?**

The CHS was created to record and save local history that otherwise would be lost. The collection of documents, maps, genealogical records and artifacts are unique to CLW. Our community demographic is 76.63% White, 11.91% Black or African American, Other Race 8.02%, Asian 2.97%, Native American 0.39%, Native Hawaiian or Pacific Islander 0.01%. Within this demographic area the CHS is an open membership organization with free public access to all people regardless of age, ability, color, race, religion, and gender identity. As CHS grows and becomes the center of local history, sharing its mission and vision, the community has come to understand its importance. The people we honor and celebrate are reflective of the CLW demographic makeup. The annual Women’s History Month Exhibit, launched in March 2020 as COVID surfaced, has yearly honored @50% non-white community women who have contributed to making CLW a special place to live. The LET’S EAT exhibit, phase one, featured Black, AA, Latino and White owned restaurants from the 1930’s. The current Founding Families of CLW Exhibit features the early settlers, AA and White. The annual Settler Program, supporting the museum programs, has welcomed donors and members of Hawaiian, Asian, Latino, and African American heritage. Embracing our military began with volunteers from the Coast Guard, now a large group of veterans and active individuals of all races who are finding validation and recognition for their service. The stabilization of the South Ward property is the first step in securing a gathering place for the people of Clearwater.

In 2019 CHS welcomed, served and toured 3,423 visitors, 113 volunteers and 98 major donors.

In 2020 COVID-19's forced closure saw numbers drop significantly 895 visitors, 12 volunteers, 21 major donors

The CHS Museum & Cultural Center headquarters is located in the midst of a QCT district. All purchases for the Stabilize & Secure South Ward project will be utilized at this location only.

## Number Served\*

How many people will directly benefit from this capital purchase annually?

7000

## Unduplicated vs. Duplicated\*

Is the number indicated above duplicated or unduplicated?

**Duplicated:** A client is counted each time they access services

**Unduplicated:** A client is counted once, regardless of the number of times they access services

**Example:** ABC Food Bank operates two mobile food pantries, one in Clearwater and one in St. Petersburg. Taylor, a Pinellas County resident, goes to both food pantries. If ABC Food Bank counts Taylor's visit TWICE, it is **duplicated**. If ABC Food Bank counts Taylor's visit ONCE, it is **unduplicated**.

Other (Explanation Required Below)

## Other (Explanation Required)

If you selected "Other" in the previous question, please explain how your organization determined the number of clients that will benefit from the proposed capital purchase.

We were having a large number of visitors and sponsors before COVID and continued reaching out to our Senior Citizen's by hosting private tours and lunch from nursing homes. We also moved our Speaker Series to our You Tube channel and helped nursing homes set up for groups to view. We also started and continued our Podcast by interviewing residents about their life in Pinellas County, with use from the equipment for the City of Clearwater. We also reached out and attended as many community meetings as possible online and in person. We hosted groups to have meeting because the of lack of affordable meeting space in the downtown Clearwater area. These groups included Clearwater Rotary Club's, The Kawanis Club' s, The Greater Federation of Womans Clubs, The Clearwater African American Memorial Committee, The Airmid Theatre Group, Clearwater High School History Club Meetings and many other smaller nonprofits and community organizations in the Northern Pinellas County groups.

## *Geographic Impact & Priority Populations*

The ARPA Nonprofit Capital Project Fund seeks to offset the negative economic impact Pinellas nonprofits faced due to the COVID-19 pandemic. Organizations who serve disproportionately impacted communities will be considered as serving a priority population. There are several ways to determine if your clients were

disproportionately impacted.

Examples of disproportionately impacted communities include those who:

- Live in a Qualified Census Tract (QCTs)
  - Defined by U.S. Department of Housing and Urban Development (HUD)
  - U.S. Treasury guidance prioritizes use of ARPA funds within QCTs
  - To assess if your organization serves or is headquartered in a QCT, use the following link: [https://www.huduser.gov/portal/sadda/sadda\\_qct.html](https://www.huduser.gov/portal/sadda/sadda_qct.html)  
In the top right-hand corner, choose the state of Florida and Pinellas County. Then on the left-hand side of the screen, click the box next to “Color QCT Qualified Tracts.” The QCT zones are denoted in purple. You can also map your address by adding it into the address box at the top to see if your location is inside the zones.
- Low- and moderate-income household and communities
- Households that qualify for federal assistance programs, such as SNAP and TANF
- Historically marginalized communities (BIPOC communities, persons with disabilities, LGBTQ+, religious minorities, and other communities that fit in the Equity definition provided on the ARPA website and application)

## Benefits and Geography of Purchase\*

Please describe the following:

1. The communities/clients that will benefit from this capital purchase, and whether they were disproportionately impacted by the pandemic according to the examples above.
2. The geographic areas in which this capital purchase will be put into use. Be as specific as possible.

Since 2018 CHS has worked with the African American Community researching and preserving the 2 colored cemeteries in Clearwater. and we have the records from the city, PCSB and the Funeral homes. we have worked on the Historic Markers and the African American history trail within the neighborhoods and the City of Clearwater. We are working on the cemeteries and the African American and the Hispanic communities to tell the story and their history in Pinellas County. This project will help us stabilize and secure the buildings that hold these records and to keep the campus secure so that we can continue to work with the communities. When we get the larger former High school building open the plan is to open it to the public for space for other nonprofits, artist and expand the research areas for the public.

## Headquarters Location\*

Please provide your organization's headquarters address as it appears on your Sunbiz account. To check your Sunbiz registration, you may search here: <https://dos.myflorida.com/sunbiz/search/>

610 S Fort Harrison Clearwater 33756

## QCT Determination - Headquarters\*

Is this organization headquartered in a QCT?

Yes

## *Community Connection*

---

PCF understands the value of authentic and diverse representation in philanthropy and in Pinellas County. To this end, we ask demographic and representation questions to gauge the human impact your organization has on the communities you serve.

PCF has generalized the demographic data questions more than it has in other processes because of the public nature of this process. PCF understands that identity disclosure can be a sensitive matter and wants to respect your organization's board and staff. If your organization feels comfortable sharing more detailed demographic information, it may do so in the "Community Representation and Connection" section.

### **Community Representation and Connection\***

Describe how your organization is representative of, or has authentic connections to, the community your proposal seeks to serve. You can list other community-based organizations that work on programming with you and/or list examples of your work within this community.

If your staff, board, executive leadership, or long-term volunteers have personal identities or experiences that allow for a meaningful connection with your clients, please feel free to describe this connection below. When possible, please use internal data or specific details to describe how your organization is representative and connected to the communities you serve.

A change in leadership in 2018 saw CHS take on a new and visible role in Clearwater. Previously there was very little contact with schools, service clubs, neighborhoods, downtown businesses, the Chamber of Commerce, Pinellas County or the City of Clearwater. It was a dormant organization, with an aging membership unable to attract new members, community leadership and funding. The current society president has networked and opened doors to programs, exhibits and resources previously unavailable to anyone. Neighboring museums throughout Pinellas County are now partnering with CHS. Relationships have been positively nurtured with seniors, some willing to do videotaped histories. The African American community has begun to trust CHS is respectful of their history and has contributed to the Annual Women's History Month exhibits, by nominating, advising, and providing resources. The opening nights of each annual exhibit have been joyous occasion with generations of family members, and colleagues of many loved citizens to date such as Willa Carson, Jai Hinson, Arabella Williams Faust, Christine Wigfall Morris, Isay Gulley, Blanche Littlejohn, Cherry Harris, Mayme Hodges and Betty Perry.

When COVID-19 hit, CHS was on a positive high. Passersby had watched the derelict South Ward property come to life again. They arrived in droves for the opening June 2019 and were shown what CHS could become. Volunteer numbers were soaring as the site looked better each day. But as 2020 evolved it was clear that connecting was difficult, if not impossible. Community leaders were burdened with the pandemic and reallocating resources, providing care, testing sites and vaccinations. As 2022 nears an end CHS has lost two years of goodwill, networking, fundraising and friend raising. Stabilizing and securing South Ward, ensuring the site is safe for gathering is the first step to getting CHS connected again.

## Proposal Costs

Please upload current verifiable bids, estimates, or price lists [from your potential vendor(s)]. These bids must be dated within the past 60 days. *Please ensure there is a date noted on the bid or some annotation as to when you obtained these estimates/bids.*

- If your purchase is BELOW \$75,000, you must upload TWO verifiable bids or estimates for the proposed purchases.
- If your purchase is ABOVE \$75,000, you must upload THREE verifiable bids or estimates for your proposed purchases.

This can be as simple as screenshots from Amazon or Best Buy (though PCF does not endorse or recommend any specific vendor) or may be from specialized vendors that sell your proposed purchase. If you have concerns regarding bids or estimates, please reach out to PCF staff.

**Please note if you submitted a proposal in the first round of funding for Small Capital Purchases, you will be required to submit new bids for an accurate cost estimation in the current market.**

### **Sole Source\***

In some cases, a proposed small purchase is only available from a single vendor, and as such, only one bid/estimate can be uploaded. If this is the case for your organization, please explain in the field below, and contact Rose Cervantes at [rcervantes@pinellascf.org](mailto:rcervantes@pinellascf.org).

Otherwise, write "N/A" below.

In an effort to always use local businesses we also have a partnership with THG Equipment, we only use them because of our continued relationship. The gate is Fencing Solutions, the fencing is owned by the PCSB and we have to use companies that are contracted by the School Board. Our Electrician is Sonny Bennet, he is retired from the School Board and started his own company, and he installed all of the electric on the campus under their employment, so he knows how things worked within the School Board and makes it easier to install. The Structural Engineer and the Envelope Engineer were both recommended to us by our General Contractor and the State of Florida. Our buildings are over 100 years old, and it takes a special talent to work on Historic Structures and these are the best in Florida in these fields.

## Related Parties\*

Are any of the contractors/vendors that have provided bids/estimates a related party to your organization?

### Examples of Related Parties

- A board member that owns the contracting company that provided a bid
- The relative of a director, officer, or executive team member owns a company that provided an estimate
- The CEO of the applying organization has a financial interest in the construction company providing a bid

If **yes**, identify the vendor and describe the relationship.

If **no**, write "No related parties below."

No

## Budget Summary\*

Please use THIS TEMPLATE to indicate costs and any cash match your organization may have for the proposed purchases. Note: this spreadsheet will automatically round numbers to make it easier to read for committee members.

If you submitted a proposal in the first round of funding for Small Capital Purchases, you will be required to submit a new budget for an accurate cost breakdown in the current market. Additionally, this round of funding there is less available monies, and the max award request has decreased.

Please note that indirect costs are not permitted for small purchases.

If you have additional notes to add to your budget summary, you may do so in the text box below.

This includes but is not limited to Community Block Development Grants (CBDG), local government grants (including Tourist Development Council funding), foundation grants, and private donors (you do not need to disclose donor identities but simply indicate the amount raised for this purchase). This includes any matching grants or in-kind contributions you may have obtained.

## Changes in Operating Costs\*

Please answer this question based on the descriptions below:

- If this project **increases** ongoing operational costs (programmatic, operating maintenance or other costs), how will you compensate for the difference?
- If this purchase **decreases** ongoing operating costs, how will it do so?
- If this purchase **does not affect** operating costs, please note so below.

The Clearwater Historical Society is aware that this will increase our electric bill and when we were working on our budget for the upcoming year, we have included this cost in the budget.

Is there anything else that you would like Pinellas Community Foundation to know or other information your organization would like to share that isn't addressed elsewhere in this application?

The CHS was incorporated in 1978 in the Plumb House until the lease with the PCSB in 2014, a 50-year lease for the South Ward School, a 5-acre 8 building campus. The museum is housed in the 1906 building, the first school building built with public funds, with later building being added in 1912 - 1971 the first Clearwater High School, cafeteria, Library, Kindergarten, PE Office, Maintenance and Teachers' Lounge. CHS received a \$500,000 grant from the State of Florida to upgrade and ADA compliance in 2016 and after 3yrs of construction, opening 2 buildings we were able to open only to close 9 months later because of COVID. Our plans to open the other buildings for the community have been put on hold. This is all being done by Volunteers only

In case of inability to return due to fire, theft, mysterious disappearance, or any other reason, rent will stop where payment is received for rent and purchase by Lessor from Customer.

8. **INDEMNITY- EQUIPMENT** Customer shall defend, indemnify and hold forever harmless Lessor, its subsidiary and affiliated companies, their officers, agents and employees, against all loss, liability and expense, including reasonable attorneys' fees by reason of bodily injury including death, and property damage, sustained by any person or persons, including but not limited to employees of Customer, as a result of the maintenance, use, operation, storage, erection, dismantling, servicing, loading, unloading, or transportation of Equipment, whether such bodily injury, death or property damage are due or claimed to be due to any negligence of Lessor, employees or agents of Lessor or any other person.
