St. Vincent de Paul CARES is a faith-fueled organization deeply invested in supporting an effective homeless crisis response system that ensures homelessness is rare, brief, and non-recurring. Incorporated in 1985, SVdP CARES' programs are "Housing First" – operating low barrier shelter and rapid rehousing services and rapidly connecting to permanent housing with no readiness requirements. Accredited by the Council on Accreditation (COA), SVdP CARES uses best and promising practices in delivering services. SVdP CARES has served Pinellas County since the beginning providing the following services to persons who are experiencing homelessness:

-The CARE Center is a permanent housing focused, low barrier homeless shelter, open year round for 70 men and women nightly. The CARE Center assesses clients to identify immediate needs and helps clients create a housing plan, addressing barriers to moving into housing.

-The Food Center provides nourishing meals to shelter participants and the public. The Food Center averages 425 meals daily.

-The Homeless Persons Storage Unit program provides a safe place to store belongings.

- The Center of Hope provides 55 transitional VA Grant Per Diem single-rooms: 25 dedicated to homeless Veterans who are being linked to permanent housing, 25 for chronically homeless Veterans suffering from mental illness/ substance addiction using a harm reduction model; and, 5 for homeless Veterans leaving the hospital.

- The VA Emergency Shelter provides temporary emergency housing and support for 20 Veterans who are homeless and seeking permanent housing.

Rapid Re-Housing Services:

RRH provides housing search and placement, housing-based case management, and temporary financial assistance such as deposits, rental assistance, and move-in expenses.

Social Enterprise:

The Community Thrift Store provides donated clothing, furniture, and household goods to low-income persons in Pinellas especially to help stabilize those that have been housed.

Community Need*

Please describe the community need that exists for your programming. If you are able to cite quantitative, local data, that will strengthen your proposal.

SVdP CARES seeks to reduce food insecurity in Pinellas County through the Food Center as we respond to the huge increase in hunger after the pandemic. As a result of unemployment and declining incomes from the COVID-19 pandemic, millions of Americans struggle with the food insecurity that that may have never experienced it before. The National Institute of Health published in July of 2022 that roughly 38% of adults experienced an increase in food insecurity since COVID-19 was declared a national emergency.

Last fiscal year, 1,115 unduplicated persons accessed 74,106 nutritious meals at the Food Center. Most guests (51%) had been staying outdoors or places not meant for habitation prior to intake.

At a time when many were in need for food, the COVID-19 pandemic made operating the Food Center in St. Petersburg very difficult as SVdP CARES never stopped serving those in need despite the challenges the pandemic brought.

Volunteerism took a nosedive during the pandemic as people were understandable less comfortable in crowded places like the Food Center. Volunteer Match reported that when asked 76% of respondents indicated they were very concerned about giving of their time during the pandemic. The Food Center heavily relies on volunteers to provide and serve meals, but even with masking and safe distancing, volunteers showed up less and less. This meant a greater burden on staff and food expenses. Volunteers not only lend a helping hand, but they bring a cheerful spirit to the facility with their compassion.

In addition, the current vans used for food pick up and deliveries is aging and often needs repairs. The heavy use from having to pick up additional food due to a lack of donations during the pandemic has worn the van down.

Negative Economic Impact on Organization*

The following question is the keystone of a strong application in this process. If your organization cannot demonstrate a negative economic impact from the pandemic, your application will not qualify for committee review. If you are uncertain about what constitutes negative economic impact or how to demonstrate it, please contact PCF staff for technical assistance.

Describe your organization's negative economic impact arising from the COVID-19 pandemic. Examples could include:

- Inflationary pressures
- A reduction in revenue since the onset of the pandemic

- An increase in pandemic-related revenue that is restricted, or otherwise does not permit the purchase of capital assets
- The use of reserves for pandemic-related unbudgeted expenses
- Allocation of resources to meet a pandemic-related increase in demand for services, which results in a lack of resources to purchase capital assets
- A need for additional capital assets to adapt operations to accommodate health and safety guidelines by the CDC

You have the option to upload supporting documentation regarding negative economic impact. However, please limit your upload to no more than five pages.

Spreadsheet of Financial Impact and Items Needed.pdf

SVdP CARES was committed to serve during the pandemic when many other providers went remote. SVdP CARES did have to pivot programs and resources to the greatest needs during the pandemic. SVdP CARES tracked \$12,977.14 in additional incidental expenses related to COVID such as disposable food service items to limit exposure early on. SVdP CARES had to pick up much more food than usual as volunteers were no longer bringing donations to the Food Center wearing on transport vehicles.

We tracked a reduction in volunteer hours from prior to COVID averaging 751 hours monthly to just 339 during the three years post-COVID. The Independent Sector in collaboration with Do Good Institute calculated the value of volunteer time at \$27.20 an hour meaning SVdP CARES lost an average of 412 hours monthly or \$11,206.40 in value, for a grand total of \$403,430.40 over the past 3 years since COVID began in March of 2020.

Another financial impact that SVdP CARES endured from COVID was having to set aside a Grant Per Diem room at the Center of Hope to be used for quarantine when needed. SVdP CARES was unable to bill the VA for this room as it was not serving its typical purpose but SVdP CARES had to adjust to keep clients safe regardless. The nightly rate that SVdP CARES was unable to bill for at least that first year of COVID was \$42.80, meaning a financial loss of at least \$12,497.60 when estimating an occupancy of 80% which is standard.

SVdP CARES knows the financial impact is greater than even this total of \$428,905.14 but to be frank, the organization was more focused on responding to the immediate need than tracking the financial burden of COVID at the time.

The strain of the services on the facility, staff, and the budget has revealed itself in a myriad ways and SVdP CARES began to realize the need for renovation that would not only increase capacity but would be a welcoming front door to services versus a cold, institutional soup kitchen, all while knowing that we were financially unable due to onslaught of COVID's financial impact. The Food Center needs a new delivery vehicle to pick up more food donations for the Food Center. SVdP CARES also needs this funding to improve the facility to increase capacity in response to the pandemic, seeking to make meal service easier on staff, who have struggled throughout the pandemic. SVdP CARES has seen turnover as high as 135.5%. Due to hiring challenges, SVdP CARES has increased the rate of pay for staff at the Food Center which has also increased expenses.

Finally, during the pandemic the number of food donations from the community has decreased as people have avoided interacting in large groups as oftentimes the entity donating food would volunteer.

Proposal Description*

The American Rescue Plan Act requires a request that is reasonable and proportional to the level of economic impact your organization experienced. This means the request you describe below should not be greater than the economic harm your organization has suffered.

Please describe your purchase proposal and address the following:

- What will you be purchasing with these funds?
- What is the estimated lifespan of the purchase/improvement?
- How does it address the negative economic harm you described in the previous question?

In light of the financial impact of COVID including the cost of lost volunteer hours on staff, paying for additional items such as single-use food service items, and the loss of Grant Per Diem billing through the use of a dedicated quarantine room, SVdP CARES is financially incapable of purchasing items to increase the Food Center's capacity and improve service delivery. SVdP CARES is requesting a refrigerated vehicle to pick up more food donations in the community to make up for the lack of food donations since the beginning of the pandemic. SVdP CARES current transport van is not refrigerated and is mostly used for the thrift store delivery and pick-ups. This refrigerated vehicle would exponentially increase the amount of food that the Food Center could bring in to meet the needs of individuals and families who rely on us for a nourishing meal. SVdP CARES is also requesting items to better streamline food service in response to COVID including 6 portable freezer racks, 6 service carts, an electric steam table, 6 food warmers, 10 industrial lockers for guests to store belonging while they eat, 12 steam table pans, and 4 portable pantry shelves to better organize items.

SVdP CARES never stopped to think of the cost serving those in need during COVID; this funding will allow SVdP CARES to be able to prepare the Food Center to increase capacity as we continue to meet the growing need of food insecurity in Pinellas County.

Item Lifespan (years)

Refrigerated Vehicle 10

Portable Freezer Racks 5

Service Carts 5

Electric Steam Table 3

Food Warmer 3

Industrial Lockers 10

Steam Table Pan 5

Portable Pantry Shelving 10

SVdP CARES is requesting these items to increase capacity due to the wear and tear of items that occurred with increased service during the pandemic. Due to the financial impact of lost volunteers, lost food donations, high staff turnover, having to pay contract labor staff, and losing a billable room for quarantine, SVdP CARES does not have the revenue to cover these much needed items.

Guiding Principles - Client Impact*

The American Rescue Plan Act, which provides the funding for this grant program, aims to ensure an equitable recovery from the COVID-19 pandemic. According to federal guidance, the term "equity" is defined as:

The consistent and systematic fair, just, and impartial treatment of all individuals, including individuals who belong to underserved communities that have been denied such treatment, such as Black, Latino, and Indigenous and Native American persons, Asian Americans and Pacific Islanders and other persons of color; members of religious minorities; lesbian, gay, bisexual, transgender, and queer (LGBTQ+) persons; persons with disabilities; persons who live in rural areas; and persons otherwise adversely affected by persistent poverty or inequality.

One of the guiding principles of this fund is that it will apply a lens of equity to ensure the needs of specified priority populations are met.

Will this purchase benefit the community members defined above that have experienced disproportionate negative impacts from the COVID-19 pandemic? If so, how?

It is one of SVdP CARES core beliefs to improve racial equity in programming and successful outcomes. SVdP CARES works within an inequitable system in which Communities of Color are often over-represented among the population of those experiencing homelessness. This project will impact both the Food Center and Community Thrift Store which seeks to serve proportionately more Persons of Color to help ameliorate this inequity. Studies show that homelessness hits Communities of Color harder. A Stateline article from March 2019 described it as "A Pileup of Inequities" from "centuries of discrimination in housing, criminal justice, child welfare and education." SVdP CARES targets these communities with higher acuity. It is also known that Communities of Color are often insular and resist seeking out services for assistance.

The Framework for an Equitable COVID-19 Homelessness Response's published report from December 2020 titled "Responding to Homeless Families' Needs During the COVID- 19 Crisis" underscored that long-standing health inequities among racial lines are increasing during the pandemic. The report stated that while 12% of all children ages 5-17 diagnosed with COVID-19 are Black, they make up 23% of all COVID-19 related deaths. To battle this deepening inequity SVdP CARES' policies and procedures ensure cultural competency, diversity, and inclusion internally. Staffing and leadership reflect the diversity of the community because it is important for clients to see themselves in the organization. Racial demographic data is tracked and monitored to determine continual improvements in equity.

Number Served*

How many people will directly benefit from this capital purchase annually?

2000

Unduplicated vs. Duplicated*

Is the number indicated above duplicated or unduplicated?

Duplicated: A client is counted each time they access services

Unduplicated: A client is counted once, regardless of the number of times they access services

Example: ABC Food Bank operates two mobile food pantries, one in Clearwater and one in St. Petersburg. Taylor, a Pinellas County resident, goes to both food pantries. If ABC Food Bank counts Taylor's visit TWICE, it is **duplicated**. If ABC Food Bank counts Taylor's visit ONCE, it is **unduplicated**.

Unduplicated

Other (Explanation Required)

If you selected "Other" in the previous question, please explain how your organization determined the number of clients that will benefit from the proposed capital purchase.

Geographic Impact & Priority Populations

The ARPA Nonprofit Capital Project Fund seeks to offset the negative economic impact Pinellas nonprofits faced due to the COVID-19 pandemic. Organizations who serve disproportionately impacted communities will be considered as serving a priority population. There are several ways to determine if your clients were disproportionately impacted.

Examples of disproportionately impacted communities include those who:

- Live in a Qualified Census Tract (QCTs)
 - o Defined by U.S. Department of Housing and Urban Development (HUD)
 - o U.S. Treasury guidance prioritizes use of ARPA funds within QCTs
 - o To assess if your organization serves or is headquartered in a QCT, use the following link: https://www.huduser.gov/portal/sadda/sadda_qct.html
In the top right-hand corner, choose the state of Florida and Pinellas County. Then on the left-hand side of the screen, click the box next to “Color QCT Qualified Tracts.” The QCT zones are denoted in purple. You can also map your address by adding it into the address box at the top to see if your location is inside the zones.
- Low- and moderate-income household and communities
- Households that qualify for federal assistance programs, such as SNAP and TANF
- Historically marginalized communities (BIPOC communities, persons with disabilities, LGBTQ+, religious minorities, and other communities that fit in the Equity definition provided on the ARPA website and application)

Benefits and Geography of Purchase*

Please describe the following:

1. The communities/clients that will benefit from this capital purchase, and whether they were disproportionately impacted by the pandemic according to the examples above.
2. The geographic areas in which this capital purchase will be put into use. Be as specific as possible.

SVdP CARES Food Center in downtown St. Petersburg serves the most vulnerable persons in Pinellas County - persons experiencing homelessness and the extremely impoverished. The National Institute of Health published a study in July of 2020 explaining how people experiencing homelessness were more at increased risk of infection as they face challenges in adhering to public health directives, are often unable to physically distance, and lack access to health resources. The study explained how the COVID-19 pandemic highlighted the importance of housing as a social determinant of health.

The geographic area in which this capital purchase request will be used in Pinellas County exclusively as it will benefit participants utilizing the Food Center in downtown St. Petersburg.

Headquarters Location*

Please provide your organization's headquarters address as it appears on your Sunbiz account. To check your Sunbiz registration, you may search here: <https://dos.myflorida.com/sunbiz/search/>

SVdP CARES district office is located at 384 15th Street N, St. Petersburg, FL 33705 which is across the street from the Food Center facility which is located in a QCT.

Community Connection

PCF understands the value of authentic and diverse representation in philanthropy and in Pinellas County. To this end, we ask demographic and representation questions to gauge the human impact your organization has on the communities you serve.

PCF has generalized the demographic data questions more than it has in other processes because of the public nature of this process. PCF understands that identity disclosure can be a sensitive matter and wants to respect your organization's board and staff. If your organization feels comfortable sharing more detailed demographic information, it may do so in the "Community Representation and Connection" section.

Community Representation and Connection*

Describe how your organization is representative of, or has authentic connections to, the community your proposal seeks to serve. You can list other community-based organizations that work on programming with you and/or list examples of your work within this community.

If your staff, board, executive leadership, or long-term volunteers have personal identities or experiences that allow for a meaningful connection with your clients, please feel free to describe this connection below. When possible, please use internal data or specific details to describe how your organization is representative and connected to the communities you serve.

SVdP CARES has served its target population - the hungry, homeless and impoverished people of downtown St. Petersburg for over 30 years - assisting those in dire circumstances through well-managed, highly effective, quality programs that address their most basic human needs. SVdP CARES began meeting immediate needs for persons on the street in downtown St. Petersburg, whether it be a hot meal or a clean change of clothes.

Since then, SVdP CARES has worked to build best practice programs that are housing-focused to secure long-term stability versus merely meeting only immediate needs. SVdP CARES was awarded funding in 2002 through the VA to rehabilitate a building that was an abandoned hospital and turning it into what is now one of the largest operations of its kind in Pinellas County - the Center of Hope.

The Center of Hope is a 75 room facility that provides meals and shelter for low-income and homeless Veterans and non-Veterans. It is designed specifically for members of the community who are trying to successfully attain self-sufficiency and permanent housing, but have been unable to do so due to economic downturn, substance abuse, and/or physical and mental illness. The facility allows clients to stay for up to two years while they work with a case manager to develop life-coping and self-sufficiency skills.

The CARE Center is a multi-purpose center (Food and Shelter) located in downtown St. Petersburg where the vast majority of the homeless and impoverished congregate and live. The Food Center transitions into the Homeless Shelter at night and has a capacity for 70 mats. The shelter provides men and women a safe place to sleep for the evening when they have nowhere else to go. The Night Shelter also provides showers along with various grooming supplies to the homeless population on an annual basis.

The Supportive Services for Veteran Families Program (SSVF) has been in operation at SVdP CARES since June 2012, rapidly rehousing Veterans in by providing housing search and placement as well rental assistance to place them. Since then, SVdP CARES has collaborated with funders in Pinellas County to provide this crucial service for non-Veterans alike.

As stated, all SVdP CARES’ programs are housing first and benefit from strong relationships in the community for resources to bolster long-term housing stability, such as Boley Centers for employment services and CASA for those who have been impacted by domestic violence, among a myriad of others.

MAKING HOMELESSNESS RARE. BRIEF. ONE-TIME.

Society of St. Vincent de Paul South Pinellas, Inc. DBA St. Vincent de Paul CARES
384 15th St. N St. Petersburg, FL 33705 | (727) 823-2516 | www.SVdP.CARE

April 14, 2023

Pinellas Community Foundation
C/O Rose Cervantes
17555 US Highway 19 N, Suite 150
Clearwater, FL, 33764

To Whom It May Concern:

The Society of St. Vincent de Paul South Pinellas, Inc. DBA St. Vincent de Paul CARES (SVdP CARES) has submitted a quote for a refrigerated box truck from Ferman Chevrolet. SVdP CARES has had a business relationship with Ferman Chevrolet for 11 years since 2012, which currently provides 85 leased vehicles that SVdP CARES uses for program delivery throughout its 19-county service area. SVdP CARES, in accordance with its policies, periodically conducts price comparisons to ensure that Ferman is providing the lowest prices to SVdP CARES for its vehicles. If chosen for funding and additional pricing research and validation is required, SVdP CARES is happy to provide whatever additional documentation is required. This letter is being provided to formally explain the reasoning and logic behind the provision of one quote from Ferman, as SVdP CARES seeks funding through the Small Capital Purchases ARPA grant via the Pinellas Community Foundation for a refrigerated truck to ensure the people being served are provided three daily, healthy meals and food staples in the pantry.

Sincerely,

Michael J. Raposa, Chief Executive Officer

INDEPENDENT AUDITORS' COMMUNICATION WITH
THOSE CHARGED WITH GOVERNANCE

SOCIETY OF ST. VINCENT DE PAUL SOUTH PINELLAS, INC. AND AFFILIATES

September 30, 2022

To the Board of Directors
Society of St. Vincent de Paul South Pinellas, Inc. and Affiliates

We have audited the financial statements of Society of St. Vincent de Paul South Pinellas, Inc. and Affiliates (collectively the "Organization") for the year ended September 30, 2022, and we will issue our report thereon dated February 24, 2023. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, *Government Auditing Standards* and the Uniform Guidance, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated August 1, 2022. Professional standards also require that we communicate to you the following information related to our audit.

Our Responsibilities under U.S. Generally Accepted Auditing Standards, *Government Auditing Standards*, and the Uniform Guidance

As stated in our engagement letter dated August 1, 2022 our responsibility, as described by professional standards, is to express an opinion about whether the consolidated financial statements prepared by management with your oversight are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles. Our audit of the consolidated financial statements does not relieve you or management of your responsibilities.

In planning and performing our audit, we considered the Organization's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the consolidated financial statements and not to provide assurance on the internal control over financial reporting. We also considered internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with the Uniform Guidance.

As part of obtaining reasonable assurance about whether the Organization's consolidated financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants, noncompliance with which could have a direct and material effect on the determination of consolidated financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit. Also, in accordance with the Uniform Guidance, we examined, on a test basis, evidence about the Organization's compliance with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) Compliance Supplement, applicable to each of its major programs for the purpose of expressing an opinion on the Organization's compliance with those requirements. While our audit provides a reasonable basis for our opinion, it does not provide a legal determination on the Organization's compliance with those requirements.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Organization are described in Note A to the financial statements. No significant new accounting policies were adopted and the application of existing policies was not changed during 2022. We noted no transactions entered into by the Organization during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the financial statements were:

- Management's estimate of the collectability of accounts and grants receivables is based on prior experience, historical collection trends and current and anticipated economic conditions.
- Management's estimate of the discount rate utilized to calculate imputed interest costs on interest free debt and the related amortization of the discounts is based upon current borrowing rates at the time the contract was signed.
- Management's estimate of the useful life of capital assets is based on historical experience, physical condition and external factors affecting future utility.
- Management's valuation of the in-kind gifts of goods received and provided to clients is based upon similar sales within the Organization's thrift store.
- Management's allocation of expenses between program and supporting costs.

We evaluated the key factors and assumptions used to develop the estimates in determining that they are reasonable in relation to the financial statements taken as a whole.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the financial statements were:

- The disclosure of long-term debt in Note F to the financial statements, which details the repayment, discounts and forgiveness terms of long-term debt.
- The disclosure of Concentration in Note L to the financial statements describes significant funding sources which can materially impact the Organization should they be significantly reduce or eliminated. Note L also describes the concentration of the Organization's investments in a single company.
- The disclosure of Commitments and Contingencies in Note M to the financial statements, which details future construction related commitments.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated February 24, 2023.

Management Consultations with Other Independent Auditors

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Organization's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

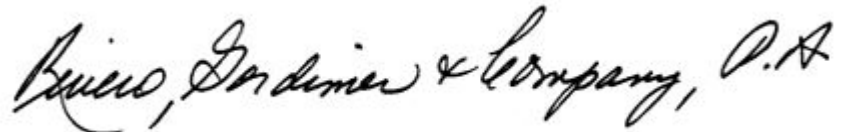

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Organization's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with U.S. generally accepted accounting principles. The method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of the governing committees and management of the Organization and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

INDEPENDENT AUDITORS' REPORT

Board of Directors
Society of St. Vincent de Paul South Pinellas, Inc. and Affiliates

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Society of St. Vincent de Paul South Pinellas, Inc. and Affiliates (a nonprofit organization), which comprise the consolidated statement of financial position as of September 30, 2022, and the related consolidated statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of Society of St. Vincent de Paul South Pinellas, Inc. and Affiliates as of September 30, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Society of St. Vincent de Paul South Pinellas, Inc. and Affiliates and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Society of St. Vincent de Paul South Pinellas, Inc. and Affiliates' ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Society of St. Vincent de Paul South Pinellas, Inc. and Affiliates' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Society of St. Vincent de Paul South Pinellas, Inc. and Affiliates' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Summarized Comparative Information

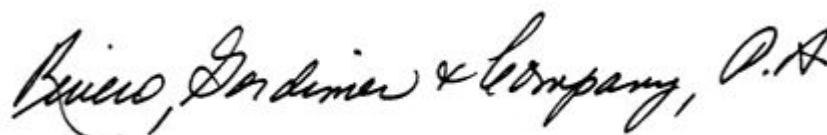

We have previously audited Society of St. Vincent de Paul South Pinellas, Inc. and Affiliates' 2021 consolidated financial statements, and we expressed an unmodified audit opinion on those audited consolidated financial statements in our report dated February 11, 2022. In our opinion, the summarized comparative information presented herein as of and for the year ended September 30, 2021, is consistent, in all material respects, with the audited consolidated financial statements from which it has been derived.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated February 17, 2023, on our consideration of Society of St. Vincent de Paul South Pinellas, Inc. and Affiliates internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Society of St. Vincent de Paul South Pinellas, Inc. and Affiliates internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Society of St. Vincent de Paul South Pinellas, Inc. and Affiliates' internal control over financial reporting and compliance.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

September 30, 2022

NOTE A - DESCRIPTION OF THE ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A brief description of the organization and a summary of its significant accounting policies consistently applied in the preparation of the accompanying consolidated financial statements follow:

1. Description of the Organization

The accompanying consolidated financial statements include the activities of Society of St. Vincent de Paul South Pinellas, Inc. and its two wholly owned affiliates. All significant inter-organization accounts and transactions are eliminated in consolidation.

The Society of St. Vincent de Paul South Pinellas, Inc. (together with its wholly owned affiliates, the "Organization") are Florida not-for-profit corporations whose mission is to alleviate pain and suffering, in a spirit of charity, justice and mercy through person-to-person involvement. The Organizations' target population is the poor, homeless, unemployed and mentally and physically disabled throughout Florida's west coast and surrounding counties.

The Organization maintains an independent board of directors, the Special Works Board. The Special Works Board works closely with the South Pinellas District Council of the National Society of the United States Society of St. Vincent de Paul (the "District Council"). The District Council oversees the overall parish conferences within its geographical jurisdictions; undertakes charitable works and special projects which are beyond the capacity of an individual parish or conference or which have community-wide implication; and initiates and strives to bring about the establishment of new conferences and the revival of inactive conferences.

The Society of St. Vincent de Paul South Pinellas, Inc. formed two wholly owned affiliates, Vincentian Housing Corporation, Inc. (VH) and Vincentian Properties, Inc. (VP), for the purpose of owning and operating real estate used within the programs of the Organization.

The Organization accomplishes its mission through the following operations which are funded through government grants and private contributions where revenue is recognized as services are provided:

Homeless Outreach:

Outreach is provided to ensure the identification of persons experiencing homelessness and living on the street or other places not meant for human habitation. Outreach includes making contact in an effort to engage individuals in services, address basic needs, link to services, and provide follow-up and advocacy with the end in mind of increasing the percentage of persons who move into permanent housing.

Veteran Outreach is conducted in our full-service Area.

Non-Veteran Street Outreach is conducted in Hillsborough, Pasco, Polk, and Sarasota Counties.

Homeless Shelter:

CARE Center is open 365 nights a year. The Care Center, a housing-focused, low-barrier homeless shelter located in St. Petersburg provides mats indoors for 70 men and women nightly and a courtyard which provides a safe place for an additional 50 persons to sleep. Clients admitted to the Care Center are assessed to identify and address barriers to moving into housing.

Center of Hope (located with the CARE Center)

- Bridging Families consists of 21 rooms where families who are experiencing homelessness can access a safe environment while they work to secure stable housing. The Organization works in partnership with many local agencies, who refer families to the shelter and provide rapid rehousing services.
- VA Emergency Contract Shelter provides short-term emergency housing and support for 20 Veterans, who are homeless and recovering from economic, substance use, mental and physical issues while gaining permanency in housing.

Safer Emergency Housing Alternative (SEHA) is a non-congregate, off-site emergency housing initiative for people who are homeless operating in Hillsborough and Pasco Counties and St. Petersburg. The project utilizes hotel/motel vouchers to increase shelter capacity to provide sleeping accommodations along with case management to help people develop a plan to move into permanent housing.

Emergency Housing Assistance (EHA) is a service offered through the Supportive Services for Veterans Families Program ("SSVF") throughout the entire service area that utilizes available hotel/motel rooms to provide a safe place for Veterans while waiting to move into permanent housing.

Bridging Families HLA Collaborative utilizes hotels and apartments under a master lease to provide shelter for homeless families. Families receive case management and referral for housing assistance.

Homeless Transitional:

Center of Hope provides 55 transitional VA Grant Per Diem single-rooms offering three different service delivery models (Bridge, Low Demand, and Hospital to Housing). Each model offers an extensive array of services and focuses on exiting the Veteran to permanent housing.

Homeless Persons Storage Units provides a safe and secure place for the homeless population to check-in their personal belongings throughout the day (morning and night), enabling them to access needed services.

Rapid Re-Housing Services:

2. Basis of Presentation

The accompanying consolidated financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America, which recognizes revenues when earned and expenses when incurred. Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions.

Net assets of the Organization and changes therein are classified and reported as follows:

- With Donor Restrictions - Net assets with donor restrictions are net assets subject to donor-imposed stipulations that may be fulfilled by actions of the Organization to meet the stipulations, that may become undesignated by the passage of time, or that require net assets to be permanently maintained, thereby restricting the use of principal.
- Without Donor Restrictions - Net assets without donor restrictions are net assets not subject to donor-imposed restrictions or the donor-imposed restrictions have expired. These net assets are available for use at the discretion of the Board of Directors and/or management for general operating purposes.

3. Principles of Consolidation

The accompanying consolidated financial statements include the activities of Society of St. Vincent de Paul South Pinellas, Inc. and its two wholly owned affiliates. All significant inter-organization accounts and transactions are eliminated in consolidation.

4. Liquidity

Assets and liabilities are presented in the accompanying statement of financial position according to their nearness of conversion to cash and, their maturity and resulting use of cash, respectively. See note B for more information on liquidity and availability of assets.

5. Cash and Cash Equivalents

The Organization considers all short-term investments with an original maturity of three months or less to be cash equivalents, except those managed as part of investment strategies for investments held for long term purposes.

The Organization maintains its cash in demand deposit accounts at several financial institutions, which, at times, may exceed federally insured limits. The Organization has not experienced any losses in such accounts. Management believes the Organization is not exposed to any significant credit risk in regard to cash and cash equivalents.

6. Investments

Investment purchases are recorded at cost, or if donated, at fair value on the date of donation. Thereafter, investments are reported at their estimated fair values in the consolidated statements of financial position. Cash designated for long-term purposes are classified as investments. Investment income is reported in the consolidated statement of activities and consists of interest and dividend income and realized and unrealized gains and losses, net of external investment expenses.

7. Accounts Receivable

Receivables are stated at the amount management expects to collect from outstanding balances. At least annually, management reviews its receivables balances and estimates the portion, if any, that may not be collectible.

Management provides for probable uncollectible amounts through a charge to earnings and a credit to the allowance for doubtful accounts based on its assessment of the current status of individual accounts. Management has determined that the receivables are fully collectible; therefore, no allowance for uncollectible accounts is considered necessary at September 30, 2022.

Grants receivable are based on contracted per diem rates with certain funders; due from federal, state and local grantors; as well as from various other foundations and funding sources. An allowance for all grants receivable at the consolidated statements of financial position date has been established at 1.5% of outstanding balances. The allowance at September 30, 2022 was approximately \$77,000. All grants receivable are due within one year as of September 30, 2022.

Society of St. Vincent de Paul South Pinellas, Inc. and Affiliates

September 30, 2022

NOTE A - DESCRIPTION OF THE ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Other receivables represent accrued amounts that have not been billed as of the end of the year but have been earned by the Organization.

8. Property and Equipment

Property and equipment are stated at cost if purchased or estimated fair market value at date of receipt if contributed, less accumulated depreciation. The Organization's capitalization threshold is \$5,000. Depreciation is computed using the straight-line method over the estimated useful lives of the assets ranging from 3 to 40 years. Construction in progress is not depreciated until put into service.

Expenditures for renewals and improvements that significantly add to the productive capacity or extend the useful life of the asset are capitalized. Expenditures for normal repairs and maintenance are expensed as incurred. Upon retirement, sale or other disposition of property and equipment, the costs and accumulated depreciation are eliminated from the accounts and any resulting gain or loss is included within the statement of activities.

Property acquired with grant funds is considered owned by the Organization while used in the program for which it was purchased or in future authorized programs; however, its disposition and the ownership of any proceeds are subject to applicable regulations.

9. Loan Costs

Loan costs are presented as a reduction of long-term debt on the accompanying consolidated statements of financial position. Loan costs are amortized over the life of the related loan and recorded as interest expense in the accompanying consolidated statement of activities.

10. Unearned Revenue

Unearned revenue relates to grant funding for which the terms of revenue recognition have not yet been met.

11. Donated Goods and Services

Donated food is recorded at estimated fair value at the date of donation based on current market value of comparable food items. Contributed services are recorded as public support at their estimated fair value if the services received create or enhance nonfinancial assets or require specialized skills, are provided by individuals possessing those skills, and would need to be purchased if not provided by donation. Donated services are valued based on the market rate of the services donated. Volunteers contribute a significant amount of time to the programs provided by the Organization. The value of this time is not reflected in the accompanying consolidated financial statements, as it does not meet the criteria for recognition.

Society of St. Vincent de Paul South Pinellas, Inc. and Affiliates

NOTE A - DESCRIPTION OF THE ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

12. Contributions

Contributions are initially recognized at fair value in the period the promises are received. Conditional contributions or intentions to give are not recognized until they become unconditional, that is, at the time when the conditions on which they depend on are substantially met.

In the absence of donor stipulations, unconditional contributions are reported as revenue without donor restrictions. Amounts received that are restricted by the donor for future periods or for specific purposes are reported as revenue with donor restrictions. Unconditional contributions received with donor-imposed restrictions that are met in the same year as received are reported as revenues without donor restrictions.

Additionally, absent explicit donor stipulations about how long fixed assets must be maintained, the Organization reports expirations of donor restrictions on cash or other assets that must be used to acquire fixed assets when the fixed assets begin construction and/or are acquired.

13. Functional Allocation of Expenses

The costs of providing the various programs and other activities of the Organization have been detailed in the consolidated statements of functional expenses and summarized in the consolidated statements of activities. Expenses that can be identified with a specific program and support service are allocated directly according to their natural expenditure classification. Salaries and other expenses that are not directly allocable are allocated to the various functions based on time and effort. Occupancy costs such as depreciation, utilities, rent, maintenance and repairs, insurance are allocated based on square footage.

14. Income Taxes

Income taxes are not provided for in the consolidated financial statements since the Organizations are exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code and similar state provisions. The Organizations have been determined by the Internal Revenue Service not to be a private foundation within the meaning of Section 509(a) of the Internal Revenue Code. Management is not aware of any activities that would jeopardize the Organizations' tax exempt status.

The Organizations are not aware of any tax positions they have taken that are subject to a significant degree of uncertainty. Tax years after 2018 remain subject to examination by federal and state taxing authorities.

Society of St. Vincent de Paul South Pinellas, Inc. and Affiliates

15. Use of Estimates

The preparation of the consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

16. Summarized Comparative Information

The consolidated financial statements include certain prior-year summarized comparative information in total, but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with U.S. GAAP. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended September 30, 2021, from which the summarized information was derived.

NOTE B - LIQUIDITY AND AVAILABILITY OF RESOURCES - Continued

There are donor restrictions on financial assets that are subject to donor or other contractual restrictions. Accordingly, such funds are not available to meet the cash needs in the next 12 months.

The Organization's liquidity management strategy is to structure its financial assets to be available as general expenditures, liabilities and other obligations become due. The Organization also has a line of credit that can be drawn upon to help manage expenditure needs.

NOTE C - INVESTMENTS

Investments are reported at fair value and are summarized as follows at September 30, 2022:

	<u>Market</u>	<u>Cost</u>
Cash	\$ 424	\$ 424
Equities - common stock	3,617,274	5,222,793
Fixed income funds	<u>6,184</u>	<u>7,231</u>
	<u>\$ 3,623,882</u>	<u>\$ 5,230,448</u>

Interest and dividend income, net	\$ 2,284
Realized and unrealized gains	<u>(1,606,566)</u>
	<u>\$ (1,604,282)</u>

NOTE D - FAIR VALUE MEASUREMENT

The Organization defines fair value in accordance with U.S. GAAP, which specifies a hierarchy of valuation techniques. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1) and the lowest priority to measurements involving significant unobservable inputs (Level 3). The Organization measures investments at fair value on a recurring basis.

The three levels of the fair value hierarchy are as follows:

Level 1: Inputs that utilized quoted prices (unadjusted) in active markets for identical assets or liabilities that the Organization has the ability to access.

Society of St. Vincent de Paul South Pinellas, Inc. and Affiliates

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED

September 30, 2022

NOTE D - FAIR VALUE MEASUREMENT - Continued

Level 2: Observable prices in active markets for similar assets or liabilities. Prices for identical or similar assets or liabilities in markets that are not active. Market inputs that are not directly observable but are derived from or corroborated by observable market data.

Level 3: Unobservable inputs based on the Organization's own judgment as to assumptions a market participant would use, including inputs derived from extrapolation and interpolation that are not corroborated by observable market data.

The Organization evaluates the various types of financial assets to determine the appropriate classification within the fair value hierarchy based upon trading activity and the observability of market inputs. The Organization employs control processes to validate the reasonableness of the fair value estimates of its assets and liabilities, including those estimates based on prices and quotes obtained from independent third-party sources.

While the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different estimate of fair value at the report date.

Following is a description of the valuation methodologies used for assets at fair value. There have been no changes in the methodology used at September 30, 2022:

Equities - common stock: Composed of common stock securities valued at the closing price reported in the active marketplace in which the individual securities are traded.

Fixed income funds: Valued at the net asset value (NAV) of shares held at year end.

The following table sets forth by level, the fair value hierarchy, of investments at fair value at September 30, 2022:

NOTE F - LONG-TERM DEBT - Continued

The recorded amounts of certain interest-free mortgages are calculated based on fair value using the prevailing market interest rates for similar transactions at the time the mortgages were executed, ranging from 2.84% to 5.73%.

In the years the mortgages and notes were recorded, contribution revenue with donor restrictions was recorded for the difference between the fair value of the loan based on market interest rates (discounted value) and the face value of the loans. Net assets with donor restrictions for 2022 include \$5,854,703 of unamortized discounts for these mortgages.

The amount of net assets with donor restrictions released each year is equal to the change in the difference between the fair value of the mortgages and the face value of the mortgages. Each year, a corresponding amount of interest expense is recognized, and the mortgage note liability is increased (accreted).

Certain mortgages and notes will be forgiven at the due date if the property continues to be used for its intended purpose. The City of St. Petersburg mortgage note payable will be forgiven at maturity if the property continues to be used as a Food Center providing means and other assistance to low-income or homeless individuals. The Florida Housing Finance Corporation mortgage note payable will be forgiven at maturity if the property constructed is used to operate housing for persons with extremely low-income.

NOTE G - NET ASSETS WITH DONOR RESTRICTIONS

	<u>\$ 9,558,501</u>

Net assets were released from donor restrictions by incurring expenses satisfying the purpose restrictions specified by donors or through the passage of time for non-interest-bearing mortgages as follows:

Accretion of contributed interest	\$ 878,299
Satisfaction of purpose restrictions	<u>589,331</u>
	<u>\$ 1,467,630</u>

The information in the schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Some amounts presented in the schedule may differ from amounts presented or used in the preparation of the consolidated financial statements.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND
OTHER MATTERS BASED ON AN AUDIT OF CONSOLIDATED
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH GOVERNMENT AUDITING STANDARDS

Board of Directors
Society of St. Vincent de Paul South Pinellas, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Society of St. Vincent de Paul South Pinellas, Inc. (a nonprofit organization) and Affiliates (the "Organization"), which comprise the consolidated statement of financial position as of September 30, 2022, and the related consolidated statements of activities and changes in net assets, cash flows, and functional expenses for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated February 24, 2023.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's consolidated financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Society of St. Vincent de Paul South Pinellas, Inc. and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Society of St. Vincent de Paul South Pinellas, Inc.'s compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Society of St. Vincent de Paul South Pinellas, Inc.'s federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Society of St. Vincent de Paul South Pinellas, Inc.'s compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Society of St. Vincent de Paul South Pinellas, Inc.'s compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Society of St. Vincent de Paul South Pinellas, Inc.'s compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Society of St. Vincent de Paul South Pinellas, Inc.'s internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Society of St. Vincent de Paul South Pinellas, Inc.'s internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
