

Application Form

Organization Information

Brief Project Descriptor

Please briefly describe this organization's request.

Three vehicles for nutrition program

If you have previously applied for a Small Purchase and would like your previous request copied over to update and submit for consideration in Round Two, please contact Rose Cervantes. Due to the current inflationary environment, you will need to obtain new bids/estimates for your proposed purchases regardless of a prior submission. The new request amount must also fit within the maximum request amounts for Round Two.

If you would like to complete this application in Word first and copy your answers over later, use the following link: [Download Application](#)

The evaluation rubric that will be used to score your request can be downloaded [here](#).

Please pay attention to character limits while working on your draft. These limits include spaces.

Organization Name*

Neighborly Care Network, Inc.

Proposal Name*

Please choose a short name to identify this project within the grant portal:

Vehicles for Meals on Wheels

EIN*

59-1218100

Incorporation Year*

What year did your organization incorporate? This will be the year listed on your determination letter from the Internal Revenue Service.

1966

Organizational Mission Statement*

What is your organization’s mission statement? This should be no longer than one or two sentences.
Improved Health, wellness, and independent living for individuals and families

Unique Entity ID (SAM)

Please provide your organization's Unique Entity ID number. This is a specific number used by the federal government to identify your organization. **This is different from a DUNS number, which the federal government no longer uses.**

If you do not have a Unique Entity ID number, you can create an account on SAM.gov and apply for one here (it is free and may take 3-4 days for approval): <https://sam.gov/content/home>

This field is optional as to not stop a qualifying organization from applying. **However**, a Unique Entity ID number will be required if your organization is approved for a grant. Your organization should apply for a number now if it does not yet have one.

Character Limit: 12

Annual Operating Budget Size*

Please provide the amount of your annual operating budget, (expenditures only) for your entire organization.
\$10,807,023.00

Parent Non-Profit/Subsidiaries*

If your organization has a parent non-profit that has multiple subsidiaries, will multiple subsidiaries be applying in this process?

Example

Better Tomorrow is the parent non-profit of three organizations. Two of those organizations want to apply in this process. Both would select "Yes" on this question.

No

Amount Requested (Annual Operating Budget > \$500,000)

Amount Requested (Annual Operating Budget > \$500,000)*

Because your annual operating budget is over \$500,000, the maximum grant request for your organization is \$150,000.

\$150,000.00

Request Specifics

Priority Areas*

For Round 2 of this funding process, the ARPA Nonprofit Capital Project Fund is prioritizing organizations that offer programming, and whose capital purchase is related to, the following areas:

- Individuals with Disabilities
- Food Security
- Specialized Healthcare
 - o Mental Health
 - o Dental Care
 - o Substance Use Disorders
- Housing

Not offering programming in these areas does not disqualify you from applying. However, this prioritization will result in 10 bonus points being awarded to eligible requests when scored.

Does your organization and its proposed capital purchase fit into one of these areas?

Yes

Organization Programmatic Background*

Please describe the programming your organization offers to the community and the length of time it has been doing so. What does your organization **do** and **how long** has it been doing it?

If you have indicated above that your programming and proposed purchase fit into the priority areas for this funding round, please be sure to describe the relevant programming.

All Neighborly clients are 60 and over and at-risk food-insecurity and isolation. Most have disabilities. Our purpose is to provide nutritious food and vital socialization to seniors in order to improve their health and reduce premature institutionalization with Meals on Wheels, Senior Cafes, Adult Day Care, and Transportation Services to thousands of clients. Volunteers started our organization and volunteers continue to fuel its service to our elders, especially supporting seniors in their desire to remain safely at home.

For 57 years, we have pioneered innovative services to enhance our clients' lives. We have served 31 million meals to over 150,000 clients. Neighborly is determined to help seniors stay healthy and engaged. Neighborly offers nutritious meals, encouragement, and reassurance to the most vulnerable, isolated, and homebound seniors in Pinellas County. A senior who receives daily-delivered meals experiences the greatest improvements in health and quality of life compared to a senior who receives frozen, weekly-delivered meals or no meals at all. (Brown University's Ctr for Gerontology & Healthcare Research). Our own client surveys reveal how critical the human interaction is to the client.

Neighborly's Transportation Program provides specially-equipped vehicles to take seniors to medical facilities, adult day care, Senior Cafes, grocery stores, etc. Our screened drivers provide transportation to

need-appropriate Pinellas County residents sixty years of age and older. We are proud of our professional and patient drivers who treat our clients with kindness.

Adult Day Care staff members combine their expertise in geriatrics with caring and compassion to assist clients throughout the day. The team monitors the health status of the participants; designs daily activities to enhance cognitive and physical functioning; offers opportunities for socialization; and implements daily activities providing personal care to the participants.

Community Need*

Please describe the community need that exists for your programming. If you are able to cite quantitative, local data, that will strengthen your proposal.

There are 335,442 persons age 60+ who reside in Pinellas County, comprising 34% of the total county population. The aged 85+ population accounts for 4% of the total population and 10% of the 60+ population.

Of those ages 60 and older in Pinellas County, 9% or 31,159, aged 60+ individuals are low income (income below 125% of the poverty guideline) and 9% have incomes below the poverty level. More than 80,000 live alone.

The minority elderly population equaling 41,846 represents 12% of the county's age 60+ population. Of that 41,846, LOW INCOME minority residents over age 60 equals 30,515 residing in Pinellas County. By ethnicity, individuals who are aged 60+ and identify as Hispanic make up 12,547 or 4% of the total 60+ population. (2021 Florida County Profile, Florida Department of Elder Affairs).

All Neighborly clients are Pinellas County residents and at least 60 years old.

Last year our client base were 61% female and 39% male. 61% are low-income, or living near or below the poverty level. 16% are African American, 63% Caucasian, 6% Hispanic, and 14% Other. We gather demographic information when applicants are assessed. Please note that the percentage of clients we serve in these targeted populations exceeds those of the whole of Pinellas County, indicating our continued success with reaching those neighborhoods and their older residents who have experienced inequitable access to adequate healthcare, healthy and affordable food, and lack of suitable transportation.

Negative Economic Impact on Organization*

The following question is the keystone of a strong application in this process. If your organization cannot demonstrate a negative economic impact from the pandemic, your application will not qualify for committee review. If you are uncertain about what constitutes negative economic impact or how to demonstrate it, please contact PCF staff for technical assistance.

Describe your organization's negative economic impact arising from the COVID-19 pandemic. Examples could include:

- Inflationary pressures
- A reduction in revenue since the onset of the pandemic
- An increase in pandemic-related revenue that is restricted, or otherwise does not permit the purchase of capital assets
- The use of reserves for pandemic-related unbudgeted expenses

- Allocation of resources to meet a pandemic-related increase in demand for services, which results in a lack of resources to purchase capital assets
- A need for additional capital assets to adapt operations to accommodate health and safety guidelines by the CDC

You have the option to upload supporting documentation regarding negative economic impact. However, please limit your upload to no more than five pages.

The negative economic impact of the COVID 19 pandemic on Neighborly's services was a significant reduction in the revenue of our Adult Day Care and Transportation programs in both immediate and longer-term recovery, because senior citizens were especially anxious about going out in public with other at-risk seniors. While we did receive CARES money and support from Area Agency on Aging to meet the dramatically increased need for home-delivered meals, the available funding fell short of the actual costs.

Inflationary pressures have been dramatic. Our pay scales are fairly typical for a nonprofit but we could not compete with even fast food chains. Our staff turnover increased along with the related costs of onboarding, followed by the recent expensive trend of the background-checked, drug-screened new hires not reporting for work. Skyrocketing fuel costs threaten the continuation of 8000 trips to Neighborly programs, medical appointments, and grocery shopping every month. Serving 695,428 meals in 2022 is costing a great deal more than in 2021.

We estimate the total loss of revenue since COVID to be \$800,000 in both 2020 and 2021. Pandemic-related funding for Neighborly programs was only to provide more of the same services at pre-pandemic-related costs of unit reimbursement. None of this "revenue" addressed the increased costs of providing services, the loss of revenues, the re-purposing of staff, maintaining costs for utilities at unused program locations and Meals on Wheels distribution sites, preventing layoffs (post PPP loan), and capital improvements.

There has been some increase in unit reimbursement costs, but only within the same level of funding. This produces relief in the short run but not for the whole year. For example, we will spend all Older American Act dollars for Adult Day Care by October 1, requiring us to restrict available days of care for especially vulnerable seniors with varying dementias, requiring caregivers to find and pay for expensive alternatives.

As for Neighborly's reserves, in the past two years, we have taken out an SBA loan of \$150,000, a \$500,000 line of credit, and over \$1 million from our reserves to ensure our isolated and vulnerable seniors were served. Necessary projects such as 30+-year-old roofs needing replacement, outdated financial software needing updating/replacing, and vehicle replacement have all been put on indefinite hold. Delaying this work has only increased our risks and the related costs.

Proposal Description*

The American Rescue Plan Act requires a request that is reasonable and proportional to the level of economic impact your organization experienced. This means the request you describe below should not be greater than the economic harm your organization has suffered.

Please describe your purchase proposal and address the following:

- What will you be purchasing with these funds?
- What is the estimated lifespan of the purchase/improvement?
- How does it address the negative economic harm you described in the previous question?

We will buy 4 new, affordable, fuel-efficient, replacement vehicles with warranties for our Nutrition program. The 2 smaller vehicles will be used for deliveries and for the program assessors to visit clients in their homes to conduct initial assessments for Meals on Wheels and/or Nutritional Counseling services. The assessor also conducts annual assessments on current clients to ensure their nutritional needs are being served and makes referrals for other essential services to help them age in place.

The need for the vans is a result of the increased demand for frozen meals since 2020. The vans will also be used in our Pantry Delivered program to deliver supplemental groceries each month to clients who are food insecure; and to deliver Meals on Wheels. We partner with St. Pete Free Clinic, Daystar Life Center, Hope Villages (formerly RCS Food Bank), Dunedin Cares, and Feast Pantry with this Neighborly program.

The average age of our nutrition vehicles is 8 years, with our oldest vehicles being 15 years and over half of them being over 8 years old.

How does it address the negative economic harm described in the previous question?

In order to continue to serve our neighbors in need, we must have reliable vehicles. Due to the economic harm we have experienced, we were not able to replace the vehicles earlier. Also, early in the pandemic, many clients began requesting frozen meals, which is now 40% of the meals we deliver. We rely on paid drivers to deliver most of those frozen meals, which means we are using Neighborly vehicles much more frequently than pre-COVID.

We need more Wheels for Meals on Wheels.

Guiding Principles - Client Impact*

The American Rescue Plan Act, which provides the funding for this grant program, aims to ensure an equitable recovery from the COVID-19 pandemic. According to federal guidance, the term “equity” is defined as:

The consistent and systematic fair, just, and impartial treatment of all individuals, including individuals who belong to underserved communities that have been denied such treatment, such as Black, Latino, and Indigenous and Native American persons, Asian Americans and Pacific Islanders and other persons of color; members of religious minorities; lesbian, gay, bisexual, transgender, and queer (LGBTQ+) persons; persons with disabilities; persons who live in rural areas; and persons otherwise adversely affected by persistent poverty or inequality.

One of the guiding principles of this fund is that it will apply a lens of equity to ensure the needs of specified priority populations are met.

Will this purchase benefit the community members defined above that have experienced disproportionate negative impacts from the COVID-19 pandemic? If so, how?

These vehicles will benefit the community members defined above that have experienced disproportionate negative impacts from the COVID-19 pandemic.

According to the 2018 Pinellas County Community Health Assessment, food insecurity, and senior isolation are important health issues. About 11% of Florida households are food insecure, and 9% of older adults over age 65 are living in poverty and are food insecure. Older adults who live alone are more at risk. Many older adults no longer drive and cite the lack of safe and affordable transportation is a barrier to obtaining food or other essential services.

Furthermore, according to the National Council on Aging regarding the Potential Financial Impacts of the COVID-19 Pandemic on Minority Older Adults: While older adults suffer declines in net wealth during large and unanticipated economic downturns, as evidenced by the 2008 crisis, minority older adults, specifically,

"experience significant declines in financial well-being". Not surprisingly, there are major differences both within and across these groups, however, the Hispanic population is expected to experience the most dramatic declines in total net wealth. Their lower and relatively non-growing household income, coupled with higher homeownership rates than African Americans, make them particularly vulnerable to these economic swings.

The minority elderly population in Pinellas is 12% but more than 20% of Neighborly clients are Minority Older Adults, demonstrating that we ARE reaching those who have experienced significant declines in financial well-being.

Neighborly serves seniors in every Qualified Census Tract in Pinellas County.

Surveys from our Nutrition clients continue to show their appreciation for the meals and the volunteers who deliver them. They also tell us about the money they save because of Meals on Wheels.

Number Served*

How many people will directly benefit from this capital purchase annually?

3784

Unduplicated vs. Duplicated*

Is the number indicated above duplicated or unduplicated?

Duplicated: A client is counted each time they access services

Unduplicated: A client is counted once, regardless of the number of times they access services

Example: ABC Food Bank operates two mobile food pantries, one in Clearwater and one in St. Petersburg. Taylor, a Pinellas County resident, goes to both food pantries. If ABC Food Bank counts Taylor's visit TWICE, it is **duplicated**. If ABC Food Bank counts Taylor's visit ONCE, it is **unduplicated**.

Unduplicated

Other (Explanation Required)

If you selected "Other" in the previous question, please explain how your organization determined the number of clients that will benefit from the proposed capital purchase.

Geographic Impact & Priority Populations

The ARPA Nonprofit Capital Project Fund seeks to offset the negative economic impact Pinellas nonprofits faced due to the COVID-19 pandemic. Organizations who serve disproportionately impacted communities will be considered as serving a priority population. There are several ways to determine if your clients were disproportionately impacted.

Examples of disproportionately impacted communities include those who:

- Live in a Qualified Census Tract (QCTs)

- o Defined by U.S. Department of Housing and Urban Development (HUD)
 - o U.S. Treasury guidance prioritizes use of ARPA funds within QCTs
 - o To assess if your organization serves or is headquartered in a QCT, use the following link: https://www.huduser.gov/portal/sadda/sadda_qct.html
In the top right-hand corner, choose the state of Florida and Pinellas County. Then on the left-hand side of the screen, click the box next to “Color QCT Qualified Tracts.” The QCT zones are denoted in purple. You can also map your address by adding it into the address box at the top to see if your location is inside the zones.
- Low- and moderate-income household and communities
 - Households that qualify for federal assistance programs, such as SNAP and TANF
 - Historically marginalized communities (BIPOC communities, persons with disabilities, LGBTQ+, religious minorities, and other communities that fit in the Equity definition provided on the ARPA website and application)

Benefits and Geography of Purchase*

Please describe the following:

1. The communities/clients that will benefit from this capital purchase, and whether they were disproportionately impacted by the pandemic according to the examples above.
 2. The geographic areas in which this capital purchase will be put into use. Be as specific as possible.
1. The communities/clients that will benefit from this capital purchase, and whether they were disproportionately impacted by the pandemic according to the examples above.

Our clients reside in 62 of the 70 zip codes in Pinellas County. 90% live with low to moderate income levels.

According to the Commonwealth Fund, “It became evident early in the coronavirus pandemic that older age is a risk factor for becoming severely ill with COVID-19. But the virus’s impact on older adults goes beyond a higher risk for serious infection: it also includes limited access to care for all health conditions, as well as considerable social and economic hardships.

“Drawing on findings from a survey of more than 18,000 adults age 65 and older in 11 high-income countries, we show how COVID-19 has affected the economic security of older adults as well as their access to health care and supportive services for chronic conditions. Compared to their counterparts in the other survey countries, older adults in the U.S. have suffered the most economically from the COVID-19 pandemic, with more losing a job or using up all or most of their savings. Latino/Hispanic and Black older adults in the U.S. have been far more likely than white older adults to experience significant negative economic consequences.”

These are the people we have been serving for over 50 years.

2. The geographic areas in which this capital purchase will be put into use. Be as specific as possible.

Per the attached Neighborly Site Map, our locations serve the entire county. Four of our Senior Cafes are in Qualified Census Tracts. Our sites are located between 54th Avenue South in St. Petersburg to our site in Palm Harbor. We are currently working on a new location in Tarpon Springs.

Headquarters Location*

Please provide your organization's headquarters address as it appears on your Sunbiz account. To check your Sunbiz registration, you may search here: <https://dos.myflorida.com/sunbiz/search/>

QCT Determination - Headquarters*

Is this organization headquartered in a QCT?

No

Community Connection

PCF understands the value of authentic and diverse representation in philanthropy and in Pinellas County. To this end, we ask demographic and representation questions to gauge the human impact your organization has on the communities you serve.

PCF has generalized the demographic data questions more than it has in other processes because of the public nature of this process. PCF understands that identity disclosure can be a sensitive matter and wants to respect your organization's board and staff. If your organization feels comfortable sharing more detailed demographic information, it may do so in the "Community Representation and Connection" section.

Community Representation and Connection*

Describe how your organization is representative of, or has authentic connections to, the community your proposal seeks to serve. You can list other community-based organizations that work on programming with you and/or list examples of your work within this community.

If your staff, board, executive leadership, or long-term volunteers have personal identities or experiences that allow for a meaningful connection with your clients, please feel free to describe this connection below. When possible, please use internal data or specific details to describe how your organization is representative and connected to the communities you serve.

Neighborly effectively utilizes community and neighborhood assets and resources. Seniors enjoy a nutritious meal at our Senior Cafes throughout Pinellas County. 5 of our 8 senior dining sites are co-located within community centers, providing access to members of the community who provide legal assistance, senior advocacy, classes, and social activities. Neighborly delivers services in 62 zip codes in Pinellas County. Neighborly collaborates with various groups in our service to seniors. Each month we work with St. Pete Free Clinic, Daystar Life Center, Hope Villages (formerly RCS Food Bank), Dunedin Cares, and Feast Pantry to provide supplemental groceries to our senior dining folks.

Four of our Senior Cafes are in Qualified Census Tracts. Our ten Meals on Wheels distribution sites serve the entire county.

We are collaborating with Evara (formerly Community Health Centers of Pinellas County) to bring their services directly to our clients while they are attending our programs. Pinellas County sponsors our efforts to remove clients from our Meals on Wheels Waiting List. Our Transportation Department partners with the Pinellas Suncoast Transit Authority (PSTA) on the Transportation Disadvantaged (TD) program. We work with the Area Agency on Aging to improve and increase services to seniors all over the county.

Last but not least, 898 volunteers served Neighborly clients in 2022. Meals on Wheels drivers not only deliver a meal and encouragement, but they are also doing a well-check with each delivery. Our drivers, who get to know the clients, now have the ability to report a Change of Condition in real time. THAT is a "Care Network"

with roots everywhere in the county. Our goal is to continue to expand our services to eliminate hunger and isolation for seniors in Pinellas County.

Leadership Demographics - Board Membership*

Do your board members consider themselves a member of one or more of the following populations? Check all that apply.

- BIPOC defined as Black, Latino, and Indigenous and Native American persons, Asian Americans and Pacific Islanders and other persons of color
- LGBTQ+ (Lesbian, Gay, Bisexual, Transgender, Queer+)
- Neurodiverse/physically disabled. Neurodiversity is defined as “the range of differences in individual brain function and behavioral traits, regarded as part of normal variation in the human population.” Examples of neurodiversity include autism spectrum disorders, ADHD, and dyslexia.

Proposal Costs

Please upload current verifiable bids, estimates, or price lists [from your potential vendor(s)]. These bids must be dated within the past 60 days. *Please ensure there is a date noted on the bid or some annotation as to when you obtained these estimates/bids.*

- If your purchase is BELOW \$75,000, you must upload TWO verifiable bids or estimates for the proposed purchases.
- If your purchase is ABOVE \$75,000, you must upload THREE verifiable bids or estimates for your proposed purchases.

This can be as simple as screenshots from Amazon or Best Buy (though PCF does not endorse or recommend any specific vendor) or may be from specialized vendors that sell your proposed purchase. If you have concerns regarding bids or estimates, please reach out to PCF staff.

Please note if you submitted a proposal in the first round of funding for Small Capital Purchases, you will be required to submit new bids for an accurate cost estimation in the current market.

If you need assistance compressing files, please email Rose Cervantes at rcervantes@pinellascf.org.

Sole Source*

In some cases, a proposed small purchase is only available from a single vendor, and as such, only one bid/estimate can be uploaded. If this is the case for your organization, please explain in the field below, and contact Rose Cervantes at rcervantes@pinellascf.org.

Otherwise, write "N/A" below.

Related Parties*

Are any of the contractors/vendors that have provided bids/estimates a related party to your organization?

Examples of Related Parties

- A board member that owns the contracting company that provided a bid
- The relative of a director, officer, or executive team member owns a company that provided an estimate
- The CEO of the applying organization has a financial interest in the construction company providing a bid

If **yes**, identify the vendor and describe the relationship.

If **no**, write "No related parties below."

No related parties.

Budget Summary*

Please use THIS TEMPLATE to indicate costs and any cash match your organization may have for the proposed purchases. Note: this spreadsheet will automatically round numbers to make it easier to read for committee members.

If you submitted a proposal in the first round of funding for Small Capital Purchases, you will be required to submit a new budget for an accurate cost breakdown in the current market. Additionally, this round of funding there is less available monies, and the max award request has decreased.

Please note that indirect costs are not permitted for small purchases.

If you have additional notes to add to your budget summary, you may do so in the text box below.

Other Funding Sources*

Please describe any other funding not already mentioned that your organization has applied for or obtained for this purchase.

This includes but is not limited to Community Block Development Grants (CBDG), local government grants (including Tourist Development Council funding), foundation grants, and private donors (you do not need to disclose donor identities but simply indicate the amount raised for this purchase). This includes any matching grants or in-kind contributions you may have obtained.

Please be sure these other funding sources are represented in the "Applicant Match" column in the budget summary uploaded above.

Changes in Operating Costs*

Please answer this question based on the descriptions below:

- If this project **increases** ongoing operational costs (programmatic, operating maintenance or other costs), how will you compensate for the difference?
- If this purchase **decreases** ongoing operating costs, how will it do so?
- If this purchase **does not affect** operating costs, please note so below.

The funding we request is a capital expense only, no operating or personnel expenses are requested. New vehicles are likely to decrease ongoing operating costs. Presently, Neighborly assessors use their own vehicles to visit clients and are reimbursed for mileage. This is not the most efficient way or fair way of managing our staff's or agency's resources.

Corrective and Investigative Action/Grant Recall

In the past three (3) years, has your organization or any affiliated parties with your organization had any of the following occur:

1. Been under legal investigation by a local, state, or federal institution?
2. Been placed on a corrective action plan by a funder?
3. Had grant funding recalled by a funder?

If yes, please describe the investigation, corrective action plan and/or grant recall, and the current status of such incidents. You may upload a PDF file to support your answer if necessary.

If no, write "N/A"

Anything else to share?

Is there anything else that you would like Pinellas Community Foundation to know or other information your organization would like to share that isn't addressed elsewhere in this application?

The greatest indications of the need for our services right now:

Meals on Wheels waiting list with 1,158 vulnerable seniors hoping for home-delivered meals, 150 individuals who need Adult Day Care because their families cannot leave their loved ones home alone during the day,

1,500 trips to Neighborly programs, pharmacies, grocery shopping & medical appointments (out of the usual monthly 6,000 trips) have been slashed because of reduced funding.

The Elder Need Index, part of the 2021 Profile of Older Americans from the Florida Department of Elder Affairs, illustrates the needs of our client base. We have also attached a map of Neighborly sites in Pinellas County. From these sites we served 629,121 meals to vulnerable seniors in 2022.

Affirmation of Application Materials*

I hereby certify that, to the best of my knowledge, the provided information within this application is true and accurate.

Yes

Public Application and Grant Process*

In order to maintain transparency for the use of public funding, PCF will publish all submitted funding requests, committee review meeting minutes, executed contracts, and reports to its website. This means your funding request in its entirety will be published. Please check the box below to indicate your understanding of this.

Yes, I understand.

Final Approval for Grant Award*

The grantmaking process administered by PCF results in funding recommendations by an external committee using an objective, public rubric. Final approval of recommendations is made by the Pinellas Board of County Commissioners.

Yes, I understand.

Check if your organization is covered by the **General Rule** or a **Special Rule**.

Note: Only a section 501(c)(7), (8), or (10) organization can check boxes for both the General Rule and a Special Rule. See instructions.

General Rule

For an organization filing Form 990, 990-EZ, or 990-PF that received, during the year, contributions totaling \$5,000 or more (in money or property) from any one contributor. Complete Parts I and II. See instructions for determining a contributor's total contributions.

Special Rules

For an organization described in section 501(c)(3) filing Form 990 or 990-EZ that met the 33 1/3% support test of the regulations under sections 509(a)(1) and 170(b)(1)(A)(vi), that checked Schedule A (Form 990), Part II, line 13, 16a, or 16b, and that received from any one contributor, during the year, total contributions of the greater of **(1)** \$5,000; or **(2)** 2% of the amount on (i) Form 990, Part VIII, line 1h; or (ii) Form 990-EZ, line 1. Complete Parts I and II.

For an organization described in section 501(c)(7), (8), or (10) filing Form 990 or 990-EZ that received from any one contributor, during the year, total contributions of more than \$1,000 exclusively for religious, charitable, scientific, literary, or educational purposes, or for the prevention of cruelty to children or animals. Complete Parts I (entering "N/A" in column (b) instead of the contributor name and address), II, and III.

For an organization described in section 501(c)(7), (8), or (10) filing Form 990 or 990-EZ that received from any one contributor, during the year, contributions *exclusively* for religious, charitable, etc., purposes, but no such contributions totaled more than \$1,000. If this box is checked, enter here the total contributions that were received during the year for an *exclusively* religious, charitable, etc., purpose. Don't complete any of the parts unless the **General Rule** applies to this organization because it received *nonexclusively* religious, charitable, etc., contributions totaling \$5,000 or more during the year ▶ \$ _____

Caution: An organization that isn't covered by the General Rule and/or the Special Rules doesn't file Schedule B (Form 990), but it **must** answer "No" on Part IV, line 2, of its Form 990; or check the box on line H of its Form 990-EZ or on its Form 990-PF, Part I, line 2, to certify that it doesn't meet the filing requirements of Schedule B (Form 990).

AUDITED FINANCIAL STATEMENTS

**Independent Auditors' Report on Financial Statements
and Supplementary Financial Information**

The Members of the Board of Directors
Neighborly Care Network, Inc.:

Opinion

We have audited the accompanying financial statements of Neighborly Care Network, Inc. (the "Organization"), which comprise the statements of financial position as of December 31, 2021 and 2020, and the related statements of activities and cash flows for the years then ended, the related statement of functional expenses for the year ended December 31, 2021, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Neighborly Care Network, Inc. as of December 31, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended, and its functional expenses for the year ended December 31, 2021 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS") and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited Neighborly Care Network, Inc.'s 2020 financial statements, and our report dated July 22, 2021 expressed an unmodified opinion on those financial statements. In our opinion, the summarized comparative information presented herein for the year ended December 31, 2020, is consistent, in all material aspects, with the audited financial statements from which it has been derived.

Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards and state financial assistance, as required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, Chapter 10.650, *Rules of the State of Florida Auditor General* is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated July 14, 2022 on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

Notes to the Financial Statements

December 31, 2021 and 2020

(1) Summary of Significant Accounting Policies

(a) Nature of Operations

Neighborly Care Network, Inc. (the "Organization"), is a nonprofit organization which exists to provide programs and services for mature adults, primarily in Pinellas County, Florida. The Organization provides a variety of senior care services through programs including: care management, nutrition services programs primarily known as "meals on wheels," Medicaid transportation services, adult day care, and pharmacy services.

Significant portions of the Organization's funds for operations are received from federal, state, county and municipal governmental units. Federal and state funds are received primarily through the Area Agency on Aging of Pasco - Pinellas, Inc., which acts as an intermediary between the Organization and the funding sources. Acceptance of funding provided by these grants requires compliance with prescribed conditions and other special requirements, including the furnishing of certain program support from non-governmental sources.

(b) Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Operating revenues consist of amounts received through the Organization's general program operations. Other receipts not associated with the Organization's general operations are classified as other revenues. Net assets, revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions.

Net assets of the Organization and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions include net assets that are not subject to donor imposed stipulations and are fully available to utilize for any program or supporting services.

Net Assets With Donor Restrictions consist of net assets whose use is limited by donor-imposed time and/or purpose restrictions. The Organization reports gifts of cash and other assets as revenue with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or a purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and presented as net assets released from restrictions.

Some net assets with donor restrictions include a stipulation that the assets be maintained in perpetuity while permitting the Organization to spend the income generated by the assets in accordance with the provisions of additional donor imposed stipulations or a Board approved spending policy.

(c) Cash

Cash consists of bank deposits and petty cash. The Federal Deposit Insurance Corporation (“FDIC”) covers \$250,000 for substantially all depository accounts. The Organization from time to time may have amounts on deposit in excess of the insured limits. As of December 31, 2021 and 2020, the Organization had \$310,753 and \$55,124, respectively, which exceeded these insured amounts.

(d) Accounts Receivable

Accounts receivable are stated at unpaid balances, less an allowance for doubtful accounts. The Organization provides for losses on accounts receivable using the allowance method. The allowance is based on historical experience, third party contracts, and other circumstances, which may affect the ability of payors to meet their obligations. Receivables are considered fully impaired if full principal payments are not received in accordance with contractual terms. It is the Organization’s policy to charge off uncollectible accounts receivable when management determines the receivable will not be collected. As of December 31, 2021 and 2020, all accounts were considered to be collectible, therefore, the Organization did not record an allowance for doubtful accounts.

(e) Investments

Investments include marketable debt and equity securities with readily determinable fair values. Unrealized gains and losses are reported in the accompanying statements of activities as a component of investment return. Restrictions on investment earnings are reported as increases in net assets without donor restrictions if the restrictions expire or are otherwise satisfied in the fiscal year in which the earnings are recognized.

(f) Property and Equipment

Property and equipment are carried at cost, if purchased, or at estimated fair value at date of receipt if obtained by gift. Depreciation is computed using the straight-line method over the estimated useful lives of the assets, which range from 3 to 40 years. Expenditures for assets in excess of \$1,000 with an estimated useful life greater than one year are capitalized.

(g) Fair Value Measurements

In accordance with Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) Topic 820, *Fair Value Measurement*, the Organization uses a fair value hierarchy that prioritizes inputs to valuation techniques used to measure fair value into three levels: quoted market prices that are observable for the asset or liability (Level 1); inputs other than quoted market prices that are observable for the asset or liability, either directly or indirectly (Level 2); and unobservable inputs for the asset or liability (Level 3).

(h) Contributions

Contributions, including unconditional promises to give, are recorded when made. All contributions are available for unrestricted use unless specifically restricted by the donor. Conditional promises to give are recognized when the conditions on which they depend are substantially met.

Contributions that are restricted by the donor are reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted contributions are reported as an increase in net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions.

(i) In-Kind Contributions

Contributions of non-cash assets, including contributed building space usage, and contributions of donated services that create or enhance nonfinancial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at fair value in the period received. Contributions of donated services not meeting these specified criteria are not recorded in the financial statements.

(j) Grants Revenue

A significant portion of the Organization's revenue is derived from cost-reimbursable or unit based federal, state and local grants, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenditures. Amounts received are recognized as revenue when the Organization has provided program services and incurred expenditures in compliance with specific grant provisions. Grants awarded for the acquisition of long-lived assets are reported as nonoperating revenue without donor restrictions, in the absence of donor stipulations to the contrary, during the fiscal year in which the assets are placed in service.

(k) Revenue Recognition

Client service fees consist of care management, nutrition and certain other services paid by clients or by insurance companies under the terms of negotiated contracts. Client service fees are recognized over time when the services are provided based on standard charges, net of any contractual adjustments under insurance contracts. Care management services are billed monthly and amounts collected in advance are recorded as deferred revenue. Revenue for other fee-based services are recognized as services are provided.

(l) Statement of Functional Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of functional expenses. Expenses directly attributable to a specified functional area of the Organization are reported as direct expenses of those functional areas while indirect costs that benefit multiple functional areas have been allocated among the functional areas based on time spent by employees or based on the square footage analysis of occupancy-related costs for each functional area. Interagency expenses represent transportation, meals and pharmacy expenses that were provided to the adult day care program and allocated based on the relative value units benefitted.

(m) Income Taxes

Neighborly Care Network, Inc. is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code, and has been determined not to be a private foundation. Under Internal Revenue Service regulations, Neighborly Pharmacy, LLC is treated as a disregarded entity single member LLC and was, therefore, treated as a division of the Organization, rendering it exempt from federal income taxes.

The Organization has adopted ASC Topic 740, *Income Taxes*. ASC Topic 740 prescribes a recognition and measurement standard for uncertain tax positions taken or expected to be taken in a tax return. The Organization does not believe it has any material income tax exposure relating to uncertain tax positions. The Organization's income tax filings remain subject to examination for a period of three years after filing.

(n) Going Concern Evaluation

On an annual basis, as required by ASC Topic 205, *Presentation of Financial Statements - Going Concern*, the Organization performs an evaluation to determine whether there are conditions or events (known and reasonably knowable), considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

(o) Reclassifications

Certain amounts in the 2020 financial statements have been reclassified to conform to the 2021 presentation.

(p) Advertising

The Organization expenses advertising costs as incurred. Advertising expense for the years ended December 31, 2021 and 2020 was \$15,401 and \$11,112, respectively.

(q) Recent Accounting Pronouncements

In February 2016, the FASB issued Accounting Standards Update (“ASU”) No. 2016-02, *Leases (Topic 842)*. The guidance in this ASU supersedes the leasing guidance in Topic 840, *Leases*. Under the new guidance, lessees are required to recognize lease assets and lease liabilities on the statement of financial position for all leases with terms longer than 12 months. Leases will be classified as either finance or operating, with classification affecting the pattern of expense recognition in the statement of activities. In June 2020, the FASB issued ASU No. 2020-05, which deferred the effective date for all entities that have not yet adopted Topic 842 to annual reporting periods beginning after December 15, 2021. A modified retrospective transition approach is required for lessees for capital and operating leases existing at, or entered into after, the beginning of the earliest comparative period presented in the financial statements, with certain practical expedients available. The Organization is currently evaluating the full effect that the adoption of this standard will have on the financial statements.

In September 2020, the FASB issued ASU 2020-07, *Not-for-Profit Entities (Topic 958): Presentation and Disclosure by Not-for-Profit Entities for Contributed Nonfinancial Assets*. This ASU is intended to improve transparency in the reporting of contributed nonfinancial assets, also known as gifts-in-kind, for not-for-profit entities. The ASU will require a not-for-profit organization to present contributed nonfinancial assets as a separate line item in the statements of activities, apart from contributions of cash or other financial assets. The ASU will also require enhanced disclosure, including disaggregation of nonfinancial assets recognized by category and qualitative information about each category. The amendments in this ASU will be applied on a retrospective basis and are effective for annual reporting periods beginning after June 15, 2021. The Organization is currently evaluating the impact this ASU will have on its financial statements.

(2) Investments

At December 31, 2021 and 2020, the cost and market values of investments are as follows:

	2021		2020	
	Cost	Market	Cost	Market
Investments:				
Money market funds	\$ 33,550	33,550	18,740	18,740
Fixed income securities	693	685	3,104	3,103
Common stock	92,158	125,691	127,724	142,482

(3) Receivable under Charitable Remainder Trusts

The Organization has been named a remainder beneficiary under a charitable remainder trust. The remainder trust provides for the payment of periodic distributions to income beneficiaries over the twenty-five year term of the trust. One-third of the remainder is distributed after fifteen years, one-third is distributed after twenty years and the final one-third is distributed after twenty-five years the receivable under charitable remainder trusts is reported at the estimated fair market value of the Organization's remainder interest. The value of these assets is determined based on Level 3 criteria defined in Note 17, which includes the fair value of assets contributed by the donor less the fair value of payments to be made to other beneficiaries.

(4) Note Receivable

In October 2016, the Organization sold its Tarpon Springs location. As a result of the sale, the Organization received a \$625,000 promissory note from the buyer. Principal and interest payments are due monthly beginning November 1, 2016 through November 1, 2046 in the amount of \$2,984. The note bears interest at 4%. The balance of the note receivable as of December 31, 2021 and 2020 was \$562,114 and \$575,058, respectively.

(5) Property and Equipment

Property and equipment consist of the following at December 31, 2021 and 2020:

(6) Line of Credit

On March 5, 2021, the Organization entered into a line of credit agreement with Valley National Bank which allows the Organization to borrow up to \$500,000. Draws under the line of credit are due on demand and bear interest at the Wall Street Journal prime rate plus 50 basis points (3.75% at December 31, 2021). The line of credit agreement includes certain affirmative and negative covenants. At December 31, 2021, the Organization was out of compliance with one financial covenant, however, Valley National Bank issued a waiver for this noncompliance. The balance of the line of credit as of December 31, 2021 was \$274,632.

(7) Long-Term Debt

In August 2008, the Organization borrowed \$5.1 million, funded by the issuance of Variable Rate Revenue Bonds, Series 2008, through the Pinellas County Industrial Development Authority (“PCIDA 2008 Bonds”). This borrowing was for the purpose of funding the construction of the Evergreen facility, which was occupied in May 2010. The PCIDA 2008 Bonds mature between 2010 and 2028. Under the terms of the 2008 debt agreement with the PCIDA, the Organization is responsible for payment of interest on the bonds and for repayment of bond principal. In connection with the sale of the Organization’s largest facility in January 2020, the Organization paid off its bond obligation in full. Interest expense on the bonds payable for the year ended December 31, 2020 was \$36,841.

On May 31, 2020, the Organization received \$150,000 of proceeds under a U.S. Small Business Administration (“SBA”) Economic Injury Disaster Loan (“EIDL”) which bears interest at 2.75% and is payable in monthly installments of \$641, including principal and interest, over 30 years beginning June 2, 2021. The loan is secured by an interest in all tangible and intangible property. The aggregate maturities of long-term debt, including initial accrued interest, for each of the five years subsequent to December 31, 2021 and thereafter are as follows:

<u>Year Ending December 31,</u>	
2022	\$ 3,328
2023	3,782
2024	3,888
2025	3,996

(8) Interest Rate Swap

On September 1, 2008, the Organization entered into a variable-to-fixed interest rate swap agreement in the initial notional amount of \$5.1 million which effectively fixed the rate of interest incurred under the Variable Rate Revenue Bonds described in Note 6 at 3.38%. The term of the agreement extended over the maturity period of the Variable Rate Revenue Bonds, Series 2008, with the notional amount being reduced through bond maturity in fiscal year 2028. Net cash amounts paid or received under the agreement were recognized as an adjustment to interest expense. In connection with the sale of the Organization's Clearwater facility, the Organization terminated the interest rate swap agreement by paying off the remaining obligation in the amount of \$367,400.

The Organization accounted for the interest rate swap in accordance with ASC Topic 815, *Derivatives and Hedging*. ASC Topic 815 requires that all derivative instruments be recorded in the statement of financial position at fair value and that changes in fair value be reflected as a component of the Organization's change in net assets. For the year ended December 31, 2020, the Organization recognized unrealized net gains of \$845, from the change in the fair value of the interest rate swap agreement.

(9) Leases

Upon sale of the Clearwater facility, the Organization entered into a lease agreement with the new owner to lease a portion of the facility to maintain certain programs and supporting services under an operating lease agreement that expires in January 2023. The Organization also leases certain other office and warehouse facilities and certain office equipment under leases classified as operating leases. Rent expense for the years ended December 31, 2021 and 2020 was approximately \$183,000 and \$149,000, respectively.

Future minimum lease payments under noncancellable operating leases as of December 31, 2021 is as follows:

<u>Year Ending December 31,</u>	
2022	\$ 181,361
2023	43,526
2024	30,996
2025	30,996

(10) Net Assets With Donor Restrictions

Net assets with donor restrictions as of December 31, 2021 and 2020 relate to assets contributed by donors and other funding sources for specific purposes and time periods as follows:

	<u>2021</u>	<u>2020</u>
Subject to use restrictions:		
Receivable under charitable remainder trust	639,592	591,865
Other contributions	-	2,735
	<u>639,592</u>	<u>594,600</u>
Endowments restricted in perpetuity:		
Meals on Wheels endowment	598,325	959,169
Lealman Adult Day Care Center endowment	2,584	2,071
General endowment	1,293	4,143
	<u>602,202</u>	<u>965,383</u>
Total net assets with donor restrictions	<u>\$ 1,241,794</u>	<u>1,559,983</u>

(11) Endowments

The Organization's endowments include both donor-restricted endowment funds and funds designated by the Board of Directors to function as endowments. As required by U.S. generally accepted accounting principles, net assets associated with endowment funds are classified based on the existence or absence of donor-imposed restrictions.

The Board has interpreted the *Florida Uniform Prudent Management of Institutional Funds Act* ("UPMIFA"), effective July 1, 2012, as requiring the preservation of the historic dollar value of the original gift as of the gift date of the donor restricted endowment funds, absent explicit donor stipulation to the contrary. As a result of this interpretation, the Organization retains in perpetuity: the original value of gifts donated to the endowments; the original value of subsequent gifts to the endowments; and any accumulations to the endowments made in accordance with the direction of the applicable donor gift instrument. Donor-restricted amounts not retained in perpetuity are subject to appropriation for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by UPMIFA.

NEIGHBORLY CARE NETWORK, INC.

Notes to the Financial Statements - Continued

(11) Endowments - Continued

Endowment Funds with Deficits

From time to time certain donor-restricted endowment funds may have fair values less than the amount required to be maintained by donors or by law (underwater endowments). These deficits resulted from unfavorable market fluctuations that generally occurred shortly after authorized distributions that were deemed prudent. The Organization has interpreted UPMIFA to permit the spending from underwater endowments in accordance with prudent measures required under law.

At December 31, 2021, the Organization's endowment funds with deficiencies were reported in net assets with donor restrictions as follows:

Fair value of endowments	\$	602,202
Original endowment gifts		<u>1,563,548</u>
Deficiencies of underwater endowment funds	\$	<u><u>(961,346)</u></u>

Return Objectives and Spending Policy

The investment policy for donor-restricted endowment funds is to produce long-term returns while also providing current income to fund related programs. This is currently achieved by investing primarily in equities and fixed income securities. The Board of Directors approves annual spending plans based on the needs of the endowed programs, the expected long term rate of return on investments and the possible effect of inflation and deflation.

Endowment net asset composition as of December 31, 2021 and 2020 is as follows:

	<u>Net Assets Without Donor Restrictions</u>	<u>Net Assets With Donor Restrictions</u>	<u>Total</u>
2021:			
Donor-restricted endowment funds	\$ -	602,202	602,202
	<u>\$ -</u>	<u>602,202</u>	<u>602,202</u>

(12) In-Kind Contributions

The Organization is required to furnish program funds from non-governmental sources in order to meet certain federal and state matching requirements. Program funds may be obtained by cash and in-kind contributions. In-kind contributions consist of donated services, supplies, equipment and the use of group dining and day care facilities. Donated services include paraprofessionals, volunteers, bus and van drivers and aides at the day care centers. Only donated services that meet the requirements as discussed in Note 1 are recorded in the financial statements.

Donated services that did not meet the criteria for recognition in the financial statements and are not reported in the financial statements were \$1,267,872 and \$1,020,578 for the years ended December 31, 2021 and 2020, respectively.

NEIGHBORLY CARE NETWORK, INC.

(13) Liquidity and Availability of Resources

The Organization is supported by both unrestricted and restricted contributions. Because a donor's restriction requires resources to be used in a particular manner or in a future period, the Organization must maintain sufficient resources to meet those responsibilities to its donors. Thus, financial assets may not be available for general expenditure within one year. As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditure, liabilities and other obligations come due. As of December 31, 2021 and 2020, the Organization's financial assets available to meet cash needs for general expenditures within one year are as follows:

	<u>2021</u>	<u>2020</u>
Financial assets:		
Cash	\$ 518,402	132,739
Accounts receivable	1,235,368	1,720,101

	<u>\$ 1,767,244</u>	<u>1,863,049</u>

(14) Retirement Plan

A 403(b) Retirement Savings Plan (the "Plan") was established by the Organization on July 1, 2001, and was amended and restated effective January 1, 2009. Employees are eligible to participate in the Plan immediately, and participate in receiving matching contributions from the Organization on the first day of the calendar month that coincides with, or immediately follows, the later of (a) the date the employee completes one full year of employment or (b) the date the employee attains 18 years of age. A participant may elect to make contributions, subject to certain limitations, and the Organization, at its discretion, may contribute annually to the Plan. Contributions vest to employees immediately. Effective January 1, 2019, the Organization amended the employer match to 5% of eligible compensation. The Organization's contributions to the Plan for the years ended December 31, 2021 and 2020 were \$136,200 and \$124,300, respectively, representing 5% of eligible compensation in 2021 and 2020, respectively.

Notes to the Financial Statements - Continued

(15) Concentration of Revenue and Other Support

One funding source provided approximately 62% and 43% of the Organization's operating revenue and support (excluding endowment distributions) in 2021 and 2020, respectively.

(16) Contingencies

The Organization routinely enters into grant agreements and contracts with governmental agencies that provide for reimbursement of the eligible direct and indirect costs of providing certain of the Organization's program services. The grants and contracts are subject to audit or review and retroactive adjustment based on a final determination by the grantor of eligible reimbursable expenditures. The effect of such adjustments, if any, on the Organization's financial statements cannot be determined at this time and no provision has been made for any such adjustment in the accompanying financial statements.

From time to time, the Organization is involved in legal claims arising in the ordinary course of its operations. Management believes any liability incurred in connection with these claims would be nominal in amount and covered under the Organization's insurance policies. In the opinion of management, no material liability exists with respect to these claims.

(17) Fair Value Measurements

Fair value is the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The fair value hierarchy, which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value, provides three levels of inputs used to measure fair value:

Level 1: Quoted prices in active markets for identical assets or liabilities;

Level 2: Quoted prices for similar assets and liabilities in active markets or inputs that are observable;

Level 3: Inputs that are unobservable (for example, cash flow modeling based on assumptions).

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The Organization did not change its valuation techniques during the year.

Notes to Schedule of Expenditures of Federal Awards and State Financial Assistance

Year Ended December 31, 2021

(1) **Basis of Presentation**

The accompanying Schedule of Expenditures of Federal Awards and State Financial Assistance (the “Schedule”) includes the federal and state grant activity of Neighborly Care Network, Inc. under programs of the federal government and state grant activity of the State of Florida for the year ended December 31, 2021. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (“Uniform Guidance”) and Chapter 10.650, *Rules of the State of Florida Auditor General*. Because the Schedule presents only a selected portion of the operations of Neighborly Care Network, Inc., it is not intended to and does not present the financial position, changes in net assets or cash flows of Neighborly Care Network, Inc. All federal awards and state projects passed through other government agencies are included in the accompanying schedule.

(2) **Summary of Significant Accounting Policies**

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

(3) **Outstanding Loan**

The Economic Injury Disaster Loan (“EIDL”) obtained in 2020 requires repayment of principal and interest starting in June 2021. The balance of the EIDL at December 31, 2021 was \$150,000.

(4) **Other**

Neighborly Care Network, Inc. has elected not to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

INTERNAL CONTROL AND COMPLIANCE

Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

The Board of Directors
Neighborly Care Network, Inc.:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Neighborly Care Network, Inc. (a nonprofit organization), which comprise the statements of financial position as of December 31, 2021, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated July 14, 2022.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Neighborly Care Network, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of Neighborly Care Network, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Neighborly Care Network, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditors’ Report on Compliance for Each Major Federal Program and State Financial Assistance Project and on Internal Control Over Compliance Required by the Uniform Guidance and Chapter 10.650, Rules of the State of Florida Auditor General

The Board of Directors
Neighborly Care Network, Inc.:

Report on Compliance for Each Major Federal Program and State Project

Opinion on Each Major Federal Program and State Project

We have audited Neighborly Care Network, Inc.’s compliance with the types of compliance requirements described in the OMB *Compliance Supplement* and the requirements described in the *Department of Financial Services’ State Projects Compliance Supplement* that could have a direct and material effect on Neighborly Care Network, Inc.’s major federal programs and state project for the year ended December 31, 2021. Neighborly Care Network, Inc.’s major federal programs and state project are identified in the summary of auditors’ results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Organization complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and state project.

Basis for Opinion on Each Major Federal Program and State Project

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (“GAAS”); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States of America; the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (“Uniform Guidance”); and Chapter 10.650, *Rules of the State of Florida Auditor General* (“Chapter 10.650”). Our responsibilities under those standards, the Uniform Guidance and Chapter 10.650 are further described in the Auditors’ Responsibilities for the Audit of Compliance section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program and state project. Our audit does not provide a legal determination of the Organization’s compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the Organization’s federal programs and state projects.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether to do with fraud or error, and express an opinion on the Organization's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, the Uniform Guidance, and Chapter 10.650 will always detect a material noncompliance when it exists. The risk of not detecting a material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Organization's compliance with the requirements of each major program and state project as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, the Uniform Guidance and Chapter 10.650, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Organization's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Organization's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance and Chapter 10.650, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A *deficiency in internal control* over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program or state project on a timely basis. A *material weakness* in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program or state project will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program or state project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

We conducted our audits in accordance with auditing standards generally accepted in the United States; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"), and Chapter 10.650, *Rules of the State of Florida Auditor General*.

Other Reports and Schedule

We have issued our Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*, our Independent Auditors' Report on Compliance for Each Major Federal Program and State Financial Assistance Project and on Internal Control Over Compliance Required by the Uniform Guidance and Chapter 10.650, *Rules of the State of Florida Auditor General*, and the Schedule of Findings and Questioned Costs. Disclosures in those reports and schedule, which are dated July 14, 2022, should be considered in conjunction with this management letter.

Other Matter

Section 10.654(1)(e), *Rules of the State of Florida Auditor General*, requires that we address noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements or state project amounts that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not identify any such findings.

Purpose of This Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, and applicable management and is not intended to be and should not be used by anyone other than these specified parties.

Pinellas County

This profile of older Floridians is a source of current information related to seniors in the county. Topics include the current and future population of older adults, the prevalence of older adults who experience financial and housing issues, the array of health and medical resources, and information related to disasters. As Florida's older adult population grows, awareness of these issues is needed to ensure that elders continue to be vital participants in their communities.

Elder Needs Index

The Elder Needs Index (ENI) is a measure that includes: (1) the percentage of the 60 and older population that is age 85 and older; (2) the percentage of the 55 and older population that are members of racial or ethnic minority groups; (3) the percentage of the 65 and older population with one or more disability; and (4) the percentage of the 55 and older population living below 125 percent of the Federal Poverty Level. ENI is an averaged score indicating older adults who may need social services within a geographic area. It is not a percentage of the area's population. Areas are color coded by their level of need, with light purple/blue areas representing areas with comparatively less need while the darker blue areas represent areas with high levels of need. The boundaries of Census Tracts correspond to the shape of each area on these maps. Interactive maps, viewing software, and a detailed user's guide are available at http://elderaffairs.state.fl.us/does/eni_home.php

The index cutpoints in the ENI is scaled at the PSA-level for the PSA and County Profiles Maps, and at the State-Level for the State of Florida map.
